NINTH SPECIAL APPARITION OF THE VIRGIN MARY, AT THE HILL OF APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 8 P.M., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Some hours later, the group gathered again at the Hill of Apparitions to wait in prayer for the Queen of Heaven. As on the previous days, "Universal Mother" was prayed.

After an hour of prayer, the choir sang "Offering to the Mother," and during the song, She appeared above the tree.

Friar Elías got closer and when silence was established, he began to transmit Her Words.

The world will find peace when hearts want to live in peace.

Today, I came to proclaim My Faith.

My dear ones, I bring you, from the Heavens, the Blessed Mercy so that your hearts may be nourished by It.

I am the Queen of Pity at the end of this time.

Now, tell them what you have seen and what I have told you.

Friar Elías del Sagrado Corazón de Jesús:

While we were praying, three rings made of stars appeared in the sky, concentric rings that looked like a portal. Some angelical beings appeared from the center of these rings. One of them carried a large box of Light and he announced that It was the Ark of the Holy Covenant.

This angel got closer, descended toward us and told us what the Ark meant, then ascended.

In another moment, later on, Saint Pio appeared on the left side of the tree, he had gloves in his hands, like the ones that covered his stigmata when he was alive. He blessed us. Saint Joseph, Mary's husband, appeared on the right side of the tree. Saint Pio and Saint Joseph gathered in front of the tree and observed what was happening in the heights, high in the sky.

Then, the Mother appeared wearing a pink tunic and a white mantle. Her Face was luminous and bright, as well as Her Feet, that had a sky blue rose on each one of them.

She had a silver belt around Her Waist and Her white Aura radiated much Light. Above Her Head, I saw the crown of stars and a channel of Light that came from on High, a channel of celestial energy.

There were seven angels at the foot of the tree, each holding a lit torch in their hands.

These are the seven Aspects of God, the seven Principles for the New Earth.

My dear ones, today I bring to you the Peace of My Maternal Heart so that you may be reborn in your lives, so that you do not lose the covenant with Me, and so that you may unite yourselves to My Immaculate Face of prayer.

Thank you for having responded to My call during this day.

Today, I bring My Higher Light to your hearts, to those who wish to hear these simple Words again.

Thank you for having planted this garden. The Light of My Heart descends upon these flowers because I Am Pure and Immaculate. I want you to imitate this purity, which you carry in your sleeping hearts.

To reach purity, you must live in humility; it is a great step for terrestrial life. But what is important, My children, is that you still have time to go to this meeting, to that path where I am.

Today, I will place Myself as the Protective Bird over this group of consciousnesses, as I have done throughout these days, until the 25th of this month. This will prepare the groups that will come later, in November, to meet Me once again.

If you have seen the Ark of the Covenant pass over you, it is a sign that the Lord is close and He is calling you.

But to unveil the mysteries, they must be loved and thus, they will open up to be known. The important thing is to create permanent sources of prayer in this sorrowful world so that My Heart may triumph in all nations of America, Europe and the East.

Oceania will be the last region where My Heart will triumph, a continent that will gather in prayer at the end of times, in faithfulness; but America must renew its commitment with Me, as it did in Guadalupe.

Now, I am here for those who believe in Me, because this is My final call to renew the life of the hearts so that I may heal the wounds with My Mercy, a Mercy that springs from the Source and that is united to the Heart of Christ, My Son. Before He arrives, I am here announcing it.

I wish to awaken the cells of your hearts so that you may promote My prayer, which is necessary to save the souls that do not find rest or refuge, and that suffer more than you. As I have already said, I am here again as long as there are souls waiting for My rescue.

Today I open My Arms to bless you and I extend My Hands so that you may take Them and unite yourselves to My Immaculate Conception, which is the main Source of the spiritual baptism for those who must be reborn in unity with God again, in reconciliation with the Lord, with the universe, with life and with your brothers and sisters.

As we are in a closing time, I will come here until the 25th to announce that I trust in you, so that you may respond to My Voice, which is greater than your hearts. The heart that is nourished with

My prayer will be in Me, and I in it, so that it may experience peace and take My Peace to those who need to be irradiated by this universal principle.

If today I speak to you about Peace, it is because it is necessary; it is the strength that unites itself to the Light that gives a special brightness to life.

The soul finds the Lord when it is ready to unite itself to Him without judgement.

You know that Divine Justice is coming to all humanity, and those who are willing to take a leap into My Heart will find balance at the end of this time. Know, My children, that this is My task as the Immaculate Mother, as the Resplendent Heart that once was here on Earth, learning how to carry out the experience of life to other universes, where the Lord awaited Me, The One who prepared Me to return Glorified.

Everyone knows that My Assumption to the Heavens was true, in Body and Soul. No part of Me was left on this Earth, because My Essence had to be united to answer to the Great Call of assisting hearts in these last cycles that have passed.

For this reason, I am here today, and in Medjugorje, bringing the same Message of Peace to different consciousnesses, bringing My Light to different hearts, and opening the doors, the final doors, to those who wish to enter My Kingdom of Peace.

