DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

My Heart's rays of healing, which I bring for the souls, are poured over the beings that open themselves to this sacred knowledge.

The rays of healing are the currents of light that flow through all the spaces, bringing a source of renewal and hope to where they do not exist.

Children, I am your Healer Mother, I am the sacred tributary in which God places His Gifts so that they may be transmitted to humanity. In the universes of healing, the hearts can find the perfect reason for fulfilling the Will of God above themselves.

Dear children, on this day I come to bring the currents of spiritual healing that humanity needs; thus, My Heart gives you the gift of Faith, so that this source may spring inside of you, without having to wait very long.

Today, My children, I donate healing to you, the healing that needs to be awakened in you in order to be at service of Christ.

I thank you for answering to My Call!

Who elevates you to the Source of Internal Healing,

Your Mother Mary, Rose of Peace
