**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

The Love that My Heart has for you is great and infinite. This Love goes beyond your lives because it reaches the depths of your souls. Therefore, dear children, My Love is repairing, it is a fervent Love that ignites, encourages, renews and heals deeply.

The Gift of My Love for all creatures is the great power of the living and resplendent God, acting through My Immaculate Heart. It is a love that elevates the consciousness so that it may recognize that it is a soul of God, a flame of His Divine Spirit on Earth.

My Maternal Love for you is the same love I placed in Jesus when He was a child. For this reason, dear children, Christ gave Me out of love to you, so that I would be the Great Master of the Saving Love. Christ consecrated Me as the Guiding Star for souls, as the Intercessor before God, the absolute Guardian of hearts. This is My commitment and My mission with all of you: to accompany you, out of love, until eternity.

My children, today I invite you to trust this repairing Love, thus your hearts will be reborn and from them, all inner pain will be erased.

As the Mother of Love I give you My Trust because I only want you to be in My arms so that you may learn to love and to know the Merciful Love of God. You are still in time; thus you will be able to arrive at the Kingdom of My Son and your hearts will live Peace.

Do not fear, I am with you!

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
