SPECIAL APPARITION OF THE VIRGIN MARY IN THE CITY OF RIO DE JANEIRO, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA OF JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, today, I come this evening to give you My maternal embrace. God is calling you to conversion and forgiveness in your hearts. Therefore, dear children, do not waste any more time, this is an important moment you are living in your lives. That is why, as a Mother, I come to help you, to give you My Heart.

Today I come not only for you, but also for those who are not here. Dear children, in the Kingdom of Heaven everyone counts.

Today, I bring you My Maternal Spirit so that you may feel it deep within your beings and I will not tire of bringing you My Maternal Spirit, until you can take the steps.

The world needs peace and you are its forerunners. Just as I appeared in other times, today I come to meet you.

Today, I only need a little more from you, dear children. I know that many tonight do not see Me, but some hearts feel Me. It is important to feel Me and to find Me in the prayer of the heart; therefore, go and form prayer groups. Bear witness to the Presence of My Son in your lives. Renew yourselves through prayer, day by day, so that your faults will be forgiven and you will find peace.

Do you understand, dear children, that the Queen of Peace comes to give you Peace?

I come to give you all that I Am, dear children. Therefore, open your eyes to what I am asking of you. See this important calling that many need to live.

Conversion begins with the acceptance of changes, with the change of life, with the steps that each soul must take towards the Lord.

Today, I come not only to pour out My Heart, but also My Graces. I want you to spend more time in the Heavenly Kingdom. In this Heavenly Kingdom which must come closer to everyone. Today, I bring you a little piece of that Kingdom through My Presence.

You can remain there for a long time, dear children, you must only want to do so. Take the sure steps towards Me, for I will help you.

My Son sends Me to save humankind, to prepare it for when He returns. But first your hearts must be awakened, open to live in humility and peace, for only then you will be able to live in fraternity.

What I ask of you is so simple, dear children, that very few listen to Me and do what I ask of you. I do not bring you anything extraordinary tonight, I only ask you to pray, to pray with great fervor. The Lord is attentive to hear your voices. This means, dear children, that I will be able to intercede for you in this most definitive cycle.

I pray for you, so that you may live in peace.

I pray for all the cities of the world, that they may be converted soon.

I pray for all of you, so that you may find My Son. His spring of Mercy is open to all, yet many have not entered into His Ocean of Love, very few quench their thirst at that Fountain.

That Fountain is available to all, to bring balance to your lives, to free you from the illusion you are living in, to awaken you to the new, to the Kingdom.

Dear children, I am here, asking you for something important; for this step is definitive for your lives, as the Queen of Heaven announces Herself to all Her children, just as She has been doing in Medjugorje for 31 years.

In 31 years, dear children, has the world changed at all?

There are few who respond to My Voice, but I need all My children in the world and your response will be stronger when you unite in prayer groups; gather as one flock of My Son, so that you may purify your hearts and receive the Good News that you are waiting for so long, My Good News is to announce Myself to you.

Dear children, go and love one another, forgive each other all the time, build the new family based on the Holy Family of Nazareth. Open your arms to receive the Kingdom of God, the Spirit of the Father wants to rest in your hearts, but many hearts are still filled with other things.

The power of prayer, dear children, will free you and grant you the permission for this Divine Spirit to dwell within you perpetually. That Spirit is reaching the world, dear children, through My Appearances around the world.

I am not speaking only to you, dear children, My Peace has been spreading throughout the world for a long time. Thus, you can understand and see, dear children, as I once said in Fatima, that the peace of the world is present because My Maternal Presence is here, but it is necessary to change.

Dear children, I simply ask you to change. The path of redemption and prayer will open the way to the new. Close the doors of the past and let Christ illuminate your paths.

He waits, in His Sacred Heart, for all to call upon Him so that, in the end times and before His Return, awaited by all, His Redemptive Work may be fulfilled once again so that, in the hope of Heaven and Earth, the New Humanity may arise.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Today, I invite you, My children, to feel at your side, the presence of My angels, those who accompany My steps from Heaven and who come with Me to this Earth to activate and assist your hearts.

As My little children of the New Earth have said, if each one of you could count on the presence of the angels sent by Me, My Peace would reign a little more in the world.

Today, my children, I come to remind you of the presence of each angel who accompanies you, the one who is at your side at this moment, who brings your prayers to My Kingdom and who does not allow your souls to be lost from My redemptive path.

These angels, sent by My Heart, are like My Arms on Earth, who assist My Son so that His sheep may not be lost, so that His flock may be gathered and ready to receive Him at the moment of His Return.

Today, I invite you, My children, to pray with your hearts, to bring My Love to this Earth, not only to transform your lives, but to radiate to this entire city, to all My children who are in need of My Presence.

Go, My children, and spread My call, that the Queen of Heaven descends to Earth to welcome and rescue Her children.

