APPARITION OF THE VIRGIN MARY IN BARILOCHE, ARGENTINA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In the name of the Father, the Son and the Holy Spirit. Amen.

Dear children, with joy I call you again to prayer, because through prayer you will find forgiveness, the Forgiveness of God.

Dear children, God has granted Me a special Grace to be able to know this beautiful place from Heaven. See how, through that lake, a great portal of Light extends, a portal of Light that rises to the Heart of God.

Dear children, honor the creations that the Father has made for you. Pray for those creations that the Father has granted to humanity, for within them dwell the beauty and the Presence of God.

A new civilization shall be born, dear children. A New Humanity which shall live in the Peace and Love of God. Therefore, dear children, I beg you to pray, so that this New Humanity may awaken. You are in time to change the course of humanity.

In honor of Our Lady of the Holy Rosary, I invite you to venerate this Maternal Presence who, sent by God, interceded for the world, saving it from a grave error.

I can tell you, dear children, that 2013 years ago My Son came into the world and in 1917 My Immaculate Heart came to save humanity and change its destiny.

I want to tell you today, dear children, that God has heard your prayers. It is necessary that at this time new prayer groups can be created, so that My Motherly Heart may be present among you.

What more do I want, dear children, than to bring you to Jesus, to the presence of His Mercy!

You know, My children, that humankind is making wrong decisions at this time, decisions that are not aligned with the Will of God.

Therefore, today I invite you, My children, to have meek hearts through prayer, so that through meekness, humility may awaken.

I am here, dear children, as your Mother. I recognize this beloved Argentina, for she is within My plans of salvation.

During the month of March 2013, dear children, I also came here through the Message of Medjugorje, but I see that many hearts have still not awakened. Therefore, today I dare, dear children, to speak the Words that My Heart feels, so that you may listen to them with great attention and determination.

God expects good fruits from this nation. For that to happen, My children, you hold in your hands the rosary and prayer, which will also help in your conversion and forgiveness, so that you may walk along safe paths.

Today, I am gathering all the nations of the Americas. And I also want to thank, My children, those distant countries that listen to Me. My graces will also reach each one of them. Brazil, Uruguay and Argentina must be consecrated to My Immaculate Heart.

Therefore, I invite you, through fraternity, to learn from the devotion that Brazil has for My Heart; learn also from the service rendered by all Argentines; learn from the care that Uruguay gives to all the Kingdoms; and from those consciences that offer themselves to serve God, to care for their fellow beings and not to destroy His Creation.

As you know, My children, I pray for you in these definitive times. God needs your hearts to awaken for consciousness to reach the Light. Listen to My call with devotion and love. God needs all of you at this time.

Through My visits to each of the cities, I am building the Network-Light of Prayer, I am weaving a new Rosary of Peace and you, dear children, are the beads of My contemplation. So see, My children, how infinite the Love of God is for you, that He sends you His Mother to give you a new opportunity.

If you live in peace, peace will reign in your families, the conflicts in the hearts of humanity will be dissolved, the nations will live in light and in peace, and you will be granted more time of peace.

Peace does not exist in the world, dear children, because hearts do not truly pray. Prayer must spring from your heart and must become the living word in your lives.

In that sense, My children, I will help you. Every time you come to pray with Me, the Mother of Heaven will lead and guide you because, above all things, at this time I want you to reach Paradise; and when I call you to prayer, I am calling you to live redemption.

Why, dear children, do I repeat all these things?

Your hearts are the hearts of children who still have to mature and awaken to the Will of God. Therefore, love the unknown Love of God, you will see it in all the beauty He has created.

Place your prayers deep within your heart and, in front of the nature that God has created, commune with the Infinite One, with the Holy Spirit. That Spirit will come to your aid, My children, specially to the hearts that pray with love.

My children, you are still time.

Sister Lucía of Jesús transmits the Words of the Virgin Mary:

My dear ones, today I come to you, bringing many angels from My Kingdom, angels who do not belong to this Earth. I have also summoned each of your guardian angels, the ones who accompany you day and night, so that you may receive My Heart. I do this, My children, so that you may have help in awakening.

Today, My dear ones, I touch the hearts that do not feel Me and that are encountering Me for the first time, who are able to hear My Voice and find My Heart.

My children, I want My call to reach across the world, because My Presence, at this time, has a spiritual purpose: to save as many souls as possible, to bring to My Kingdom and into My Heart all My children who have lost their way, all My children who do not feel devotion and who have the flame of their hearts fading.

Do not allow your hearts, My children, to be extinguished at this time, do not lose the devotion and faith to remain strong on the path to Paradise.

At this time, My Heart is waiting for you to find My Kingdom on Earth, through a life of peace, communion, sincerity and fraternity; for if your hearts can live these attributes in your homes, you will find a piece of My Kingdom and you will always keep the door open for the arrival of My Heart.

Today, My dear ones, I invite you to accompany My Heart on this journey, to be Marian soldiers of My Heart, to understand that My Presence in this place is real; that the Queen of the Universe, who was consecrated by the angels and by the Lord, is today visiting your hearts, consecrating this city as one more space in this nation that must be converted.

