APPARITION OF THE GLORIFIED CHRIST JESUS ON THE SEVENTH DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

From the Sacred Menorah are born the principal Rulers of the tribes of Israel. It is to these seven sublime Spirits of God that I entrust the world today so that humanity may be prepared for the Return of Christ.

Thus, I open the seven portals of Heaven so that the seven principal Spirits of God, emanations of His Creative Source, may regenerate life on the surface of the Earth, bring healing to the souls that need it, bring understanding to afflicted hearts and, with the Light, may dispel the darkness that surrounds the world and various places of the planet.

Today, you make contact with these seven Spirits of the Source of God. They are emanations of His Triune Flame, the perfect and unique alliance, which cannot be broken, between the Father, the Son and the Holy Spirit.

Through the Sacred Menorah, I bring today this impulse to the inner worlds and to souls, so that all may remember and know that they have a part in the spiritual filiation with the Most Holy Father Olam.

This mystery of the emanations of God, represented by the Creative Spirit, is a part of an inner Legacy of the people of Israel. It is the visible sign that has formed, in its essence and matrix, the different tribes so that they could represent, on the surface of the Earth, the main Will of God, through the gift that He granted to each tribe and each people, so that His Plan might be fulfilled. And this Plan was consummated with the Death of Christ, so that this supreme and eternal Will could be fulfilled.

Today, you are before the revelation of a mystery, which only with the heart and essence will it be possible to feel and hold in the deepest core of the soul, where God dwells. Because that is where His seeds of Light are placed so that, through the virtues and gifts in hearts, they may manifest on Earth the Plan of God, just as it is written and has been foreseen.

Through the seven golden portals that open today, under the Presence of the Redeemer in the sacred symbol of the Menorah, I would like you to remember and study the seven main principles, the Attributes of God I have taught you in other Sacred Weeks, so that they may be present in your consciousnesses, because they are a part of a Legacy that I gave you for this moment and time.

To help you memorize, companions, remember that, during a Sacred Week, for seven days, the Menorah was lit, candle by candle, representing the symbol of an Attribute of God that should constitute and form this Work, the Work of Christ, mainly His Mystical Body on Earth, especially so that the secrets could be revealed, the seals would be opened, just as it is written in the Apocalypse.

For this reason, I ask you to concentrate on that which is real and necessary. You must be part of this Legacy, of this Christic Legacy that I have given you throughout the times, and this will not be in vain nor will it ever again repeat itself.

You must be part of this living Legacy, through the discipleship and service for souls, through the same virtues and gifts that I taught My apostles and the holy women.

But this is the time, there is still a little time left, for the spiritual resurrection of many consciousnesses to take place. And when I speak of spiritual resurrection, it is so that oppressions and doubts may be dissolved, as well as the afflictions and martyrdom that many hearts go through.

The Love of Christ comes to grant that Grace, as a last Grace for hearts.

See yourselves, then, facing the Sacred Menorah, and at the center of your souls ask yourselves: how many of these Sacred Attributes of God, delivered by Christ during the most recent Sacred Weeks, are in me? Where are they in me? Or are they in me really?

What is it that I will do with each attribute and with each gift?

Where shall I place them in service, so that the Will of the Father may be fulfilled and, above all, that what He has written with His own Hand may be fulfilled?

Today I want you to meditate on the dimension of wisdom, so as to be able to come out of the human dimensions, out of what is concrete and mortal. I want to take you to this dimension so that you may find immortality, the first Law of God, which is His Love and His Grace, which encompasses all dimensions and planes, which embraces all consciousnesses and essences.

Because as I have told you before, in the House of My Father there are many dwellings, and each one has a dwelling in the Heart of God. This is irrefutable, it is undeniable, for it is a part of the power of the Love of the Father that each son and daughter of His should have a place in His Eternal Heart, where all will always be able to feel in communion with Him, just as they can feel in communion with Christ through the Eucharist.

God gives of Himself to souls in many ways and, mainly, through the Sacred Geometries.

Each soul holds in itself a spiritual archetype of God, which must be fulfilled and manifested; but nothing is separated, each archetype is a fundamental piece of the Eternal Father. Each soul is a part of His celestial instrument and He tries, with great effort and love, in His solemn silence to unite the pieces that are separated today. Because if He gathered these pieces, no one can separate them if He has not given them the authority to do it, in the same way as I said to Pilate that he had no power over Me that the Father had not given him.

The Power of God is indestructible, it is sovereign, it is solemn and infinite. Because the matrix of His Power and all of Creation lies in His Divine Love, not in intelligence.

Intelligence arises through the force of Love of God and His Sovereign Wisdom that gives science and understanding to all forms created in this universe.

His Plan is already written and will only be fulfilled by those with true intention, by those who say 'yes' to His Eternal Will and who feel His Love in their spirits, the greatness of being in communion with God, with His Source and His Life, which never closes the doors for those who repent from

their hearts.

This is the work of His Mercy, constituted, in a concrete way, through the Death of Christ on the Cross, when He poured out Water and Blood from His Side, the concrete testimonial of Love of the Living God for souls and creatures, for the redemption of evil.

May all bitterness be dissolved, may hearts rejoice; the Lord of Israel is here and will always be, because to those who correspond to Me, I will always correspond to them.

Let us pray.

Friar Elías del Sagrado Corazón de Jesús:

Let us accompany from the heart.

