APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Prayer: "Our Father" (four times).

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children,

Today, once again, I invite you to pray and My inner silence conveys to you the reality that the world is experiencing.

Prayer: "Hail Mary" (six times).

Today, I want you to place your hearts before this reality of the world.

Today, dear children, I come to share My inner silence with each one of you.

Yesterday, I did not speak to you, but I revealed an important secret. It will not be important to know what this secret says, but it is important to pray with the heart for the movements that humanity is going through.

As Queen of Peace, I remind you of the importance of being in My Peace every day, because the time has come to manifest that Peace in the heart. My Son accompanies you in this purpose. Therefore, dear children, remember to read His Words every day; renew yourselves through this call that He issues every day, for in this way, I will be able to bring you closer to My Son.

Today, I have nothing so important to tell you, except to call you to prayer. Your hearts already know what is happening in this humanity, that too is seen from the Kingdom of the Lord.

Remember the importance of living according to the Commandments of My Son, those Commandments that Moses once received. Those Commandments are basic rules for your lives that correct the life of mankind and place it on a safe course.

The Word of God is alive in those Commandments, therefore you must consider them from the heart as a primary rule for your lives.

If you live these Commandments, in this very definitive cycle, you will be able to be within other Laws of the Lord and you will all become living instruments in the Hands of the Father; and He will be able to use your hearts to spread His Message, a Message of Love and Peace for many souls.

Today, I can tell you, dear children, that My Immaculate Heart is a little more relieved; but I also tell you that day by day sin is growing in humanity, and that sin must be released and forgiven by God.

So that this liberation may take place, dear children, you have My help because I Am your Mediator; because I will be able to take you to the Shepherd of Redemption and, before Him, your faults will be forgiven.

The faults that you experience, dear children, no matter how small they may seem in your lives, have repercussions for all humankind.

You, as humanity, are living in a significant fault: the difficulty of learning to live in Love. If you place yourselves before this Love, the Love of God, My children, My Heart will accompany you so that you may learn to live it through humility and forgiveness.

To attain liberation from faults, dear children, it is necessary to forgive with the heart all that you have done. I know, dear children, that it is difficult to achieve this, especially for the beings who live on the Earth, but you can count on My help, you must trust in that.

I am here to help you and to serve you in Love, for My Son entrusted each of your hearts to Me. I know that many of My children cannot experience the call because they allow themselves to be enveloped by the things of the world.

Now, the Universal Judgment is approaching, My children; and it will not be important to know how it will happen, but to pray with the heart so that all may enter the Boat of My Son, the Boat of Mercy and Salvation.

Therefore, God watches over your prayers every day and contemplates them with much Love when they are born from the heart. My Hands can collect your prayers and present them as an offering of love from this humanity.

When those prayers reach the Heart of Heaven; many souls of humanity, who would deserve hell, have the opportunity to go to purgatory, a place that is also visited by My Heart to take the souls, little by little, to Heaven. That is why prayer is important, not only in this world, but in the whole universe.

You are living a great cycle of transformation. That is why My Voice continues to reverberate in Medjugorje, in this place and in Salta.

Thus, you will be able to understand, dear children, how My Maternal Love manifests Itself. I am everywhere, calling hearts, leading souls to My Kingdom of Peace, striving so that all may forgive and be redeemed.

As Mother of Heaven, this is My great aspiration for this time: redemption, redemption and redemption. That will free you at this time, My children, because My Heart will watch over you and I will be by your side whenever you allow Me to be.

I want to gather, at this time, all the flocks of Christ.

I stand behind My Son and I will come after Him to assist humankind more closely. Do you understand what this means, dear children?

Therefore, My Immaculate Spirit must first come into your lives, for My Motherhood will strengthen and comfort you so that you can take the steps towards My Son.

And when, at the end of everything, you are in My Arms permanently, I will give you to My Son, who will form the new apostles so that they may spread the Message of healing and redemption.

