APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Mother Maria Shimani of Montserrat:

The Mother asked that the oranges be harvested from Her trees so that, when She indicates, the baskets are brought in as quietly as possible.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I am here present, dear children, do not forget.

Yesterday, I came full of Grace; today, I come full of the Holy Spirit. As the Universal Mother, I invite you to continue with this Marian project, because it is the Spirit of God who will act through your hearts so that My intentions may be fulfilled in the world.

Dear children, today I come bathed in the Golden Mantle of the Holy Spirit, which represents the Wisdom of God, Wisdom that humanity has lost over time due to the lack of prayer of the heart. The soul that prays constantly to My Immaculate Heart will not lack wisdom and will be able to discern events.

That is why, dear children, humanity is now at this point, because of the lack of prayer. In the lack of prayer there is a shortage of wisdom and souls cannot understand the Will of God. Therefore, prayer is the thread that will unite you with the Most High and Graces will descend from Heaven for those who need them the most.

Yesterday, dear children, I returned to reconsecrate the families to My Immaculate Heart. As I have told you, dear children, this can be a weekly exercise, although it should be a daily one, so that the Stronghold of God may be in each of its members, so that the Holy Spirit may enlighten hearts at the moment of making life decisions. This is another point, since this is how humanity stands because of the lack of wisdom, to the point where it transgresses the Kingdoms, losing the essence of Love for what God created for all.

But as your Universal Mother, under the Presence of the Holy Spirit of God, I come to awaken the hearts again, so that they may find the refuge they need in this definitive hour, a refuge that is found in My Heart, a refuge that will always shelter them and give them the Light they need to take the steps in consecration to God.

The souls are the ones who must consecrate themselves day by day through effort, having constancy in prayer, perseverance in the Purpose and love for the call. If you fulfill these requirements, dear children, you will be within the Plan of God. God needs your help in order to also fulfill His Will. He not only fulfills His Will in the Divine Messengers; He also wants to fulfill His Will, in these times, in all the creatures He has created.

Therefore, it is time for the great collaboration of all, of prayerful and fraternal service, in order to build the New Humanity, which will shine as the new redeemed star before the Aurora, before the Universe of God.

And thus, all will be within the Heart of My Son, before He returns to the world. Thus, your hearts will be prepared by the science of Wisdom, by the science of the Holy Spirit, which in these critical moments will give Light to your decisions and will prevent each one of you from being confused. Thus, you will walk towards God in what He wants to accomplish in you.

Dear children, what He wants to accomplish is something precious for your universe and your inner silence. He wants to speak to you in your hearts, in that dwelling place He built from the beginning of your origins as the only race of the Father. That is why He was present throughout the ages in the patriarchs, in the prophets, in the people of Israel, trying to make them all build the New Humanity.

But despite the lies of the enemy, My children, My Heart is firm to fulfill that Purpose. Therefore, I am preparing the children of My Son, the new apostles, who must respond to this end time call. If each one fulfills his part, the mission will be accomplished and the Purpose will be designed within the whole race. Dear children, the Universe speaks to you from time to time, without delay, without fatigue. The Universe wants to show you the Truth, but first you must be in prayer, to be able to glimpse the signs that mark the new time for humanity.

Know, dear children, that your prayer will help others to awaken in time; for many sleep in their own sleep, they are tired of walking in this life, tired of wanting to reach something they never reach.

Therefore, I come to your aid with Mercy, Love and Pity. Accept My Maternal Arms and let what is not part of the Light collapse within you.

Dear children, on this day of August 13th, My motherly intention is to transform your cells so that the new Light can be born and the new codes of Christ can be planted in your hearts.

Remember, dear children, that the Lord of the Heavens is the Universal Christ and He will come to seek the talent He left in you. Therefore, you must be prepared for that moment.

Dear children, what I tell you is not a theory, it is more than a hypothesis; it is called Divine Science, My children, it is the language with which I speak to you as the Universal Mother. Therefore, allow My stars to light up in your hearts, so that all of you may be united to God and may help this humanity.

What I want you to understand, dear children, is that in these times all must reach a Purpose; you must reach the Purpose of the Father to be One definitely, for love of God, for love of His Great Pity, for love of His Mercy. Thus, the Heavens will pour out their Graces and no one will have to suffer more in order to learn.

Dear children, I invite you to let yourselves be guided. Read the Gospel, renew yourselves in the Gospel every day and read the New Gospel that My Son is dictating to you, which are His daily Words.

