APPARITION OF THE VIRGIN MARY IN MONTEVIDEO, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCIA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, with joy, I prepare My arrival in Aurora in the coming month, and this has been made possible, throughout the months, by prayer, by the prayer of all My dear children.

Therefore, today, dear children, I am bringing to the world the banner of My Peace, the victory of the Light upon the Earth, so that there may be more time of peace among souls and among hearts.

Therefore, dear children, continue your purification, may your purification be a cause of joy and liberation; so that next month your hearts may already feel free, so that a new seed of Light may be sown within you.

Dear children, as the Mother of Heaven, today I bring you the presence of the entire universe. The stars are attentive to humanity when it responds truly and lovingly.

Thus, little by little, dear children, through My Heart I will lead you to the new Laws, for I aspire, My children, that you may live within the Law, that the Law may be made manifest upon the face of the Earth, so that the Will of God may be fulfilled.

Dear children, today I also bring you My Immaculate Heart, something of utmost importance for your lives, your essences and your spirits, because it is there that God must dwell. He must have His dwelling place, His favorite dwelling place so that He can fulfill His Plan with all His creatures.

Today, dear children, I could tell you that, before the events of the world, mainly because of the fruits that the prayer groups are generating, the destinies are changing for the good of all; but much more is still needed, My children. The Lord needs your sacrifice and humility so that the Plan may be fulfilled in this most definitive time.

Both fasting and prayer, service and love among brothers and sisters are fruits that generate the living experience of the Law. The possibility for you, My children, to live in the Light of the Laws is something unknown to you, My little ones, but everything can be felt through prayer; it is something that is built, little by little, within you like one who builds a new house. Every little effort is important, and so it will be, My children, when the effort is made by all, with the faith to fulfill the Purpose.

When today I announce Aurora to you, it is because next month it will be important for your souls. It will mark six years of My Presence among you, and many more years will be fulfilled if you continue on this path of trust in My Heart.

Dear children, know that I am with each one of you, accompanying the prayer groups step by step. That is why Aurora was chosen for Me to descend from Heaven and bring the Message of conversion and redemption.

For the next month, dear children, you must make a spiritual synthesis so that you can see with clarity and wisdom all the Graces that I have poured out upon you from My Spirit. Therefore, it is important to meditate in prayer, dear children, with your heart placed before God, so that you can understand all that I tell you.

And today, I am showing you even more fruits, My children; the fruits of the prayer groups of the Light Network: peace and prayer, healing and service, the new teachings for humanity.

My Son is also in all of this, dear children. That is why He sends Me every month, preparing you from the heart, because it is also My aspiration, dear children, that you may perceive the Coming of the Redeemer.

Therefore, prayer will be your strength and My Immaculate Heart will be your Temple, where evil will not be able to enter, dear children, because those who live in prayer and fasting and who strive to pray and fast, will not be attacked by the enemy because they will be protected by the Heavenly Laws and their spirit will reach Heaven and, once again, My promise will be fulfilled that all My dear children will live in the glory of Paradise.

You should aspire, dear children, to know that Paradise, that space where God is present all the time; even so, He sends His Faithful Messenger to turn the Earth into the New Paradise, into the Genesis that He created and which has been lost throughout the times because of the sins of humankind.

But, dear children, I bring you the balm of My Mercy. The Fountain is still open to all, do not be blind to this Fountain, this Water of Life wants to wash you and heal your deep wounds; but everything will depend on you, dear children, on whether you can allow the Law of the Lord, the Law of His Mercy, to act in your lives.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Dear children, as nothing is separate in the Heart of God, the Lord is offering a new awakening to your consciousness because, in this month of August, you will receive an impulse of the awakening of the New Aurora, so that the deep consciousness of your beings may also be awakened.

The Lord aspires that, from this month of August, a new cycle will begin in your lives, in the life of the entire planet. A deepening of My Marian task will take place all over the Earth, as well as in My prayer groups.

Therefore, today I come from Heaven to prepare you, to ask you to be persistent, faithful to the Divine Purpose, not to be afraid to purify the depths of your hearts nor to perceive the miseries that dwell within you, because purification is necessary so that you can then take a new step.

If you give permission to the Heart of God, His Hand will enter your hearts to transform them, so that you can see what is not well within each one of you and, if you offer yourselves to God, He will always help you.

Today, I come to prepare My Marian groups so that, through prayer, they may mature their love for the Heart of Christ.

Deepen your living experience of the Gospel so that, at the moment Our Lord indicates it, your hearts will be ready to live an apostolate of Mercy; to walk, two by two, throughout the world, carrying My Message of Peace in your hearts, awakening new cells of love in the hearts of humanity, Christ molecules that slumber within humanity.

My children, prepare the depths of your beings so that, in humility, you may live the new cycle; so that you may truly awaken to service, to the healing of the heart and spirit, to the prayer of love for souls.

