APPARITION OF THE GLORIFIED CHRIST JESUS ON THE THIRD DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Oh, God of Israel!

May Your Law be fulfilled even in what is most invisible and hidden,
so that the whole universe and all Your creatures
May know the power of Your Kindness.

Oh, Lord of the right, wise and eternal Law!

Deliver Your gifts and Graces
to those who, in every day of their lives,
strive to live Your Commandments.

Oh, Lord of the Truth!

May your Holy Hand write
through the history of souls who,
incarnated in these times,
must fulfill Your Holy Will.

Through Your children, Eternal Father, I want
Your Truth to be written and Your Law to be fulfilled,
just as You have thought since the Origin.

In this way, Eternal Father,
through the service and self-giving of Your Son,
by means of the radiation of My Love,
the creatures incarnated today in the world
will find the Light of Truth on their paths,
to learn to discern
through the Grace of Your Infinite Wisdom.

This will lay again the foundations of Your Plan on Earth
and the 144,000 will re-group
to fulfill Your mandate and Your Will.

For this reason, Lord of the Universe,
in this time of transition and lessons to learn,
may Your Hand write the Law of Your Kindness and of Your Grace
in hearts, so that,
as with the ancient people of Israel,
Your most Sacred Designs may be fulfilled again,

the Designs of the end of these times,
which come from Your Celestial Kingdom,
and that, in souls and hearts,
must prepare the Return of Your Most Beloved Son.

Your Law of Love and Truth,
Wisdom and Science,
must consolidate itself in hearts.

For this reason, I ask You, Eternal Father,
to grant this special Grace to Your Son,
just as You granted freedom and redemption
through the acceptance and offering of the Death of Christ.

For this reason, at this moment,
when the times of the universe unite into one,
and the higher vibrations of all Resplendent Ones
become present,
by the omnipresence and omnipotence of Your Son,
by the Divine Power that You have granted to Him,
write through Your Hand, Adonai,
what you expect so much to be fulfilled
in the lives of souls in the end of this time
so that each incarnated soul,
regardless of their condition or situation,
may be a living and steadfast pillar of Your Divine Kingdom,
by means of the spiritual strength
of Love and Light, of Mercy and Peace,
that Your Beloved Son delivers and gifts in abundance
to all those who dare to say 'yes' to Him,
to learn to go through the dark night,
the desert and the aridity of these times.

Behold, Beloved Father, Lord of the Universe,
the Water of Life that quenches all thirst,
that nourishes, through My Spirit,
the soul that has dried and become corrupt,
that resurrects the one who is dead in life,
that heals the one who is sick in their emotions
and heals the one who is sick in their mind.

All this, Beloved Father,
is so that Your Law, Your Kindness and Your immense Mercy that has no limits may be fulfilled
but is rather an inexhaustible Fountain of abundance,
to which everyone can turn to quench their thirst.

Before the angels that are witness of Your Law,
Oh, Adonai,
request to the Lords of the Law of the Universe,

that they may register this offering in the ether of this universe,
so that the spirits and souls that need it
may remember it again,
whenever it is needed;
so that they may glimpse through You, Adonai,
the sacred flame of Your Purpose,
which cannot be extinguished in any heart or soul
because Your Love is alive in Your children, Adonai,
Your Eternal Love.

Thus, I want the Law that comes from Your Source,
from Your Divine Mind and from Your Supreme Consciousness,
re-organize and re-dimension
the planes of consciousness of Your children,
so that, Lord, Your Love, but also Your Justice,
may be fulfilled,
and all may have the bliss to be participants
in Your Glory and Your Celestial Kingdom
at the culminating moment of the Return of Christ.

Behold, children of God, the Sacred Laws of Creation, which were dictated to the people of Israel through the prophets.

Today this time is fulfilled again, just as the time of the Death of the Lord was fulfilled, the time of the surrender of His Body and Blood, as a saving Fountain for souls.

