ELEVENTH SPECIAL APPARITION OF THE VIRGIN MARY, ON THE HILL OF APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 8:00 P.M., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At the appointed time, the work of prayer begins and continues for more than an hour.

Mother Shimani asks that the Hail Mary be intoned, signaling that the Divine Mother is about to appear.

Minutes later, there is a deep silence, then Friar Elias, at Our Lady's request, prays the Hail Mary.

By the sign of the Divine Cross, in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

She is already present among us, She descended resplendently from Heaven. She rests upon a great flower, a rose, and holds the rosary in Her Hands, She is praying. She greets everyone with deep gratitude and smiles.

Oh, how many dear children have come to meet Me!

Today, I come to tell you to confess to Me, so that My Peace may enter your hearts and so that God may forgive you.

I am here because this is the final hour, the last call. Therefore, I have come to pray with you once again.

Thank you all for responding to My call! Carry in your hearts My Eternal Love.

I have come to tell you that you must take these impulses to the prayer groups, so that you may be My pillars at the end of this time.

Today, I am here as the Queen of Graces and the Queen of Mercy, the Mother of Peace and Light. I want to tell you that many souls are being saved within My Kingdom by the strength of your prayers, who unite with Me in the Heavens, in this Divine Kingdom in which I have been living for a long time.

Today, I come to ask you to receive the Holy Spirit upon your hearts so that they may find relief and may bring this peace to others.

It is necessary to deepen the continuous prayer so that you may unite with Me and follow Me. Many more will come here seeking the same and you must be prepared to receive them.

Nothing else matters in this world, but only prayer, which will unite you to the Heavens so that you may always receive the answers from Above.

Feel My Peace and you will be able to find it every moment, thus opening your hearts to respond to My call.

I want you to know that I am with you and that I know what each soul needs at this time. Many questions come to Me, but I give only one answer to your hearts. This answer is that we must remain united, no matter what happens. Whoever stays close to Me will follow the path and will not return to the past.

I am with you, instructing you on how to pray at the end of this time. Simply quiet your thoughts to find me, do not look for the cure on the outside. Let My Voice resound within you so that you may discover what I am saying to you as the Mother of Peace.

I am here as in Medjugorje, I have already told you, so that you may know that I am the same, there are not two of Me. The Mother is unique in Her original emanation; She comes from the Source where She was created for Her task in this world. I Am only Essence, but I was a humble woman and a servant like all the mothers who are here.

Now, I ask all mothers who listen to Me, to adopt all My children in spirit, in consciousness and in heart. In this way, you will be helping Me in My great task for the end of times.

Be My servants of prayer. Be My shields of Light. Be the fountain that gushes forth to quench the thirst of the children, of the youth and of the adults, of those who are lost and alone, of those who have not seen Me for a long time and of those who close their hearts to Me.

For this reason, I am returning in this final cycle as the Queen of Peace. This will be the emblem of the hearts, the Divine Peace in the aching hearts, in those who must heal their faults before God, in those who must return to the Origin to sow the Light that comes from Me.

Therefore, I tell you, as the Guardian of Hearts, to take refuge in Me and follow Me, because I will protect you. The Lord tells us that there is nothing else to do in this time, only to pray and pray for souls.

From today onward, you will be My missionaries in every way and in every work. That is why God has created this Center of Light in this region and in this country, to be a refuge for hearts, to reinsert them onto the path that they have lost through the ways of this world.

Now that you are here, listening and feeling My Immaculate Heart, I only ask you to respect what I am telling you.

My Words may pass and be erased from your memories, but you must know that My Heart will always remain and It is in charge of the salvation of souls.

Many of you who are here have been in the dark night, and you know what I am telling you. Therefore, this is not the time to return nor to seek to return to it, because My Heart calls you to open new paths for the reconversion of souls, the way out to the Light, the return to the Kingdom that this humanity seeks so much.

That is why I have been appearing near Germany for so long, seeking the same hearts that have committed themselves to Me for the sake of Peace.

Now, I am here, giving the same blessings for this hemisphere of the world, which must be resurrected in prayer as a faithful commitment, as a goal, as a new path to discover in union with God and with the whole universe.