And when I speak to you of conversion, My children, I speak of hearts that pray with sincerity, of a city that is always open to receive Me, a city that communes with the Kingdoms, with the Divine Creation of God, this gift that the Lord sends you so that you may keep a pure heart through the beauty of nature.

My beloved ones, do you understand My Presence at this time? And, do you accept to respond to My call?

Walk with Me, pray with Me with your heart, call upon My Presence daily, for My Heart deeply aspires to be among My children, accompanying your families, blessing your homes and leading your hearts into a New Humanity.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

As you know, dear children, My Son followed the footsteps of the Cross. Therefore, I come at this time, to this place and to Medjugorje, to alleviate the weight of your cross, the weight of the cross of each soul, which is condemning many.

Therefore, I urgently call you to conversion and the flame of your faith will be prayer, because you will recognize in it the Love and the Power of God.

On this night that is ending, dear children, I also come to bless, to bless your hearts and your families and, in honor of the Heart of Jesus, I come to pour out My Graces upon you, so that with the blessing of the Father you may always see the Light on the way and know that there is hope in Heaven for a better world, a redeemed world, a world saved by the Return of the Redeemer and of the Blessed Mother of God who, just as They did 2013 years ago, will return to live with you in the promise of the Promised Land, because what has already been written, dear children, is gradually

being revealed.

The times are urgent, it is necessary to awaken to the Higher Consciousness.

Dear children, let us sing.

Mother María Shimani de Montserrat:

We are going to sing "Immaculate Heart of Mary." The Mother is asking for the group from Mendoza, the group of Javier to come up here.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I bless this group, faithful devotees of My Immaculate Heart, on behalf of all those prayer groups in Argentina who are awakening to the fidelity of My call.

On this night of graces, reconciliation and joy, may the echo of My Voice reverberate in your hearts and may Peace, dear children, be with all of you.

I thank you for responding to My call!

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

Whenever an Apparition ends, sometimes we receive permission from the Mother to make some comments. So now, Friar Elías is going to tell us something that the Mother asked him.

Friar Elías del Sagrado Corazón de Jesús de Jesús:

Today, during the Apparition, Mary came accompanied by the angels and, through Her Apparition, She summoned all the angels of this region of Bariloche, who were many, guardian angels who began to collaborate with this city.

There did not appear to be any great evil over this place; on the contrary, there was a lot of harmony, a lot of peace that they saw, because the place itself helps that situation.

And after Our Lady appeared as the Queen of Peace, She did an inner work with our conscience, something that we do not fully understand today, that She did not explain to us, but She did tell us that She worked with each one of us and She asked us to keep that inner work that She did with each one of us, because Her Presence transforms our lives.

Today, the moment of the Apparition caught our attention, because She was holding the rosary more tightly than ever. And that rosary, which She brought in Her hands today, is the rosary that

She uses to pray for Argentina, a large rosary.

And She also told us something that we want to share with you, as you heard, She told us that the prayers were heard and that those prayers reached the Heart of God, on behalf of all Argentines.

When Our Lady called the group from Mendoza, She not only called them to bless them, to shower a Grace on behalf of all, but also to make a request. She told them that the next apparition will take place in Mendoza and that before the end of the year we will know where, on what date it will be.

She wants to carry out an important task in Mendoza. She said that there are precious things there and, when She said that, She was referring to the beauty that Argentina holds as a country and that She invited us, through prayer, to take care of it and protect it, because it will be necessary in these end times.

She hopes that something important can be born here in the Americas, and that will be possible through our work, our prayer, our perseverance.

Thus, She invited us, in synthesis, to help Her carry out the plans She has foreseen, because She hopes that the world can live in profound peace.

Mother María Shimani de Montserrat:

Our Lady has recently begun to make some revelations through the Messages that, on a weekly and monthly basis, She transmits to us. And as they are published in the page of Divine Mother, if you read and study them carefully, you will understand many things, many things that our Mother wants to alert us about and many things that She wants us to know that are going to happen.

In truth, there is no mystery, only that we are a little lazy and we do not have the constancy to truly listen to the Words of Our Lady because if we studied the Words of Our Lady, we would understand the reality that this world is living today, what is going to happen and what we can prevent from happening, what we have to do so that it does not happen and how we are meant to do it.

There is absolutely nothing hidden. Everything has been revealed, word for word, by our Mother, the problem is that we are not attentive and we prefer to read or study other things instead of studying and reading the Words of Our Lady.

And, when time has passed and certain things begin to happen, there will no longer be time to lament and there will no longer be time to change the events; but right now, we still have time and we must know that we have all been warned.

So we invite you to go through the page and to understand the information that Our Lady has given us.

We have been able to see and share with people whose lives have been transformed through the Messages of the Mother, with entire families whose lives have been transformed through devotion to Our Lady; because in this time of so much uncertainty, although evil has permission to do certain things, the good has full permission to do many more things.

So the miracles that we expect to happen as strange things in the sky, actually happen within our being, within the families, within the homes; those are the miracles and we simply have to open ourselves to allow Our Lady to reign in our life and to lead us to our beloved Christ Jesus.

Tomorrow, we are going to meet again and we are going to see what Our Lady has to tell us. Tomorrow, we are going to deepen this work, so we are waiting for you all.

Thank you very much for having accompanied us.

Mother, thank You for all that You give us!
