APPARITION OF THE VIRGIN MARY IN BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, never forget that every day I invite you to conversion so the world may free itself of its sins and achieve peace.

Today, from Heaven I bring you the Rays of My Grace, those Rays that must permeate the Earth and all lives.

Today, My Immaculate Heart thanks you for your visit to My Heart.

God is attentive to the needs of all His children in these times; for this reason, you must pray with the heart to truly achieve what you may need.

Dear children, My Kingdom of Heaven comes to Earth in the most difficult times, in which souls are separated through conflicts and lose their peace of heart. Thus, My Heart gathers the offers of all of God's children to extend more time of peace on Earth. God is attentive to your small offerings.

Dear children, I invite you to a life of simplicity, through prayer, fasting and peace. I only invite you to experience a moment of deep peace, which is gained through the fasting of the heart. In this way, your thoughts and emotions will calm down, the Wisdom of God will come into your lives so that you may understand the mysteries of His Will.

Today I am with all My children of Belo Horizonte and also with My children of the whole world, fulfilling the prophecy of the end of times; gathering up the flocks of My Son, in this definitive time, so that all may be able to live through the heart. Love will be your guide in this time.

I invite you to mirror My path as a Pilgrim Mother and also My path as a Servant of God in daily life, in prayer, in the gestures of charity, the gestures of fraternity, in the radiation of peace that your hearts can give to your brothers and sisters in this so definitive time.

Dear children, God calls on you to awaken your consciousness so you may wake up to the reality of the Greater Laws.

Dear children, today I am referring to the Commandments, which have been lost in the life of many of My children because of the modernities of these times, which distance you from prayer and peace.

Thus, respond to My call for family prayer. In this way, My Grace will be present among you, you will never lack peace, and the conflicts of this time will dissolve so love may reign, unity with God, Our Beloved Supreme Father, may reign.

Dear children, while I am here today with you in this part of the world, My Heart is also present in all of humanity, guiding My dear children on the paths, mainly those that open up to My call and that, through a response of faith, will be able to understand all things, especially those that happen in this world, which disturb and confuse My dear children. For once again I am telling you, dear children, that it is because of the lack of peace, the lack of prayer in families and in the towns, in the great cities of the world.

For this reason, when I come here to specially bless your little hearts, to heal your lives through My Grace, it is so that you may be able to be consecrated to My Heart and thus consecrate your homes, your towns and your cities, so that God may be able to see in you that My call is being heard in the simplicity and the love of all those that unite with the Greater Law.

Today I also want to pour out My Graces over the world.

You know, dear children, that a large part of the task was already accomplished yesterday through the loving action of the Holy Father. But, dear children, I need all families and all of humanity to join this call for peace, so that peace may be in the heart of humankind, and between humankind and God.

This is very important in these times, dear children, because just like in Medjugorje, I come to bring My Aspect of Peace, which all should know in detail and unite to through the heart.

If you unite with My Immaculate Heart, I will reign in your families and in your lives.

I need new stars in My Crown, so they can illuminate the universe, giving a positive response that, in this world, it is possible to live the Plan of God and to fulfill it through His beloved creatures.

I know you very well, dear children. On this very special night, My Heart can read your inner worlds, feel you, hear you and deeply love you.

But it is time to take the great step, dear children, the great step as humanity, as a single humanity that, united through love and prayer, may manifest the Presence of My Son in these so critical times.

Dear children, never forget to pray for the sick, as I perpetually pray for all of them. And also do not ever forget to pray, dear children, for the souls that are no longer on this Earth. For the world is very saturated, dear children, and needs to breathe in peace and love, needs to be freed of the weight it lives under, generated by this humanity.

For this reason, throughout the times, My Motherhood is present in the world, announcing Itself through a new Aspect so all may be able to recognize the powers of the Celestial Mother.

Dear children, today I want to heal your hearts, but it is necessary that you take the step toward Confession, because My Son will listen to you.

