**SEVENTH SPECIAL APPARITION OF THE VIRGIN MARY ON THE HILL OF APPARITIONS, MARIAN CENTRE OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 8 p.m., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

*The group gathered together to climb the Hill of Apparitions in procession with candles.*

*After an intense work of prayer, Friar Elías stood up, and after the song "Luminous Bird," which ignited devotion and joy within all those present, a profound stillness and a profound silence settled in. Then the transmission of the Message began.*

By the sign of the Sacred Cross of the universe, in the name of the Father, the Son and the Holy Spirit. Amen.

***Friar Elías del Sagrado Corazón de Jesús:***

*Before the choir sang, it was clearly perceived that the sky opened and another Heaven appeared within it.*

*From this new Heaven, a group of angels descended, forming the image of a heart. In their hands, they carried flames of fire. In the center of this group of angels, a white dove manifested, which flew toward the crown of the tree.*

*Later on, in the very top of the tree, the Divine Mother began to appear. She radiated All Her Love and Her Compassion upon us. She set Her Hands in a sign of prayer, and then opened them, offering us Her orandium.*

*Afterwards, during the singing, She descended with the sound of the melody.*

I love music when it is music that springs from the essence, from the heart, music for the universe, music for God.

Now She is over the group that is on the first level (1) and under Her Feet there is a small white cloud. She wears a sky-blue mantle and a white dress with a blue belt and She is standing on a white half-moon.

She has changed the image, and now, under Her Feet, there is the image of the planet. Over Her Head She carries a single golden star that shines, Her Countenance is rosy, almost transparent, and Her clear Eyes are illuminated.

She carries a flame of fire between Her Hands, which is held at the height of Her Heart.

Come to Me, I seek you.

I Am the Queen of the World, the Mother of Compassion and Truth.

I hear you, you are in Me and I Am in you.

Carry My Peace, carry My Peace, carry My Peace.

I call you to this meeting to pray together for the light of the world. This is My last hour among you, hearts that open today for the reunion with Me.

Today, I am over this group because I wish to bless it, I wish to bless it once again with the Light of My Heart, and you, in turn, will bless your brothers and sisters that seek rest in Love and in Peace.

Thus, simple and true, is finding the path of peace through Me, so that those brothers and sisters who wish to ignite like flames with Me in this last hour, may come here.

At that moment, the "Prayer to the Universal Mother" is recited several times.

I Am the Lady Who heals the wounds, Who gives Light to hearts.

***Friar Elías del Sagrado Corazón de Jesús:***

*The Divine Mother is offering a Crown of Roses.*

*Mary asks that we place one of our hands with the palm upward, She will radiate upon us.*

*She wants us to intone the song "Hail Mary" three times.*

*The group sings what has been requested and then the transmission of the Message continues.*

Listen to the resounding of My Voice; I Am the same Mother of yesterday and today. I want all of you to understand that you are with Me, each one walking your own path and each one learning in your own school. Wait to receive the Great Light from Me which will light up the darkness of this end time.

I, the Mother of Mercy, emphasize the end time because it is the hour previous to the Return of My Glorified Son. Remain today with My angels once again and see that within you, the Great Flower is being born, which is My manifested Essence.

Today, the Lord asks us to be humble, that the world be humble so it may find the Peace I am bringing you from the Heavens. Thus, I give you My Crown of Roses so that you may remember that I was here, assisting you and accompanying you.

I know that everybody has many things to tell Me, but first, we must pray to alleviate your hearts, because as a Mother, I know you are tired.

Now, your hearts represent the hearts of the whole world, hearts without light or hearts with little light, hearts without peace or relief. I Am the Vessel that must be filled with prayers to quench the thirst of Christ, which cries out for the souls of this world.

Remember today the Words which Christ, when young, manifested in the Temple. The Good News of the Lord which has been renewed from age to age for those who want to hear it. This Good News, for a tired humanity, is to live in communion and in prayer with Us, from the Celestial Kingdom to the Earth.

I make My Heart spring forth upon you, the same that awakened 30 years ago in Medjugorje.

We are all One, there are no two. This is no time for separation, but for the unification of consciousnesses. Whoever wishes to accept this path, My path of Peace, must be transformed like the tree that drops its leaves only to blossom again and bear new fruit.

In the desert, rest is to be found in the Lord, Who has long awaited for you to reunite with Him in prayer. The path is simple. If you so desire, you may imitate Me as the Queen of Love, the Protector of Souls, the Guardian of Hearts, the Divine Conception, Who brings a new flame to the world.

This flame must not go out, it must be kept alive through prayers and through all those who unite with Me and who trust in My path as the Immaculate Mother. I have repeated the same Words for centuries so that your hearts may understand and recognize the One Who speaks to you.

I Am Divine, but I Am also like you: simple of heart and humble in profession. For this is how the Heavens are reached, by being available to all those who wish to live in them when they transcend this plane.

In this Kingdom of Love there is Peace, a Peace promised to souls; in it there is no suffering. Thus, with Christ, we return to this world so that souls may see that the Light exists for those who want to find it within this chaos.

The great door of Peace is opening for a short cycle; for I, as the Mother of Light, have taken on this principle of Peace so that all may move forward in their steps of consecration to My Immaculate Heart.

*The song "Hail Mary" is intoned.*

***Friar Elías del Sagrado Corazón de Jesús:***

*Beside the Mother, an angel appeared holding a great crystal of Light.*

This is My Kingdom, come to Me, I will accompany you.

This is all that I can say to you today.

I will answer seven questions, the answers will spring forth from My Heart.

I am listening to you.

At that moment, seven questions are read and the Divine Mother responds to them, one at a time.

At the end, She says She will answer an eighth question because She is the Mother of Graces.

Now, I will return to My Kingdom to meet you tomorrow.

I have already told you what the Lord has asked of Me.

Thank you for responding to My call.

*In gratitude, the "Hail Mary" is intoned.*

***Friar Elías del Sagrado Corazón de Jesús:***

*When She rose up, She manifested a Great Heart that She was embracing.*

*Lastly, She wrote the word "Peace" in the sky with letters of fire.*

*The work ends with the song "The Woman Who guides us."*

*(1) The Hill of Apparitions has several levels where people can stand to attend the Apparition.*