This is the Law, similar to a blazing flame that re-ignites the heart, the life and the spirit, a flame that does not burn, but rather purifies, transmutes and liberates the most corrupt forms of human life and of the lowliest universes of the planet, without battling; for the Law of God is neutral and wise, and eternally emits Its wisdom and understanding to the created souls and all other creatures of this and other universes.

Thus, align to the Creator Source of God, in this hour when the Fountain of His Grace and of His Mercy is open to grant atonement through true repentance and penance.

I want to be able to recognize in you the values of the Creator, in the most intimate and profound essence of the human consciousness.

But that which is superior can never commune and unite with that which is inferior; remember that all that is untied in Heaven will be untied on Earth, and all that is untied on Earth will also be untied in Heaven.

Today, you are before the Spiritual Synagogue of God, before one of the twelve expressions of the Triune Consciousness.

Here, I Am present, emanating the Law of the Creator, radiating His inner and eternal Principles, delivering the balm of His spiritual Wisdom so that all that you do may be under this state, under that Grace and that Law, having the Law of Love in the first place. Do not forget, in this way you

will be able to commune with Heaven, and even while being on Earth, you may be contemplated in the Kingdom that expresses itself in the Creation of God.

For this reason, the angels, witnesses of the Law, are here to accompany this moment in solemnity, a moment that is not concrete, but rather spiritual; because your consciousnesses and those of your brothers and sisters must now learn to spontaneously rise and even more, this will be necessary in the Armageddon of these times, so that your consciousnesses may have the Grace of neutrality, which is one of the gifts and virtues of Divine Will, just as the sacred silence.

Bring Me here the offering of your questions, which will be contemplated by the Synagogue of God, by the Law that has always ruled the people of Israel, the Law that has guided them throughout the times.

May your hearts open to listen to the Word of the Lord.

In this sequence, Friar Elías del Sagrado Corazón de Jesús reads some questions from the audience and Our Lord answers them.

Q: Lord, how can I trust that I will have financial stability without moving away from the Purpose for me?

A: Remember the parable of the widow.

Q: Christ, what shall I do to stop suffering so much? I can't stand it any longer.

A: When you surrender to Me, this will end.

Q: Lord, what is Your Will for this humanity? We are nothing, help us fulfill it.

A: May you love more than I have loved you.

Q: What gift or talents did you leave in Me, Lord? I easily go astray and I do not know if I will manage to somehow manifest them.

A: Replace your convictions with your talents.

Q: Beloved Christ, I would like to discover how I can be healed from my feeling of inferiority, from my sense of being rejected and abandoned.

A: Make a novena for Me.

Q: It is not that we are sent by Thomas, but when will we be blessed with Your visible Apparition?

A: When you first believe without having seen.

Q: Christ, who am I?

A: A sign that it is possible to die to yourself.

Q: Lord, what is my task in this incarnation?

A: To fulfill everything you have not done so far.

A question that comes in English:

Q: What exactly is the mission in Africa?

A: That there may be Light-Communities and Points of Light similar to the one that was founded in Angola; but this will only take place with the conscious help from My companions, do not wait for this to happen only with consecrated missionaries. So that Africa may stop suffering, you must assume this as a real responsibility, without delay.

Q: How to discover My Higher Purpose in this Incarnation?

A: The signs in your life have been clear, you just have to take a step to live this Purpose.

Q: In the leading of children, while we are educators, how to guide them along the Christic Path, without ignoring the formal instructions?

A: That everything you do, however simple, you must do it out of love.

The last one:

Q: Lord, this Work of Yours, in which you call us Your companions, is it now responding to your call?

A: You know the tree by the fruits.

May God the Father, the King of the Universe, strengthen you and bless you, under an unceasing Love for the Law.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

He said He will answer one more question, as a soul has requested it.

Q: You who know these two links that I still cannot manage to connect, what is it, that I cannot see?

A: To be true.
