DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Children,

My Maternal Grace is pouring universal codes of Pity and Mercy over those souls that open themselves to recognize the Will of God on their paths.

Thus, My children, these universal codes of My Grace will be the ones that will help you to walk in the culminating moment of your purification; there you will be able to see clearly the passage from the old to the new humanity, filled with the divine and Christic codes.

For this, children, I am calling all of you today for you to live the redemption; in this way you will be willing from the conscience to materialize the Divine Plan of your Celestial Father.

Now, My children, the Plan will determine a next round in the life of the whole universe. You are invited to prepare and train yourselves, such as the planets do when, from cycle to cycle, they rotate around the sun, always seeking a relation with the balance of the cosmos.

Dear children, this new cycle is arriving and nothing will remain as before; inside and outside of yourselves, the universe will move in order to be placed into another point, and if certain aspects have not been worked out by then, the universe itself and the cosmos will relocate you to another school of instruction.

Children, do not waste the opportunity to change in time, such as all the cycles in the universe change. Now these cycles will be visible to many and on the Earth the most unconscious and ignorant soul will notice this, because the planet is almost at the doors of facing the so waited cycle of purification.

And in that way, the prophecy of My Son will be accomplished: “The chaff will be separated from the wheat and then it will be burned at the stake.”

Beloved children, I am your Mother and I try to guide you always along the path of good. Peace will be your ally in the moments of purification and your faith will remove everything that until now had been tied in the consciousness.

You, My dear ones, already know how to do it; take the tools and work, thus the planet will be saved.

I thank you for answering to My call!

Who blesses you and guides you to the main goal,

Your Mother Mary, Rose of Peace
