**APPARITION OF THE VIRGIN MARY IN MONTEVIDEO, URUGUAY, TO THE VISIONARIES
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús:

Our Lady asks that we pray for the intentions of Heaven and for the solutions on Earth.

*By the Light that Your Immaculate Heart poured out,
which converted the hearts of the world,
Divine Lady, pray for us.*

Amen

(21 times)

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, My Soul seeks hearts that are open and available to continue.

We are in a time of an urgent call which comes from Heaven. As Queen of Peace, once again I am calling on you to meditate more.

The Lord needs you to be strong and brave to continue on the path. For this, dear children, you have My Heart as a great shield and now you also have the Sacred Heart of My Son.

From the Heavens, the celestial choirs are grateful for this moment, and the Father rejoices for this gift you have given My Heart.

Today, you will not understand what I say to you, dear children, but in the next life, you will know everything, because My Heart will tell you about all the details of this meeting.

Just as I will come to Medjugorje in March; today I come here for you. I will also go to Salta to strengthen My Maternal Message. You must begin to read within the events what I am telling you today.

Dear children, the preparatory times are already ending. Now, My Son asks for the formation of new apostles, the true apostles who will live from the heart, who will be able to offer examples of life to everybody.

Dear children, I do not ask that you sacrifice your lives; I only ask that you pray, fast and go to confession regularly. This is very much contemplated by God, each little sacrifice from each heart has great effects in the Heavens.

With this, I want to tell you, My children, that I am inviting you to enter into the Universal Laws, so that your hearts may be repaired before everything happens.

The Sacred Books will be opened and what is written will be fulfilled. Today My Heart does not come to cause you any fear, but rather to reveal to you the depths of My Love for you, My Immaculate Love for each one of you.

I pray constantly for you, dear children. I am in need of your perseverance in these times, so that you may walk with Me on the new path that My Heart wants to reveal to you.

The world must be helped by you. Thus, My Voice multiplies in Medjugorje, in Salta, here and in other places where My Presence is not recognized.

Today I am revealing to you My Celestial Omniscience so that, in these times, you are able to see the Power of God. It is not necessary for everybody to see Me as My children see Me now; it is important that you are able to feel My Words in your heart.

For this reason, dear children, once again I invite you to meditate on My previous Messages, so that you may be renewed through each of the keys that are found there; for in this way, My children, you will not only be able to transform yourselves, but also find the relief you need by living the Words that My Heart has proclaimed throughout these recent times.

I want hearts that are sincere, true and pure. In order for you to enter into the Laws of the Universe, it is necessary that your hearts be freed from sin and error, and so that they may be renewed by My Maternal Spirit.

Dear children, nobody reaches the Heavens without first converting their heart to God.

This is My important call at this time, here just as in Medjugorje: the conversion of the heart.

I repeat it, dear children, because it is necessary for your cells to remember it; in this way, you may be prepared for the new time and your hearts will be participants in the coming of My Son.

Dear children, I hope so much to be with you in each moment that, each second, I contemplate your prayers when they are sincere, because My Heart hears you, and in this way, I will be able to help you when you need it.

Stop suffering, dear children, bring relief to your hearts through My Maternal Love. You must know that the Heart of Love of My Son receives wounds every day, but if you dare to know His Mercy, to enter into His Mercy, into the great ocean of conversion and of faith, you will be able to be prepared for what will happen.

I am not announcing dark times for the world, but rather, times of Light and of Peace to come, in which the new communities on the Earth will be formed once again, just as the ancient peoples were formed in the desert.

Dear children, you must begin again to learn to love God, to live His Will above all things and to recognize that without Him, nothing is possible in this world.

You have been participants for a long time, in a great Project of the Love of God, and that project will begin to be revealed when hearts pray enough and are prepared to hear the announcements that My Son will bring to you from the Universe.

Now is the time for conversion; for this, there is still time, My children, to be able to listen to the Good News which will shortly be presented to humanity.

Your hearts must allow themselves to be permeated by the Light, so that in this way, I may console you.

My Son gave Me to all of you. How can I remain with you longer, My children, if you still do not come into My Arms?

The same Love I poured out upon Jesus, I wish to pour out upon each of you. Thus, you will be able to fully trust in the Lord and will live the same maternal experience I lived, while on Earth, to love God above all things and to learn to love your neighbor.

