DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM MANANTIALES, MALDONADO, TO THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Just as the rain, that touches the Earth and makes the fruit grow in arid deserts, so do My Graces, which touch your hearts in order to convert them into the perfect model that God planned for since the beginning.

Children, I know that which must still die and be transcended within you, so that someday the true apostle of redemption may manifest.

Dear children, we are in a time of spiritual battle, and many of My children do not want to realize it; for this I come to ask you for prayer, so that you can realize how distracted the world is and how it affirms, before the Universe, that it is doing everything fine.

I come to demystify what you believe about your lives so that you may recognize the Will of the Celestial Father and so that your own will may die. Thus, children, you will be worthy of understanding all things.

Now the Universe allows certain events so that all may learn and not repeat the same mistakes again.

Children, I am consistent with you and I will touch you with My Grace, as many times as necessary, because My true purpose is to convert you into that which you are not yet. Be patient and love transformation, thus, it will be less difficult for those who are willing to know themselves; when this happens, you will be able to be conscious that your very little problems in life are light compared to the great sin of humanity.

Seek fidelity through Christ; do not despair over that which you experience; there are greater planetary problems that encompass regions, peoples and, above all, a project of spiritual evolution.

Purge that which is old, empty yourselves all the time and thus, you will be the new wineskins that will be filled with the Precious Blood of Christ.

I thank you for responding to My call!

Who purifies, heals and elevates you,

Your Mother Mary, Rose of Peace