It is necessary, dear children, that your hearts awaken to the Truth, to the Truth that the Supreme is sending you through the Sacred Hearts. Those who dare to walk with Me in this spiritual Project of

Mine, I will thank you, for you will soon feel the conversion of your inner aspects, those that harden moment by moment, that harden the heart and do not allow it to expand.

Therefore, I am your Mother, I come to break the hard heart, so that it may open to My Spring of Peace and be filled with the Love of My Heart, Love that cures, Love that redeems, Love that heals wounds, Love that will wash away your stains and free you from your sins. For I am to you, My children, the Mother of Mercy.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I see many hearts that liberate themselves before My Presence, hearts that are open to My Motherhood and that, throughout the last days, allowed the essence of My Heart to cleanse every stain, every pain and every suffering.

I contemplate, in the hearts of My children, evolutionary proposals, life goals, challenges that each of their consciences is ready to experience from the impulses they received. Today, I tell you, My children, to walk with faith towards these goals, for they are goals inspired by the Spirit of God.

These are times of definitions, and those who are afraid to take a step, should take the risk with faith in God, with faith in My Immaculate Heart; for, if you take a step into the unknown, My Heart will assure you and give you an answer, showing you a little of that path at each new step.

Faith in your hearts is what will bring light to the events of life. It is necessary to trust in God, it is necessary to be faithful to His Will. When the Lord asks you, My children, to remember the Passion of My Son, it is so that you may sow in your hearts that love for Christ and that faith which will make you follow Him under any circumstance.

On this day, I want to sow absolute fidelity to God, so that the new apostles of Christ may accomplish what the apostles of the past could not: to be faithful to God in times of tribulation, of fear, of dread.

My children, today I tell you that fear can permeate your cells, but faith can liberate fear. And, if each day you are a little more faithful to God, that faithfulness can permeate your beings, watch over your souls, your hearts and form each of your consciences as apostles of Christ, those who will open the door for His Return, who will bear witness to the world of His Message and who will bring His Word and His energy of reconversion to the world to awaken souls.

On this day, My children, I want to bring an example of faithfulness to your hearts and, through this example of two of My children, I want it to radiate to your hearts, as consciences who attained merits to enter Paradise, when they were only faithful to God and followed the voice of the heart, the voice inspired by the Lord.

This is what I want each of your hearts to do at this time: that you respond without delay to the Will of God, that you do not doubt that the Voice of the Lord resounds within each one of you, because that Will already lives within you and awaits a response from your hearts.

Friar Elias del Sagrado Corazon de Jesus transmits the Words of the Virgin Mary:

Dear children, today I bring you the Cross of Christ as a symbol for your lives, a symbol of protection and shelter, of redemption and liberation.

Remember, dear children, that this Cross is not defeated, but rather, it is a renewing Cross which, through the ages, draws hearts to the Light to free them from evil.

But as My Son did today from Heaven, before My maternal Presence, I want to thank all My children who accompany the prayer groups in the different regions of the world.

For this special reason, dear children, I want that after these six years of meetings with Me, the spirit of apostolate be born within you, that you leave this Marian Center as new apostles of prayer and love.

Under the Glory of God, I will bless the fruits that have been born.

Mother Maria Shimani of Montserrat:

Mother asks Sancio and Elisa to come up to the stage.

Sister Lucia of Jesus transmits the Words of the Virgin Mary:

At this moment, My children, as you sing to My Heart, through these two children I will bless each of those present, I will bring My Ray of Healing, of Reconciliation with God and of Faith, so that each of your consciences may persist in fidelity to My Heart.

Song: "Immaculate Heart of Mary"

Friar Elias del Sagrado Corazon de Jesus transmits the Words of the Virgin Mary:

After these six years shared with My children, I want them today, to conclude, to be renewed in My Immaculate Spirit and to open themselves in love to the new.

That is why today, dear children, I am pouring out to these new apostles My codes of Peace and Mercy, My spiritual and saving Cure, so that they may awaken to the inner call of God.

I will pour My Spring upon the fruits, at this moment, to bless them.

Be silent.

May this Peace that I give you today, allow you to take the steps in these times. Aspire to live in Paradise, that is the greatest treasure for your lives: the perpetual Love of God, present and omniscient in the universes. There we shall meet.

May the Spirit of the Father, the Son and the Holy Spirit bless these fruits and nourish them with what is superior, forever.

Daughter of mine, Piedad, sing to Me "Supreme Creator," so that the souls who are fallen in the world may rise up in My Assumption.
