APPARITION OF THE VIRGIN MARY IN BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In the name of the Father, the Son, and the Holy Spirit. Amen.

Dear children, today I invite you again to prayer, to fasting and peace. Through those three paths, dear children, you will find the way out and salvation.

Dear children, I am calling you at an important moment in these times, as Queen of Peace, I bring you My Kingdom; because today, your hearts have entered My Kingdom. My prayer beads have prayed for all of you and for all the other children who are not here today.

Dear children, humanity is one, and it must, by itself, achieve conversion; as a Mediator, I will help you take the important steps to reach Heaven.

Today I am with you, as a part and member of humanity. The Great Council of Heaven is observing you with much love, because your little spirits must once again draw closer to God.

Today I am also with you once again, dear children, for a special reason: that you may be able to awaken peace within your hearts and within the hearts of all families.

It is important that unity be established in these times, in which My Son and God send Me to the great cities because of an important spiritual task with all souls.

While your hearts receive the rays of My Grace and Mercy, when My Immaculate Heart is present, My Great Maternal Consciousness touches the hearts of those who still do not see God. Thus, as a Mother, I guide you before the Coming of Christ.

In this time, God has need of pure and humble hearts. As I announced in Fatima, today I come to announce something else to you: be in peace, dear children, alleviate your sufferings in My Maternal Heart, fast and pray with your heart.

If you fast with your heart, your thoughts and feelings will become calm and I will be able to intercede for your consciousnesses. As Queen of Peace, I will lead you to the Kingdom of My Son; for this reason, once again, God sends Me to prepare My children on Earth. On this night, the whole Universe of the Father closely observes if your hearts are ready to awaken.

With My Consciousness, the Holy Spirit also comes toward you, because your cells and your hearts must awaken to the new. Everything in a being must be removed so they are able to purify their heart, and in this way, receive the Grace and the promise of the Heavens.

Dear children, I expect all of the best from you. Every day, enter into My Peace, love My Peace, and live in My Peace; for in this way, I will be able to draw you closer to My Son. His Merciful Heart is waiting for all of you to quench your thirst in the Fountain of Mercy.

And today, as the Mother of Mercy, I bring you the rays of My Celestial Light, which I achieved when I was among you on the Earth, just by responding to the Call of God with faith and with the heart.

I need you, dear children, to awaken in time. The Mother of Heaven is calling on you for something important: prayer for humanity. If you do not pray, how will humanity be able to convert?

My Immaculate Heart pours out Its Light day after day, opening new paths for souls, so they may achieve redemption, rehabilitate their hearts in confession; because in this time, everything will be forgiven.

Dear children, I need you in Me, so I am able to pour out Graces within your hearts. If your hearts do not open to My call, how will I be able to enter?

Thus, once again, I come to guide a humanity that is asleep, and in the beads of My Rosary, I pray for all of you so you may be able to perceive the peace that comes from the universe. For this reason, set your eyes on Heaven and turn your gaze away from everything that can tempt the heart. Unite to Me day by day, I am here, as the Mother of the Universe to correct the laws in your lives.

For the first time, dear children, My Immaculate Heart feels welcomed by all of you. I know that many aspire to be able to see Me today; but I tell you, dear children, that you will be able to find Me in your prayer. In this way, as a Mother, I prepared your dwelling places so that My Son may be able to come promptly.

Ignite the Inner Christ in prayer, because My Son is waiting to return. Thus, God sends Me once again, so your hearts are able to feel My path of Light. I find wounded hearts and joyful hearts.

I know that all of you, dear children, have many intentions to give to My Heart; for this reason, on this night, I ask, My children, that you put your pleas in My Heart. I promise I will help to fulfill them; but you have the duty to pray, remaining constantly in prayer from the heart.

Also, as a Mother, I come to heal your deep wounds, so the spirit may be able to be born again, the one that needs to emerge before the Coming of My Son.

On this night, God has allowed Me to approach you. I need you to be transmitters of My Maternal Love.

+++

As a Mother, I also know there are many devoted hearts, and for that devotion of the heart, I thank you for having honored Me throughout generations. In this way, I will be able to say to you, dear children, and to reveal to you in Love, that the promise the Archangel Gabriel made to Me, is accomplished today, through the honor that your hearts have given Me. I need you in each moment, I want to support you as I supported Jesus.

As a Mother, I want to dry the tears on your faces. God knows that the world is suffering; thus, He sends His Divine Messengers from Heaven so all may recognize Him, just as they have for thirty-one years, and in this thirty-second year, My Message is being spread throughout Europe through Medjugorje.

And by the Grace of God, through My constant prayer for you, My Maternal Heart fulfills a prophecy of Fatima: My visit to all of the Americas.

Turn to Me when you are in need. I, as a Mother, am here to listen to you, I need to have your hearts in My Hands so as to be able to comfort and strengthen you, and in this way, in your lives you can take steps toward the Lord.