Today, I leave My Stars here, so that you may grasp them strongly and join My redeeming Light; so that you may drink from My Chalice without any fear, because I Am the Mother of Love, I Am the Divine Conception, who was born of the Greater Spirit to generate Light in the world, more than 2,000 years ago, on the path of the redemption of the world, together with the Messiah.

You know that I am in many places. Just as I am here, I am also in other places so that all may hear the echo of My Voice, so that all may find new rest in a world of chaos and confusion. Therefore, I am descending to bring you My Light, so that you may know that there is a way out where you can walk.

I offer you My Being, as the Mother of Mercy, so that you may drink from this principle and be encouraged to cross the threshold into perpetual prayer for the world and for souls, so that God, Our Lord, may alleviate the suffering that increases every day in the world. Know that My tears fall because sometimes I do not find answers, My Heart aches for so little light.

Therefore, I ask you to listen to Me and to feel Me, so that My Eternal Heart, My Immaculate Heart, My Faith may spring forth within you.

Why do we pray the Hail Mary at the beginning?

For it must be a prayer that is redeemed at the end of this time. It is a prayer that unites you to Me, to My precept. It is a prayer that binds you to My Being and to no one else. Prayers belong to the universe, to a single, unique origin, they do not belong to humanity nor to any doctrine, because they help us to grow in order to find Peace and Light.

Friar Elías del Sagrado Corazón de Jesús:

She is holding in Her Hands an orandium and She is looking at us, observing us with Her crystalline, celestial Eyes. Her Face is light pink.

The Lord has given Me the power to save more souls. That is why I am coming here, so that My beloved nation of Brazil may become the epicenter of My rescue for the other nations of the Americas. And since the Lord is so prodigious, He has chosen the Spanish language so that I may reach the entire world, so that I may reach the essence of hearts, so that they may understand My call.

Understand, My children, that I am uniting the borders that humanity has placed before Our Lord for centuries. God has entrusted Me to fulfill certain prophecies that were written. Now, the time has come for us to fulfill them through prayer and for God, with His Goodness, to descend into this world, into this universe, with Compassion and without Justice.

But the Laws will be fulfilled, for those who want to see them and for those who do not want to see them; because humanity has generated something with Creation and I, as the Mother who intercedes before the souls of this world, have prayed for all of you.

Believe in what is happening, and then you will confirm it through the facts; for I, the Patroness of Love, am coming here to unite what is separated and to ignite the Light where there is darkness.

The Sacred Books are accounts of generations who have interpreted the true Message. Therefore, I am here to prophesy it, as a Messenger of Peace bringing Light and Reconciliation.

Now, I have already told you much throughout these days and I hope that we will meditate together during the remaining days until My last approach in this cycle of the months of August and September. My Light has passed so that hearts may change and find a new path that will lead you to Me.

I place your petitions under My Mantle, to take them to the Lord and raise them with My Love; for I know each heart and I know what it needs. But first we must pray, pray and pray, to reverse and heal.

Friar Elías del Sagrado Corazón de Jesús:

Now, She opened Her Arms and showed us, beneath Her Mantle, a scapular.

The prayer "Blessed are You" is prayed several times.

Friar Elías del Sagrado Corazón de Jesús:

She asks sister Pama to approach here.

The prayer "Universal Mother" is recited, while the Divine Mother tells some words to Pama in a personal way. Then, Friar Elías continues.

Friar Elías del Sagrado Corazón de Jesús:

Now, She said that She is going to give a special blessing to her entire Nucleus, which we call Crer-Sendo.

She will move to where that group is. Let us continue praying the "Universal Mother" prayer.

The group moves to where the children and the collaborators of the Nucleus are gathered.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother asks us to unite our hearts with all these children and young people, to bring forth our purity.

She stands over this group of souls and opening Her Arms, with an orandium in Her Hands and with a rose on each Foot, She says a prayer.

The "Hail Mary" is intoned and everyone accompanies this moment with much devotion.

Mother María Shimani de Montserrat:

Now, let us ask Her the questions, as every night.

The questions are asked and the Divine Mother answers each one.

Now, let us prepare for tomorrow and renew our vows of faith. Today, I leave you this task.

Thank you for responding to My call!

Mother María Shimani de Montserrat:

To close and accompany Her on Her return to Heaven, let us sing "Luminous Bird."

Thank you, Divine Mother, for all that You give us!