My children, in this way I tell you that with joy you must receive this new cycle, that with love you must allow the universe to enter into your lives, into your homes, may the unknown spring forth in your hearts and may you come to know mysteries that until now have not been revealed to humankind, but that it is now time for your hearts to know them.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, with my Heart lifted on High, today I also tell you that I will be the first Disciple of the Marathon of Divine Mercy, to pray for all humanity, for the Kingdoms, for all the consciousness of the world.

Dear children, I invite you to the challenges of living in prayer, the perfect encounter with God.

I also thank you, dear children, the groups in Nicaragua for constantly contemplating My Immaculate Heart.

Today also, I tell you, dear children, that My Heart aspires to soon visit for the second time this beloved home, the heart of all America.

I thank you!

Thirty-three bells sound.

Dear children, as I ascend, contemplate in silence all the souls I have lifted to Heaven and carry in My Heart. This is the reason for the bells.

Remember, dear children, that each time I say goodbye to you, many souls are taken from the Earth so that they may reach Light and Peace. This is one of the fruits of your prayer.

Go in Peace, go in Jesus, go in God.

In the name of the Father, the Son and the Holy Spirit. Amen.

Song: "María haz de mí."

Friar Elías del Sagrado Corazón de Jesús:

We want to share with the brothers and sisters the important moment of today's Apparition, because our Mother came dressed in a navy blue Mantle, a Mantle that extended far beyond where She stood. It was a Mantle that enveloped the entire planet, that protected every corner of the Earth.

Then, while we saw Her here, She was also over the world, contemplating it and, during a moment of the Apparition, She also showed us Her Immaculate Heart. This time, Her Immaculate Heart had no thorns, but Love and Light that She poured out, above all, upon us. And She also radiated that Love and Light to the whole planet.

But the most intense experience that we had today, through the Apparition, was how our Mother, as a Mother, spoke with Love about all the groups of prayer; those that are already formed, that persist in responding to Her call and those new groups that are being born through the task of the Light Network.

Then today, Our Lady showed us how She was also in each of the prayer groups. She told us that She manifested Herself in each of those groups, according to how Her children understood and loved Her. But one important thing She told us is that She is the same for everyone. She also told us that She was accompanying each one of these groups, in the small details, in the movements of each one of them.

On this day, she mentioned again the groups in Brazil, in Venezuela, in Central America, in the United States, all the groups. She showed us how this network of Light was being lit, little by little.

Today, we understood, according to what Our Lady told us, that part of the destiny of this humanity that had been foreseen, was changed through the prayers that have been offered throughout these months and, in this way, She explained to us that the synthesis of all this work will happen in the month of August.

Our Mother also explained to us that we should not see this as just a simple prayer meeting, but that we should see it as something spiritual from this moment on.

She wants us to see this next meeting in August as something that comes from the Spirit of God, which She called a Fruit of God and also told us that it was formed, that it was gestated, little by little. Therefore, She invited us to prepare ourselves from our heart and from our conscience.

And the last fruit that She revealed to us and that everyone could hear, was what She called the opportunity She received, as Mediator, to travel through some parts of the Americas. But, from now on, Our Lady said that for that to happen, She invited us not only to make it happen through the prayers of all, but She invited us to make it happen through the efforts of all, and that this we would be able to see.

This mission that She will soon undertake will be made possible through the help of everyone and the fact that we will be able to perceive it from the spirit is something that She repeated to us during today's Apparition. If we could see Her missions, Her tasks, Her requests from the spirit, our Mother told us that we could better understand the purpose of all things.

Today, during the Apparition, we felt the spirit of gratitude coming from our Mother, something that cannot be explained, but that was very strong.

Sister Lucía de Jesús:

At the end of the Apparition, Mary radiated much joy and, at the moment when we rang the bell, She said that She was proclaiming, making a decree of peace. And She spoke like this:

"At this moment, in which I decree peace, I want all My groups to prepare themselves to help Me fill My boat of salvation, because God's Purpose will be fulfilled."

And with that, She explained to us that through the prayer groups, through the new apostles of Christ, as She named them, She was going to awaken Her children so that they could board that boat which would take them to the Kingdom of God.

Friar Elías del Sagrado Corazón de Jesús:

I remembered a guidance that our Mother asked us to pass on to you as well, about the Marathon of Divine Mercy.

As you heard, She said that She was the first participant in that Marathon and that She would be among Her children, praying. Indeed, She affirmed that She will be among Her children, praying; and that everyone, if they open their heart, will be able to feel Her.

Then, She gave us the following guidance for all prayer groups, those who participate in person in that Marathon or those who participate from their homes. She told us that it was important that the Marathon of Divine Mercy be held in three languages, Spanish, Portuguese and English. And She invited Her own pilgrims to guide the Chaplet of Divine Mercy during those two days, through prior registration.