I have never been so long among My children as I am now. This means, dear children, that all of you, as humanity, are in preparatory times. Thus, I bring the Light of the angels and archangels so you may awaken and recognize the presence of the angels in your lives.

Today I leave you with a special invitation, My children, call the angels to whom God entrusted your lives. They are waiting to guide you.

Dear children, this reality has existed for a long time. Because of the modernities of the world, hearts cannot perceive that angelic presence. The angels of God are the great messengers of My Maternal Heart. Pay attention to those higher presences. They will also assist humanity in the definitive time, just as prayer will.

Dear children, practice forgiveness, cleanse your hearts of all stain, for in this way, I will be able to intercede for you and a Greater Kingdom will wait for you in Paradise.

God wants the best for all of you, dear children, and He has sent Me throughout the centuries in order to correct humanity for the perdition it may experience for being far from the Heart of God.

Today, as the Merciful Mother, I come to unite you to the Great Heart of the Father. God is present in Me and God wants to be present in your Hearts.

Dear children, you are in time to heal your hearts. My main Message for these times is the call to healing prayer and the conversion of your hearts. The world is becoming divided, dear children. Through prayer, you will have the opportunity to unite in brotherhood and in fraternity.

For the first time in history, dear children, My Maternal Heart appears in hearts that have heard My Call. Thus, for some years now, I am constantly with you, to unite you with the faith of My Heart, so that you may attain the Light that you need.

Dear children, I wait for your hearts.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

My children, on this night, I want to begin a new cycle with your hearts, a cycle in which My Marian army is renewed by the response in your lives.

Today I come to encourage you to respond to My call to prayer, to offer a moment of your lives each day to the Lord so that, in this way, My children, you may be intercessors together with Me for the salvation and redemption of all souls.

I hope that this night will be more than a special moment in your lives. May your hearts carry, to each of your homes, the aspiration to become a praying heart, a being who responds to the Will of

God, who walks side by side with the Lord.

For this reason, My children, on this night, in each of your beings ignite the devotion to My Heart, so that this flame does not go out and is able to continue while you are on Earth, so the Plan of God may be fulfilled through your hearts. Do you dare, My children, to respond to My Call, to give the Lord a sincere offering of your heart?

I only invite you to confess your faults, that you fast with your heart for peace in the world. Each of your beings truly knows what it can offer the Lord. I only ask that you make this offering sincere, and that from today onward you become soldiers in My Marian army, an army that works through prayer, conversion and peace, so that the peace which exists in the Kingdom of the Heavens can expand throughout the world.

This is the invitation I am presenting to you: be peacemakers for the Earth.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I very much wish to work a great miracle, dear children, but I have already performed many miracles throughout the ages; it is time to live in prayer. This is something God asks from all of you, so that you may deeply understand My Words, and your own faith will confirm the Presence of My Heart among all of you.

Now, dear children, as a single flock of My Son Jesus, I come on this night to absolve you of all sin; so that, in the Presence of My Son, your hearts be reborn in God and out of love for His Greater Plan.

Let us pray, dear children. Open your hearts to the presence of My Light, because I want to place the Holy Spirit within you. God needs you to live the gifts of His Great Spirit.

Let us pray for them to awaken.

Prayer: Our Father (in Portuguese)

Now I ask, dear children, that you place faith in your prayer, for in this way, God will be able to hear you.

Prayer: Our Father (four times in Portuguese)

Dear children, the prayer of the Angel of Peace, given in Fatima, will be able to correct you spiritually and your faults will be released in love. In this way, My Heart will be able to also intercede for you.

Three simple times, let us pray together, so God may also hear you.

Today, I hold My rosary for each one of you.

My God, I believe,
I adore, I wait for, and I love You,
and I ask pardon for those who do not believe,

do not adore, do not wait for, and do not love You.

Amen.

(three times in Portuguese)

Dear children, while evil is defeated, through the intercession of My Maternal Light, I absolve you and forgive you in the name of My Son Jesus, and may this holy absolution prepare your hearts for the return of the King of the Universe.

I thank you for responding to My Call.

I will soon return here, let us pray together, humanity needs it and so do you.

In the name of the Father, the Son, and the Holy Spirit. Amen.

While My Maternal Heart rises up to Heaven, contemplating each one of your prayers, I ask that you hold the Presence of the Holy Spirit in your hearts, as a Luminous Bird I bring the Spirit of God into your lives.

And as a special Grace, dear children, I call here all the children who prepared this Meeting with Me, who dedicated hours of their lives to My universal task. The great merit you receive, dear children, is My Peace and Eternal Forgiveness.

Sing "The Flight of the Holy Spirit" and may your consciousnesses awaken to that Greater Light.

Dear children, I love you with My Heart.

God bless you.

Song: "The Flight of the Holy Spirit"