That attribute of healing, dear children, which I mentioned to you in the Message is also important for humankind.

Thus, you can understand, dear children, that My Universal Consciousness of Light and Peace will accompany the next General Meeting in Figueira, because with My Son and under the Purpose of the Redeemer, we must lead all the flocks back to the Boat so that they can get out of the shipwreck in which they are living, relieving hearts, calming the sufferings, bringing joy to all My children. That is the purpose of My Presence in March in Figueira.

Dear children, I hope you can contemplate with your hearts this important maternal moment that will happen during that month, when all of you will be able to participate in a new calling from My Heart.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Dear children, I know that your hearts await, day by day, My Words of love and hope; but, at the end of this day, I wish to leave a new learning in your hearts, so that you may be strengthened through every trial and nourish your devotion through the intention of walking with Me, alleviating the suffering of the world.

I hope, dear children, that this Message may reach your homes and your lives, so that you may offer to the Lord every difficulty you may experience, so that you may live with joy the trials God sends to your lives. In this way, My children, you will be alleviating the suffering of the world, you will be alleviating the complaints that arrive day by day to Heaven, because human beings do not know how to experience suffering as an offering to the Lord.

If your hearts desire to alleviate the pain I still feel, strengthen the love that exists within each one of you through the will to follow Me tirelessly.

I wait, My children, to hear your prayers in My Kingdom so that, through this word, which your hearts emanate, I may open the gates of Heaven and deliver your prayers to the Feet of the Creator.

Each time, My children, that My Heart reaches the Throne of God, carrying in My Hands your offerings and the love of My children, the Lord grants Me a new opportunity to save the world, a new opportunity to enter into the abysses and alleviate the despair and suffering of all souls and all Kingdoms.

Do you understand now, dear children, the importance of your prayers, the importance of your daily offering so that many souls, beyond your own, may enter the Kingdom of God?

Count on My Heart, just as I count on your prayers.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On this night that ends, My children, My Heart gathers within your hearts, to encourage you to walk in faith and in peace and, in this way, you may transmit this impulse to all those who need it.

My Will tonight is to call two children who need to renew themselves with Me through the "Act of Consecration to My Immaculate Heart."

Friar Elías del sagrado Corazón de Jesús:

At Our Lady's request we are going to sing "Lady of Graces."

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

My Heart descends from Heaven to be present in your lives.

Know that I love you deeply and that I always contemplate the need of your hearts.

Trust in My Son, trust in My call.

Adore the Most Sacred Hearts of Jesus and Mary so that conversion may take place in all the souls of the world.

Friar Elías del Sagrado Corazón de Jesús:

We will now perform the "[Act of Consecration to the Divine Heart of the Heavenly Mother](#)" at Our Lady's request.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Thank you, little children, for responding to My call.

Thank you to all the prayer groups united to My Immaculate Heart.

I await you on My eternal pilgrimage throughout the world.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

All of March is going to be a very intense month, in which Our Lady is going to do a very special work with all the groups in Brazil, it is something that Our Mother wants us to keep well in mind.

Our Lady also told us that, in these days, Our Lord, Christ Jesus, and She Herself have done a special work with all the people who were here in Aurora; a work that today She wants to bring to a close.

During those days that we had encounters with Christ and Our Lady, They asked us to end the day by watching a special movie.

And something that Our Lady wants to clarify is that, during the moment that we are all paying attention to the movie, even though it is a movie that we have already seen before, the Hierarchy uses that moment to activate codes of Light that are within our consciousness and that we need to have available at this time.

Therefore, it is very important to participate in what the Hierarchy may work with us during this time.

So, tonight, Our Mother asked us to watch a movie about Lourdes, a movie called "The Song of Bernadette."

Another thing that Our Mother told us is that, after March, She is going to start a new cycle of work with us, which we do not yet know what it is about.

Our Mother also asked us, yesterday and today, that all pilgrims who can and who feel, offer special help to the groups in Venezuela.
