**THIRTEENTH SPECIAL APPARITION OF THE VIRGIN MARY IN THE AUDITORIUM IN F2, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 12:00 NOON, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

*Today the meeting was held in the auditorium of the F2 area, a large hall where studies and lectures take place in the Community.*

*The Divine Mother asked us to hold the event in this place so that people could be more attentive and focused on Her Message. The sun, these days, has been very intense and many people have difficulties staying for a long time under the midday sun.*

*With great love and delicacy, a beautiful altar was prepared and a picture of Holy Mary, Mother of the Divine Conception of the Trinity was placed there. These details and the features of the place, helped concentrate the energy, making the prayer deeper and full of devotion.*

*After an hour of prayer, Friar Elías stood up and walked towards where the Divine Mother appeared.*

*Everything was silent and the transmission of the Message began.*

My dear ones,

Today I summon you so that you may enter more deeply into My Heart to receive in your hands the chalice of My offering, so that you may remain with Me in Peace and let yourselves be nurtured by My Maternal Light.

I want you all to pray longer to establish My Peace in this nation and in its sister nations. We must prepare ourselves for the time that will come, as the Lord said. I Am the Guardian of souls and wish to lead you as a great flock.

Until the 25th, many things will happen. Those who remain in fidelity will understand what I say and will sow in their heart My Heart, My Heart of Light, My Heart of Peace.

At that moment some movements occurred in the back of the auditorium, and for a moment, there was a pause in the transmission.

Be in peace while I speak to you because the Lord is speaking through My redeeming Voice.

Today I elevate your prayers to My Kingdom.

To those who wish to believe in My Immaculate Presence, today I leave you the Light of My Spirit so that you may recognize It as the Mother of ancient times who appears again due to the Call of the Lord.

I do not want to convert you to any doctrine, only to My eternal prayer, which is opening the doors for the reconversion of souls that want to walk on this path towards My Heart.

Today I radiate My Peace to you again, so that in quietude you may listen to Me and understand the Grace that you are receiving.

I am the Queen of the Heavens and the Mother of the angels, the Mother of all creatures, and I open My protective Mantle so that everyone may enter and take refuge in Me.

Know, dear children, that nations will undergo many tests to confirm the alliance with the Lord. We are in a time of Mercy before the Divine Justice arrives for all hearts, living or not.

Know that it is important to maintain the alliance of prayer at the end of this time. I repeat My Words at each moment so that you may listen to Me and reflect; because I, as the Queen of Peace, bring My sublime and profound Light.

We must pray to relieve the world, which seeks the Light just like you. For this reason, I have come here to announce to you My Peace, so that you may find the path that I am opening today in this last phase of the world.

Many secrets, at the end of this time, will be revealed; secrets in Medjugorje, secrets in this place, which will be able to form the souls that remain in prayer with Me when I am no longer here.

I know which heart corresponds to My call. I know who is who and responds to the Lord to find relief. Know that the doors are open for those who are willing to cross them and find a new destination that My path is marking.

Take with you the adoption of other souls who are in need of salvation before everything happens in this world.

In this moment, I am here, in this hemisphere and also in the other, so that My Voice may be spread and everyone may meditate on My Messages that are announced for the last time.

All will receive the opportunity to hear Me once again, in the last cycle of 2012.

So everything will begin, and your hearts must be ready, without hard feelings and without prejudice, completely donated to Me.

To those who are willing to cross over to the profound depths of My Immaculate Heart, know that I, the Queen of Peace, will count on you in silence.

Today I am accompanying the elements so that you may know Who is here, responding to the Lord; and this is how you should respond to Me.

I know your hearts and your inner beings, and I tell you that it is important to open yourselves to the new paths that will come. Few will walk knowing what to do in this last cycle; for this reason, let us pray.

Let us pray for the Divine Plan, for the salvation of souls and hearts that are dark, for those who I will awaken at the end of this time.

*In this moment "Luminous Bird" was prayed.*

May My Merciful Heart nurture your lives once again, so that you may be born in Me and I in you as the Mother of Reconciliation, who forgives and elevates faults, especially the faults of those who hide them from Me. As God is prodigious, I can see everything to know who is faithful and who is not faithful to My call.

The doors to My Celestial Kingdom are open, and they will be crossed by those who are willing to do so with trust in Me, in My Infinite Heart.

Let us prepare our hearts so they may be meek during this night. After everything passes, you will understand, and know that humankind, in consciousness, is still slow to understand the Divine Designs. But you, through these days, have understood more than the others who live apart from the Lord, apart from God.

I am preparing you to find relief and to be able to heal yourselves, so that you may walk together with Me as the Mother of Peace, the Servant of all the flocks that follow the Path of Christ. Heal your illnesses with prayer and forgive everything you have done.

This is My precept for the end of this time.

Thank you for responding to My Call.

Let us meditate, and we will understand.

*The meeting was closed with the song "The Woman who guides us."*

***Friar Elías del Sagrado Corazón de Jesús:***

*Thank you, Mother of God, for all that you give us!*

*And as she requested of us, let us quiet our hearts to receive Her tonight at the Hill of Apparitions, as we have every night.*

*Thank you all.*
