APPARITION OF THE DIVINE MOTHER, IN THE HILL OF CHRIST THE REDEEMER, CARMO DA CACHOEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Responding to the request of the Divine Mother, we began the procession at 8:30 a.m. and the prayer at 9 a.m. Around two thousand people were gathered, and when we reached the feet of Christ the Redeemer we began to pray in order to attune ourselves with our Celestial Mother.

After praying for an hour, Her energy clearly approached and at one point She appeared.

***Friar Elías del Sagrado Corazón:** We are going to learn a prayer that the Divine Mother has transmitted, a very simple prayer, while we walk to the area where She is. We will remain in prayer while we move until She indicates and begins to transmit Her message. The prayer is as follows:*

Most Sacred Heart of Jesus, I trust in You.

While the whole group prayed, Friar Elías del Sagrado Corazón and Mother María Shimani de Montserrat, with some of the brothers and sisters who were collaborating in the apparition, moved towards the place that She indicated, among the public.

Friar Elías del Sagrado Corazón transmitted the words of the Divine Mother:

Message for March 26, 2012

Dear children, may My celestial glory be in your hearts.

Thank you for having responded to My call once more. I am now with each one of your hearts. This is why, on this day, dear children, I bring you the Presence of My Son, a simple way of being able to live Him and witness His presence in your hearts, in your lives, and most importantly, in your families.

Strengthen yourselves, dear children, not only through prayer but also enter the Heart of My Son so that He may guard you and protect you in this time of tests. If you walk with Me, dear children, I will always bring you in My hands, I will embrace you strongly and uplift you towards the Kingdom where Christ is. Before He returns, your hearts must already be prepared, not only in forgiveness but also in love, in reconciliation among you.

Today I bring you, dear children, the Presence of the Glory of the Father so that you may be able to convert your hearts into a pure flame that is alive and resplendent before My Heart. I accept your offers; therefore, open your hearts, not only to feel My Heart but, even more so that My words may deeply penetrate your souls, and from them may emerge the Inner Temple that you must always look for, especially in this time of changes.

Dear children, accept to live in the Temple of God. He needs you there and there I will be able to look for you at any time of the day because I want to see you in prayer, not only for your families, but also for all the children, the elderly and sick, and for the world that needs peace, that needs

conversion. Because of this I reveal to you, dear children, that the conversion of your hearts has already begun.

Begin to truly live so that purity can emerge, the purity that today I give you out of love and for the redemption of your lives. Accept to live in My forgiveness, dear children, so that your families may be able to reconcile themselves and feel the presence of My Heart as an emblem of Peace in each of your homes, in all cities and, especially, in the world.

Those who do not listen still have time. For this reason I invite you to be in prayer, to live a prayer of the heart so that Heaven may be able to respond; not only through My Presence in the heart of this world and of humanity but also through the Presence of God. This Presence needs to be affirmed in your hearts so that each one may find the path that He is revealing to you through Me, through My Immaculate Heart.

If you consecrate yourselves to Me, many more souls will consecrate themselves and I will be able to say that My Heart is triumphing in this time of purification, a purification that the world will live by the Law of God for the redemption of all hearts and, above all, of My children, those little ones that you call Kingdoms.

All are in the process of redemption, therefore, accept My merciful flame so that, united to Me, you may find Peace, Love and Reconciliation that will be necessary for the Forgiveness of God and to erase the past.

Thus you will be able to be born, My children, as new souls that will contemplate the Father in this time of transition, when the Heavens come closer to the Earth and all angels that belong to God may help the world, may aid the hearts, all those who need help and all those who have distanced themselves from My Maternal Heart.

Let us pray, dear children, for all those who now need the Light to carry on. Now I open My hands, extending My arms to receive your prayers. My Heart listens and My voice resounds as a deep echo in each one of your lives.

Beloved children, may a part of Heaven remain perpetually in your hearts.

Thank you for responding to My call.

May the Peace of the Father deepen into your hearts so that they may open up and come to know the Eternal Light that I bring to you out of love and truth. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

End of the Apparition -

Mother María Shimani de Montserrat asked us to sing Luminous Bird.

Mother María Shimani de Montserrat: Now Friar Elías del Sagrado Corazón will give an account of what happened.

Friar Elías del Sagrado Corazón: Before the apparition, there emerged in the sky an image of the planet, of small size with stains in several parts. At one point a group of angels appeared and circled it. Above it there was a chalice. Afterwards two angels appeared, each one carrying a

chalice, for a total of three chalices. The content of these three chalices was of clear water that was poured over the planet, bathing it. At this moment the angels removed the stains from the planet with their hands.

Then came the apparition, which was very strong. She presented Herself as the Queen of Peace and there was a sign behind Her.

In the highest point of the sky, unexpectedly, Christ appeared as the Sacred Heart and He began to project His Light over those present and over the town. At that moment a triad was formed: a dove that represented the Holy Spirit, under the dove was Christ and under Him was the Divine Mother.

Afterwards, the Divine Mother rose up and placed Herself on the right side of Her Son and She told us:

My Son has granted Me a Special Grace for today, because My Son is a part of God.

At this moment She said that the Special Grace was that She could come closer to Her children of this humanity. Then She descended and approached the area where we were.

Before She transmitted Her words, She showed a shield in Her left arm, which She moved from right to left. In this shield there was a symbol imprinted: a silver Christian cross and a letter "M"; the symbol on the shield seemed to have very much power.

Then the Divine Mother made the shield disappear and started to contemplate us and to pray in silence. Sometimes She lowered Her gaze and watched us with much love, and as She said, She brought a little piece of Heaven that She placed in each one of us.

Thank you.

Mother María Shimani de Montserrat: *It seems like this does not end here because tonight we will meet at the Hill of the Apparitions to wait for the Divine Mother.*

Today, by Her request, we will inaugurate the bell Tower on the Hill of the Apparitions.