After the 25th has passed, you will live a cycle of meditation and reflection, because you will not only be responding to Me, but also to the Lord, Who has been watching you since before your existence as flesh and soul.

What will you do with everything you are receiving?

Even though you have not seen Me, you know I am in your hearts, watching each intention; because a Wise Mother assists the children who might fall into the cliffs and abysses. There, I extend My Mantle so that they may hold on firmly and overcome the barriers of this material world.

My Essence loves all Creation and manifestation of the Lord.

We know, My children, that we are in times of redemption, and I am opening the door of Heaven so that everyone may enter, those who believe and those who do not believe, those who feel and those who do not feel, those who understand and those who do not understand My Message of Peace.

Now I will elevate Myself to the heights to bless more hearts. And bear in mind, My beloved ones, that your prayers resonate in the Heavens of the universe. This same universe will respond in your lives to those who seek the Truth that springs from the heart, that is born from each essence where evil does not exist.

Battles continue, and you must remain steadfast in prayer because you are in a cycle of prayer with Me, just as you have experienced in other cycles before.

And now, what will you do with what I am saying to you? What will you do with all that I am delivering to you during these days and the days that remain until the 25th?

I can only say that My Voice has descended into your hearts, whether they are open or not to My Maternal Light. Know, My children, that My Voice is passing as the Voice of the Lord, for those

who wish to listen to It and be nourished by a new Healing Light.

Find in My Heart all the rest you need, and accept the sacrifices for the world, for your brothers and sisters, for peace and redemption.

You are being restored in your hearts, and now you must give an opportunity to your brothers and sisters who are submerged in illusion and in the darkness of the soul. The time has come to expand the light of prayer, so that I may reach the ones who have fallen, just as you once were.

Know that the soul who kneels upon the ground and places its head upon My Mantle will be protected due to its humility and compassion. It is time for everything you have learned throughout the last 30 years to spring forth from your hearts.

The preparation is over; it is time for action, for the true Christic mission at the end of this time.

The flocks are gathering in prayer and attunement again, but you must allow the lost flocks to enter, because I will lead them to you. Know that I am sending them to you, in this final cycle, so that you may welcome, safeguard and shelter them.

Today, in a special way, I bring My Peace to all the children who represent My Original Purity, once conceived as Mary, the Mother of the Messiah. You must protect and teach the children to pray because they have a task with Me, to spread My Light in this world.

In simplicity lies the great path to the Heavens; imitate the one I have walked for centuries.

Now, I am here among you, accompanying you with My Peace and giving you My Peace so that you may walk through these changes that I, from the Heavens, bring to you in this Center of Love.

Know, My dear ones, that the universe is unique and I Am Unique among all creatures. I am the Immaculate Mother of the consciousness, the Guardian of hearts, the Bird of the Sun. For this reason, I invite you to always pray with Me, in each moment, and when it seems that the prayer is fading due to laziness or boredom, remember everything you have received and place your inner vision, the one of the heart, on those who have nothing, on what is happening in this final time.

A third war was foretold by Me in Fatima. Do you remember what I told you?

Let us meditate, the Lord asks us to reflect.

Let us embrace the Light that is approaching.

Let us pray:

Blessed are You among all creatures
because You were conceived by a Greater Grace.

(three times)

Friar Elías del Sagrado Corazón de Jesús:

Let us repeat this prayer with Her:

Hail, Mother of the World,
Guardian of Love.

(seven times)

And also the following prayer:

Hail, Mother of the World,
Guardian of Love,
Your Light in every heart.

Amen
(four times)

And the following:

Hail, hail. hail, Lord.

(three times)

And continues:

Hail, hail, hail, Lord,
Your Divine Mind in every heart.

Amen.
(five times)

She smilingly says:

Can you see how simple it is to light the hearts?

This is how we should pray: with love and devotion, look for this flame.

Friar Elías del Sagrado Corazón de Jesús:

She will now bless everyone present, but in a special way, a group of brothers and sisters.

As Friar Elías, Mother Shimani and Trigueirinho walk to the place indicated by the Divine Mother, where she will give the blessing, the invocation to the Universal Mother is prayed. Soon "Hail Mary" is sung.

Friar Elías del Sagrado Corazón de Jesús:

Let us feel Our Lady upon this group.

She ignited like a Being of Fire and then turned inward, showing us a great orandium. A star and a half moon appeared upon Her Head and then, with a small tissue, a white cloth, she cleaned and erased certain things from the minds of the members of this group, just as when a mother wipes a small child.

Thank you for responding to My Voice.

I Am with you, in every heart, with every being.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady said that She will now answer seven questions.

The seven questions were asked and we transcribed here what She answered to the last one.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother answers that we must feel Her in our lives and in our hearts, more than in our thoughts. This is the goal that every soul must reach. The praying soul itself finds the answer when the Lord wishes so.

To end and in gratitude, the Universal Mother is prayed three times and "Luminous Bird" is sung.
