WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Enter into the inner and profound Silence of God; and contemplate, as the Eternal Father does, all Creation, its different dimensions and planes of consciousness.

Enter slowly, through your soul, into the ardent Silence of God and observe in front of you, as the Eternal Father does, the sacred flame of the Original Purpose, so that you may be in inner contact with the science of Wisdom.

Enter into the sovereign Silence of God so that, in meditation and harmony, you may contemplate the different states of the Aspects of the Eternal Father.

Immerse yourself in the unknown ocean of the Silence of God so that, making inner contact with the emptiness of the Father, you may find the Whole, the Divine Spark that once originated the beginning of Creation in the spirit.

Join the inner Silence of God so that, like the Eternal Father, you may observe the dimension of His Goodness, Love and Mercy.

Receive, in your heart, the revelation of the divine and eternal Silence of God, before the present planetary scenario, so that the entire terrestrial sphere may be impregnated with the sacred evolutionary and cosmic currents, inexhaustible sources that will reestablish in the human consciousness the principles and merits of redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