When I invited you, dear children, to live in charity, it is because selfless service will transform your hearts. Many spiritual ailments will disappear and in your neighbor you will find the Peace of My Son, present in each heart that suffers, that longs to be consoled and whose thirst is quenched, giving it the encouragement needed to keep going.

My Heart poured out many Graces throughout this last year, and these same Graces you received, dear children, must be disseminated to all.

Do not believe, dear children, that your hearts are not being purified. Each time I come from Heaven, My Motherhood welcomes you and My Heart brings you relief in each test you are experiencing.

Courage, dear children! Lift up your arms to the Lord, feel the Peace that comes from the universe. Dear children, do not become involved with the things of the world.

I ask that you pray for this humanity, just as I have asked throughout the centuries.

Prayer will be your strength in this end time and for it to be your strength, dear children, you must believe in it, for in this way, you will receive the Power of God.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Dear children, when My Heart chose this nation to carry out My maternal task, it is because I wish to definitely consecrate each of your hearts to God. But before My task can be accomplished in this place, dear children, I need your hearts to be united with one another and that you fervently pray so that My Plans may be accomplished.

This month of March, My children, will be one of great glory in the Heavens, because the world will recognize, first inwardly and then physically, that My Heart is the same in all parts of the world.

At the end of this day, I want to ask each of your hearts to help Me concretize My Plans of Peace and of Union with a true prayer, that is born from your hearts, for all the Marian Centers, for all My manifestations in the world.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In this way, My children, when you pray with Me every day, truly and sincerely, My Celestial Mantle is extended over your homes, holding each of your family members within Me, under My Mantle and in My Maternal Heart.

If you respond to My call every day, I will tell you today, dear children, that My Heart will intercede for your family members before the Thrones of God, so that in the time to come, they too may awaken to My Love and to the Love of Christ.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I bless each of your little hearts, pouring out the Grace of God upon you, so that you may radiate it to the world and above all, to this place, this city, preparing for the second coming of My Heart.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, after Iván is here in March, disseminating the call of Medjugorje by the Grace of the Father and through My intercession, My Heart will return here, in April.

I await you, dear children.

I thank you infinitely, dear children, for receiving My call for peace.

I thank you!

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

At this moment, we want to make some comments on the Mother's Message.

We have been observing that the Mother's Message, at a global level, is beginning to make the same announcements in all places.

Today we were reading some of the indications which the Mother gave to the visionaries of Medjugorje. She asks the same of them as She asked of us: prayer, fasting, confession and conversion.

And one thing that caught our attention is that, in these recent Messages from the Mother in Medjugorje, She also calls for the apostolate of Christ.

And we, as She has asked us, must learn to interpret the events. If we can unite all the Messages Our Mother is transmitting in our heart, throughout the world, we will realize that the Message is one. It simply uses different channels, in different places in the world, for different people.

She is trying, through some of these channels, to reach the entire Christian collective and, through other channels, She is seeking to embrace those who are not Christians and who are part of other spiritual movements; yet the Message is exactly the same.

Her intent is that we may come to understand that She is the Mother of the whole world and that, therefore, we are all brothers and sisters, as the Master taught us so long ago.

So the message we take from these comments is that the Divinity hopes that we will finally be able to understand the Message of Love we have received for so long and that we be able to unite through everything we share in common, which is the Love of Our Father and Our Mother, and that we set aside what we believe separates us.

For this reason, we invite everybody to pray; to fast, even if only once a week, because it is healthy and greatly strengthens our will; and to confess as each one feels moved to do so, to confess with Christ, through a priest, because this will free us from a lot of inner pressure and will collaborate with the Heavens so that other people may also feel the impulse to do the same.

Today, taking advantage of the fact that many brothers and sisters have come here, to Montevideo, we are going to collaborate to strengthen the groups of prayer.

And so that the groups of prayer may be motivated and begin to meet once again, the Mothers who were coordinators of the Monastery of Mercy will come once a month to meet with everybody, to work, pray, talk, to gather energy again and prepare for March and April.

In this way, we will gradually build what Our Mother expects to build in Uruguay.

We will meet in the Heart of Our Mother.

Thank you all for having shared this Apparition with us.