Between Christ and us, the Sacred Menorah and its seven creative principles like incandescent flames of the Holy Spirit, which open the doors to the awakening of the consciousness and to contact with the Eternal Love of God.

Adonai,
bless this moment, because it is Your Will,
descend once more, through Your Spirit.

Sublime transfiguring Fire,
ignite the flame of Life
in the hearts of Your children,
dispel appearances,
purify hearts,
heal the wounds,
re-ignite Your Spirit
in each of Your children
so that, Lord, Your Grace
and Kindness may be fulfilled.

Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

I will respond to your intentions:

Q: Am I the expression of my soul in this lifetime?

A: You only need to work on your humility more.

Q: How is it possible to know, beloved Lord, if the person is in the correct place and with the correct task?

A: Only by thinking of the need of each place and by doing it out of love.

Q: With the withdrawal of the Divine Messengers, what does Christ expect from the Grace Mercy Order?

A: From the Order, He expects that it be a mirror of the Legacy that was given to it, and about the Divine Messengers, they will still be present, it is not the moment for them to go.

Q: Christ, how to impel and where to start the path of awakening of the youth?

A: By learning about their language, without imposing forms.

Q: What do I need to do, Master, so that I may be suspended in Your Divine and Eternal Breath of the vibration of Your Higher Universe?

A: By not wanting to be anything.

Q: Beloved Christ, what must I do to heal all the faults that leave my heart anguished and sad?

A: The complete anointment of the sick.

Q: Master, did Judas have a task with the act of betrayal? Must this task be recognized?

A: Yes, he did.

Christ said that you should not feel nervous.

This is an honest question:

Q: Lord, my brother and I have stopped talking due to the many quarrels that we have had. Do you expect anything from me that I cannot see?

A: That you stop lamenting.

Q: What is my task for the next stage?

A: Ask this in your dreams.

Q: Christ, Beloved Lord, is my mother well?

A: Yes.

Lord, where am I supposed to be?

A: Ask this in your dreams.

Again questions that are very similar or the same:

Q: Master, Lord of the Universe, am I in the right place and on the right path?

A: By your fruits you will know.

Q: Master, I have the intention to live in São Carlos, and participate in the project of the House of Saint Lazarus. Is this a part of my life purpose?

A: Try it and you will see.

This is a question from a selfless soul:

Q: How is it possible to help the children of Saint Joseph of Guaviare?

A: By welcoming them.

The Master suggests that this initiative of service for these children to be deepened.

He is smiling because the person included two questions and it is supposed to be only one. And here the person tells Christ to choose one. It is a lot of innocence, says Christ.

Q: When is Your birthday?

A: March 19.

He said that in December His Spirit descended and in March His Being was born. It is a mystery.

Q: Beloved Christ Jesus, how will our children be with all this planetary movement?

To the children, said Christ, it is necessary to teach them to pray as a family and, mainly, their survival in the end of times depends on their tutors, on their parents, on what they allow them to do or teach them.

The child, from its birth and at the stage of growth, is the reflection of the consciousness of its parents. The responsibility is not on the child, but rather on its parents.

You can see the example, said Christ, of the children of Africa. For this reason, he asked for the Alabanzas (Praises) to Christ to be recorded.

Here a declaration of Love and an appeal were made to Him:

Q: Lord, I would like to know if I am supposed to be at the Community in a constant way. If I am, starting when? I ask You to help me follow the path You have thought for Me, sustaining me, as you know my limitations well. (The person has signed MS here).

A: Christ said that you should ask your heart what to do.

May I continue?

Everyone answers Yes!

Good.

Q: Master, in reverence and gratitude, how to reach a balance in the Order and at the Community, between Your instructions of cultivating silence, surrender, prayer and the emptiness of self, on the

*one hand, and the work of the sectors that is being implemented in our daily lives within the Work?
Thank You for Your Light.*

A: It should not be with excesses or frustrations.

Q: Beloved and Eternal Master: since my childhood I have aspired to see Your Face and serve You. In my daily work with the education of youths, I seek to see Your Presence in each being. Is there anything else that I can do to serve You? Gratitude and Love.

A: You are doing it. Do not worry.

Q: Beloved Christ, Master: how long will we continue to live with duality? Thank You for so much Mercy.

A: When love in you finally decides to overcome evil.

Q: Is there anything that I can offer for the healing of my father, besides my daily prayers?

A: He said that you ask a priest to sanctify the house of your father.

Q: Master, You are present in my life, but so is duality. It absorbs Your Love and nails thorns into my heart. Should I surrender to this cross? I can't stand it any longer.

A: It is the school of a Christ.

This question will be responded in due time by Mother Constancia. It is not for Christ.

Q: My Beloved Lord, now that I am starting this new stage, how can I serve You more?

A: Serve with love.

Now the last question, said the Master:

Q: Lord, are my disincarnated parents in a good place? Does my service at this Work contribute for this?

A: Yes, they are now with Him, in Paradise.

Let us pray:

Lord,
may the advent of the New Race be fulfilled.
May humanity
be able to express its archetype.
May the word be alive and build Your Temple.
That Your Mystery may expand within us
and true existence be revealed to the world
so that we may gather in Your Name
and glorify Perfect Unity.

Amen.

Thank You, Lord, for all that You give us.

In this meeting, we honor You, Lord.

In the name of the Father, the Son and the Holy Spirit. Amen.
