FOURTEENTH SPECIAL APPARITION OF THE VIRGIN MARY, ON THE HILL OF APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 10:00 P.M., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

With everyone gathered on the Hill of Apparitions, the work of preparation to receive the Mother of the World began.

We prayed for about an hour and then we received Her by singing the "Hail Mary."

At a certain moment, Friar Elías, standing before the tree, asked for silence and related what the Mother was saying.

Friar Elías del Sagrado Corazón de Jesús:

Our Mother says that the world shall attain peace through the little works of all humanity. She is calling us to awaken to Her call, to open our hearts to listen to Her.

She said that today She comes to ask us to offer our sacrifices to prevent the Third War in the world. But She says that these are not sacrifices of the soul, but that we must offer that which we most desire on this physical plane. She says that the Lord accepts these small sacrifices and that no one should die to anything, but should only offer Him as much as they can.

I am the Mother of the Conception and I know the fasts that prepare the spirit. Know that when the Lord asks us to make sacrifices, it is for other souls, just as I have asked of many visionaries. I only want to tell you that no one should grieve in their heart, but should rejoice in offering their own being to others.

Souls are saved by placing them in prayers, but today I ask you for a little more. It is not enough to recite, we must go deeper. Therefore, I will be here until the 25th, for those who dare to cross the threshold toward the Queen of Peace.

No one will be forced, from the Heavens, to do what they do not feel, for you know that you are ruled by freedom. Here, in this Heavenly Kingdom obedience is experienced, which allows the Divine Plan to be directed toward the Father and toward us.

Know that devotion can be awakened through these sacrifices, which should not be fanatical or rigorous, for what I am asking of you is a collaboration for peace, for the rescue of souls and essences.

The soul is sanctified by the gifts it awakens when it loses its own will and recognizes the infinite Will of Heaven.

I am coming here, to you, to ask this in the name of the Divine Love of My Conception.

I am granting, on this day that is ending and the one that is beginning, many Graces to the world, Graces that have come from prayers and that have established a little more peace in certain places of the world.

Know, My dear ones, that I make use of your voices that pray with Me, with sincerity and without boredom. As we are in the final time, all matters for those who wish to listen to My Voice and respond to My call.

I am asking you the same as in Medjugorje: prayer, fasting and sacrifice, so that the Law may be softer with the hearts that do not want to find peace and that continue with their wills, which are not the will of the Lord.

I am inviting you, My children, to allow your consciences to assume sacrifices for the souls who are lost and who need to be elevated to My Heavenly Kingdom.

I am not setting days or deadlines, each one will know what they can offer by themselves in the name of My Love.

I also ask you, as a Mother, that no one suffer or exaggerate because they will not be fulfilling My Call, but rather following their own condition of wanting to ascend by the strength of the Earth. You must ascend by the strength of the spirit and feel My Call in your hearts.

The one who gives what they have, generates Graces in Heaven, the treasures that Christ, the Lord, has announced to us in ancient times. Now everything is alive for those who want to recognize the prophecies that I am pouring out upon this world in need of Peace and Light.

Also, I ask you to support My call for Africa. You will not be going only to serve to bring relief to souls who have been in despair for centuries, but you will be joining My Plan of Love for all those who must be lifted up in My Arms toward My Heart. Each one knows what they can give; therefore, I ask this of you.

I love you and I support you on this new path that you are traveling in consciousness with Me, for the world and for this humanity. For years, I have been repeating My Words throughout Europe, radiating My Emblem of Peace, manifesting Myself more strongly to the closed minds that do not wish to hear the Voice of the Lord.

You have walked with Me along the path of faith, cultivating the inner essence and recognizing what is happening through My announcements. Just carry My requests in your hearts, so that they may be truly and joyfully sown. This is how the next Kingdom is reached, for those who want to trace that path, transcending themselves through the strength of the spirit and the love they have for Me.

I correspond to you with My Graces, so that you may share them in peace with your brothers and sisters who are not here. You, My children, have seen how My call is answered, some come, others go, few are those who remain to build My Essence of Love in this nation.

Now, I am opening the doors to what you call communications. It will be necessary for My Emblem of Peace to reach the corners of this nation and to echo deeply in the hearts that wish to reach here.

I will be appearing on the 12th and 13th of each month in Uruguay, and here, on the 25th at noon, on the 26th at 8 p.m. and on the 27th at noon. Thus, on these three days, you will be listening to My Voice and responding to My call to receive the souls who are thirsty.

On July 8th of the coming year, it will be at noon, and then you will notice My Presence.

Today, I open My Arms to radiate My Love upon you, which must be cultivated in the depths of your heart so that you may erase pain and be born in My Good News, which I am announcing to you as the Mother of Redemption.

Friar Elías del Sagrado Corazón de Jesús:

Let us repeat with Her:

*Infinite Mercy,
radiate upon our lives.*

Amen.

At this moment, Our Lady is holding a rose in Her Hands, which She calls the rose of Mercy.

Now, I want to reach the hearts that I have not yet reached. I will go, with My prodigious Motherhood, to radiate upon a group of souls who must be anchored in My Immaculate Heart.

While the visionaries move to where the Divine Mother directs them, the "Luminous Bird" is prayed, and when the Divine Mother imparts the blessing, the "Hail Mary" is sung.

By the sacred power of the Spirit, in the name of the Father, the Son and the Holy Spirit. Amen.

May your hearts, My dear ones, open more and more each day to My Light and may you find the Peace that I am giving you.

Fray Elías del Sagrado Corazón de Jesús:

The Mother placed a sphere of Light over the group and radiated a bright white energy from Her Hands. As She did so, She walked over the group on a slightly higher level, smiling and radiating Her Peace.

Lift your souls to My Heart and you will find My Kingdom. I guide you in this end time. The Lord has asked Me to fulfill a part of the Work, which is to answer the questions of My children until the 25th. Keep your answers beyond your hearts so that you may understand My Design which is Greater and Divine.

Personal questions are asked and Divine Mother answers them.

Thank you for responding to My call, remain in My Peace and sleep in My Kingdom.