Believe in His Mercy, dear children; His inexhaustible Source is flowing in front of you, it wants to flow like a long river through all families and all hearts so that all may be able to start over, blessed by the Forgiveness of God.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Today, on this night, I want you to be able to contemplate each of your hearts through My Eyes, because when My Eyes travel the Earth, My children, They do not find differences between creatures; They find the pure inner beings of little children.

Today I want you to see, through My Eyes, to contemplate the original beauty that is in each one of your hearts; so that, just as I see it, you are able to find the equality there is among you.

Today, I invite you to experience ecumenism, not only on the physical plane, among races and religions. I invite you to experience an ecumenism of the soul, of the spirit, which is to recognize yourselves as equal beings, pure essences of the Creator.

Today I do not contemplate the differences that exist among your hearts. My Heart does not judge the past which each of your souls has lived, but rather, contemplates the glory which your hearts will receive if, through prayer, you generate the merits to enter My Kingdom.

What I ask of you is very simple: that through your little hearts, through prayer, you are able to see with the Eyes of God, contemplate the truth there is in the world and which is nothing of the sort that exists in your lives.

Today, I invite you to wake up, My children, to a celestial reality, so that for just an instant, you are able to set aside the illusions of the world, detach from the modernities that do not allow you to experience the liberation of

your souls.

If only for an instant you allow My Heart to enter into your lives, the Graces that I bring you today from the Kingdom of Heaven will be able to change your destiny, erase the past that causes you to suffer so much, and hold a place for each of your souls at the side of My blessed ones in Paradise.

I just need you to pray, that you live peace, that you seek to dissolve the lack of love and of fraternity among beings.

Today I do not ask you to carry out great works, but rather that you be sincere in your small works, in small actions carried out daily. That in the small, My children, you are able to sow peace in the relationship between your brothers and sisters, in families; that you seek to dissolve the lack of fraternity; that you serve one another to build a spirit of love.

Today, I invite you to observe the example of the Sacred Family, that example of unity among creatures, in which each heart fosters the evolution of others so all may be able to grow in virtue and peace.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Never forget, dear children, that My Heart originated on this Earth, and as a Good Mother of Peace and of Love, I know My dear children and each of your intentions, each one of the life experiences that shape the paths travelled by My children.

In this way, through faith, the new apostles must be born, who will represent the New Earth and will change the cycle of the planet through a single path, which is fraternity.

My Heart is present in your lives, as is the Heart of Jesus and that of the Most Chaste Saint Joseph. They want to perpetually remain, walking at your side and reconsecrating your lives as a single spiritual family, the family of God which lives in love and in peace.

Thus, on this night, each lit flame is a soul that has been rescued. This is simple, dear children, when the heart opens to the mystery of God; but that lit flame in each of your hands is also the Light that wakes up in the world to the path of conversion and of redemption, because that simple flame you carry in your hands, dear children, means the victory of the Kingdom of God in open hearts.

Lift up your candles, and I will bless them.

Holy Almighty God,
Who has built the universes
and given life and radiance to humanity,
bless My children on this night.

May Your Supreme Grace
pierce My Immaculate Heart,
so that My Heart may expand,
as rays of Peace and of Wisdom,
in each of the essences
of this promised humanity.

Receive on Your Throne, My Lord,

the flames of Light of Your children;

receive them in Mercy and Compassion,
so they may achieve the peace they need,
the Light on the path,
the good in all things

and a greater unity among all the beings of the Earth.

O Supreme Father,
hear Your Supreme Mother
Who cries out for Your children,
for a new opportunity.

Do not tire, My Lord,
of seeing the grandeur in your creatures,
because the pain in Your Heart will be erased
by the love of Your children,
that have said yes to My redeeming call.

For the Glory of God, the Mercy of the Son and the Wisdom of the Holy Spirit, I thank you for responding to My call.

Praised be Jesus, dear children. Go in peace and walk.

In the name of the Father, the Son and the Holy Spirit. Amen.

Song: "Luminous Bird."
