SEVENTEENTH SPECIAL APPARITION OF THE VIRGIN MARY ON THE HILL OF APPARITIONS, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, AT 8:00 P.M., TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The "Ave Luminosa" and the "Universal Mother" are prayed.

Piedad sings the "Hail Mary."

May you hear My Voice in the silence of your hearts.

Thank you, song-daughter of the Heavens, for responding to My call. Each one fulfills a part of My call. Each one fulfills a task and no one should superimpose it on the task of the other, each one expresses their gift, the talent that was given to them, for the time has come to present it before the Eyes of God so that His Will may be fulfilled and we may all follow the path to redemption.

Thank you all for responding to My call for Nepal. I am calling you My missionaries of peace, which you shall carry through service and charity. It will be a time to ignite hearts to shine in the darkness you will encounter. The divine calls are not the same as the calls created by men themselves on Earth.

We are in a time of redemption and peace; therefore, you must seek, through service, the path of your own redemption. I am showing you this path so that you may walk it with your feet divested of everything, divested of your own will to continue walking with the impetuous strength of the heart that wants to reach My Maternal Light.

For this service in the world, I am calling you as I have called others of My children; but most of you will have to remain here, for I ask you during the month of October to gather here to pray with Me to collaborate in this task of rescuing souls.

Carry My Heart and you will carry My Peace.

Carry My Purpose and you will carry My Light.

Do not fear, it is necessary to be in Christ, within the Heart of My Son to know where to walk and what to do.

The one who opens their hands will give refuge to other children of Mine, who now need it.

Those who open their heart, will bear My Peace.

Find rest in My Words to know where to walk and what goal your hearts must reach at the end of this time.

I am the Queen of Graces and, as I am pouring them out here, I want to pour them out all over the world, as I am doing now in Medjugorje. But I must reach the distant places through your hearts and the hearts of all. You know that I am the Universal Mother and that I can reach everyone. If you pray here, I will intercede in Heaven, pouring out graces for the afflicted.

You will see many missions pass before your eyes, but each in its own time. Each soul has its moment to learn and to give itself totally, "to give itself to others" is the proverb.

Today, I am here to ask you to pray daily in this place during the month of October. I do not give you a schedule, I only point out the call for your hearts to feel and respond to what is happening in the world day by day.

You know that the prophets are revealing the mysteries and I am one of them, bringing to you not only peace, but the Good News in a time of chaos.

I need mature hearts that can donate and give of themselves to others, for then I will have humble instruments to carry My Peace in a simple way as I do from My Kingdom.

Open your hearts to understand My Words, for My announcements are already the last ones before each soul, after all it has received, donates and prays with Me at the end of this time. I want to bring forth in you what is already ready. It is no longer time to hide it, open the chest of your hearts so that I may enter and sow My Light.

You are My sheep, the sheep of Christ, who must respond to the Great Call. The Great Work of the Lord is found in simplicity; that is why I want you to walk along that path, so that you may find Me at every moment.

Today, I give you My prayers for you to help Me so that the Lord will answer them before the Great Throne. As I have said today, Justice is coming to all humankind and to the world. Now that you know this, tell everyone that we are in time to reverse the evil that the world has created with its actions. Therefore, I bring you My Peace, the same Peace that I pour out in Medjugorje, for everyone to feel and recognize, the Peace of an Immaculate Mother who comes from Heaven to announce to you that the hour is coming.

The last paths are opening up in your lives. I hope that, in prayer, you can see them before all is darkened in this world. But I will be there, as the Great Redeemer of Peace, for those who want to meet Me, for those who dare to say yes to Me and under no circumstances deny My calls.

Do you want to see Me here?

Open your hearts and find Me inside. I have already passed through many hearts and I continue to pass through many more. But now, whoever loses the possibility of feeling Me, what will they be able to do in this last hour?

The Heavens are passing through this beloved country. Today, I only invite you to live redemption and to surrender your faults to the Creator. If you do so, you will do it for all your brothers and sisters, who also need My Peace and who, at this time, have not had the Grace that you have.

I am asking the same, in Medjugorje, from all the children of Europe and Asia. But you now, before Me, know what you must do: respond to My call for the East and Africa, for the Americas must

redeem their past which they built with their own hands.

In this way, the Will of the Lord in His Justice will be different when hearts act through prayer. Thus, the flames they carry in their hands today will remain lit and Mercy may descend upon those who seek it.

Today, you do not see My tears, but you do hear My prayers, prayers that I pray for this suffering humanity, which in great part must be reborn at this time, responding to My call of Peace for the redemption of creatures.

Here I am, placing all the Kingdoms as Guardian of Love. The world is a whole as the Heavens are a whole. The Father is One and He watches over all, over you and over Me. Let My Ray pierce your hearts so that you may open up to a new purpose of forgiveness.

But if you do not pour out your efforts in prayers, what else could I do?

My Voice has been heard for centuries throughout this humanity. Know, My children, that I have been delivering My Message to you for a long time, preventing evil from taking root in many hearts. You must pray for those who spread that evil, so that the Light, My Light, may be established. Thus, you will unite in trust with Me and you will no longer be just people, but souls who will act through My Redeeming Light.

It is time to renounce oneself. Why do I tell you this? Because this is the last hour, the hour of divesting oneself in order to cross over to My Kingdom which is opening its last door.

Those who remain in this world lamenting what they see, how could they pray more; and how will their prayers reach the Heavens so that I may hear them?

It is time to live in My eternal fraternity so that all may find the final Peace that I am pouring out. Know that I am preparing hearts for extensive tasks. The call is profound and My Voice must echo in hearts.

Today, I open My Hands and My Arms again to those who are not here and to those who will come. Await your brothers and sisters with joy and let only Divine Judgment prevail at this time.

We must only pray for the cessation of the evil that is scattered throughout the world. Wait for the archangels to descend with their Light.

At this point the Divine Mother will answer questions from everyone present. A monk will read the questions drawn at random and the Divine Mother will answer them.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother answers the last question, "Each one receives Grace according to their understanding."

I am the Lady clothed with the Sun and I call all those who want to answer Me.

Thank you for responding to My call. Carry My Peace.

The "Ave Luminosa" is sung.