Take this peace, which you receive tonight, to every corner of this city so that My heart, through your hearts, may reach all My children, those who are not here tonight.

I see much suffering before My Eyes, not only what your hearts experience, but all the suffering present in this city. Calm your hearts in My Presence, place each of your pains in My Heart; for as a Mother, I come to relieve you, I come to transform each pain into a sincere offering to the Lord, into an offering of redemption so that it may be transformed into an opportunity for the salvation of all souls.

Every offering that your hearts make, when it is made with sincerity, is accepted in My Kingdom, placed at the Feet of the Lord so that He may allow My Heart to intervene for the world; not only for the souls who are incarnated, but also for all My children who suffer in the hells and in purgatory, awaiting the opportunity to enter definitively into My Heart.

Therefore, I ask you to pray, never tire of praying, for many are still suffering, waiting to get out of hell, waiting to be saved from suffering.

Therefore, My dear ones, never be afraid to respond to My call, form prayer groups and pray for this Earth. Be intercessors with Me, be Marian soldiers of My Heart, so that My Peace may definitely come to this Earth and My Reign may become a reality in the hearts of My children.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, in thanksgiving for having responded to My call, as in other encounters with Me, I will bless some souls on behalf of many, radiating to them the Light of My Maternal Heart, so that they may keep it perpetually in the spirit and that this Light may be strengthened through prayer.

Dear children, today I invite you to do a special exercise.

Turn off the candles, place the palms of your hands upward on your knees; in this way, you will receive the Light of Heaven. Open your hearts to the Holy Spirit and feel the presence of My Peace. In that Peace is found the Love of God and, in the Love of God, the unity with all His children.

In this special time you are now living, commune with the universe and symbolically light the star of the heart. See the white Light of the Holy Spirit in your hearts.

Pray, silently, to God. Quiet your spirits in My Arms. Feel My strength and My Motherly Love. Enter into the Kingdom of My Peace. Feel the Holy Spirit, the Holy Spirit within Me. Praise and sing to God for that Spirit so that, through My Heart, it may now descend to Earth.

Remember the Cenacle of Mary with the apostles. Return to that Spirit of God, of which humankind was once a partaker, and tonight will be again. Let us pray the prayer that I have taught you:

Come, Holy Spirit,
enlighten hearts,
so that they may reach
the Transfiguration of Jesus.
Amen.

(6 times)

Beloved children, so that this Divine Spirit may remain in your spirits, sing to God to bid Me farewell.

And, once again, My children, I thank you eternally for responding to My call.

Song: "Ave Luminosa."

Mother Mary Shimani of Montserrat:

Now, we are going to reflect on and share some things that our Mother asked us.

The first thing She shared is that She is going to return to Rio de Janeiro because She needs to continue the task She started today.

Now, Sister Lucia is going to tell us something that Mary asked her to share.

Sister Lucía de Jesús:

When Mary appeared, after She arrived, She asked us to tell the brothers and sisters present, how She used prayer to prepare for today's Apparition.

When we were praying, we perceived, in front of the image, a portal of white Light. On each side of that portal stood an angel and, through that portal, we began to see the whole city of Rio de Janeiro. It was as if we were seeing it from above.

And the first thing we perceived was a channel of Light connecting Christ the Redeemer with Heaven. Then, to the right, another channel of Light in a place that I don't know where it was, and a

third channel of Light in front of the place where we are. Those three channels formed a triangle and this house was in the center of that triangle.

And we began to perceive that through those three channels hosts of angels were descending. We perceived that those channels reached down to hell and purgatory, and the angels began to withdraw souls from those places through the channels.

At one point, many babies, newborn children, began to pass through. And, when our Divine Mother arrived, She told us that they were children who had been aborted all over the city of Rio de Janeiro and She asked us that each prayer group include, in their prayer work, a prayer for children, especially for the children that were being aborted at this time.

Mother María Shimani de Montserrat:

The Divine Mother has already asked us several times to form prayer groups in different cities; because at this time it is very important to pray in order to help our planet and not only to help ourselves and our families.

You saw all that the angels can do when we pray with just a little effort as we did today. Our planet would be another one, completely different, if people were aware that they should pray.

Not only would many of your difficulties be solved, many of the difficulties of your families, but you would be able to collaborate in the task that our Mother wants to carry out in the whole planet. It is very important that we become aware of the power that prayer holds.

Place the words of the Divine Mother in your heart and know that many of the things we experience today in our world could be very different if we did a little bit on our part.

We thank you all for having shared this moment with us.

Do not forget that Our Lady has a special love for the pilgrims who follow Her everywhere. She says that Her pilgrims carry out a task they do not know and that is very important to Heaven.

Thank you all very much and may you carry Our Lady in your hearts!
