**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

After thirty-one years of My presence with you in the world through the Apparitions in Medjugorje, today, dear children, I invite you to celebrate with Me the Grace that God has poured over humanity through My announcements and messages throughout these years.

Therefore, My children, may today be a special meeting between your hearts and the Sacred Heart of Jesus, because He is attentive to the praying voice of all My children, even more so of those who aspire to walk through the path of forgiveness and conversion.

Today, from this side of the world, My Immaculate Heart gathers sister souls, especially in Brazil, Argentina and Uruguay, in order to prepare them for the new time. And the most important for Our Lord is that you live in fraternity.

Dear children, My Immaculate Heart has already been in your lives accompanying you for five continuous years, just as My Maternal Love accompanies My children of Europe through the devotion in Medjugorje.

With this I want to call you to the reflection of the heart so that your consciousnesses may be able to truly awaken to that which My voice is announcing to you day by day in the messages.

It is the first time in My Apparitions in the world that God has allowed Me the Grace of dialoging and talking to all of you daily.

My Maternal Heart hopes that all this instruction that I give you today may be kept in the depths of your hearts so that, in prayer, you may receive with immense joy the coming of My Son, the Redeemer. And it is by His Merciful Love that all of you will be able to be guarded and thus carry the Light of Christ ignited in your hearts.

Dear and beloved children, I leave for each one of you this maternal reflection in this cycle that is ending, and which brings the Good News of the Kingdom of God for those who have never believed in the Creator.

May the Celestial Light of My Heart illuminate you eternally.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
