EXTRAORDINARY APPARITION OF THE VIRGIN MARY IN CAMPINAS, SÃO PAULO, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, may the Glory of God be in your hearts, through the intercession of the Infinite Grace of the Father and the Holy Spirit.

Today, I am with all My beloved children throughout the world, preparing the Marian pilgrims and those who are yet to be born into the consecration to My Immaculate Heart.

Today, I come to meet you, dear children, as Mother Mary Help of Christians, because I come to the aid of all My Christian and non-Christian children, all those who seek to unite themselves to God every day of their lives.

Thus, dear children, I am the Mother of the whole world. I am the one who brings you Light and Peace to console your hearts and your pain, so that you may be reborn in My Son, who waits for you every day in prayer.

Dear children, dear children of Campinas, I am grateful for your infinite response. God sent Me to you, through the presence of Eternal Love, so that your inner flames may be rekindled.

Dear children, today I also tell you that your prayers have been heard by God.

This is a time of renewal for all My children, renewal in prayer, in families, in cities, wherever there are many of My children who need peace of heart.

Dear children, do not be afraid to purify yourselves at this time. Hold tightly to My Maternal Heart and pray with Me for the world; for, as in Medjugorje, I come to announce the peace that is so necessary for the world.

Dear children, many of My children are living an inner war and are disconnected because they cannot find God.

I need your paths to be broadened through the prayer of the heart. In this way, the Most Sacred Heart of Jesus will be with you, in joy and in sorrow, because He is present in everyone, dear children. He offered you to Me long ago, and throughout the centuries, My Presence has been close to the world, preparing the Coming of My Son for all those who want to receive Him in unity, in humility, and find in My Son the New Promised Land, a Land that will live through the heart, through peace, and through unity with God.

While much of the world continues to offend God, My Heart comes to dissolve evil, to heal wounded hearts, and to remind them of the commitment they have made to the perpetual prayer of the heart, to their inner union with the Divine Message that I dictate to them in this era, in this definitive time, as I have also done through other Apparitions in other centuries throughout the

world.

But now, dear children, from the moment of your heartfelt consecration, the Divine Spirit will assist you. That is why it is necessary to persevere at this time, when faith is fading in people due to a lack of love and prayer.

All offerings are welcome in these times: prayers, fasting, confessions, Communion with My Son, prayer groups that can rekindle what is fading in the world.

Dear children, the Divine Fire must awaken in your hearts in time. In this way, you will allow your families to prepare for the Coming of My Son, which will be announced to the world in a way that many do not know.

That is why the path of constant prayer is important, dear children. I am your Mother and I come to the aid of My children, to help and comfort them, so that all may find the peace they need, peace that is being lost in the world and that few of My children are sustaining through prayer, fasting, and confession.

I invite you to renew yourselves through the Sacraments. Consider the Bible as a vital sign for your lives, rejoice in the Gospels that My Son gave you, savor the Word of Life that will nourish you, and ignite your spirits in God.

Dear children, with My rosary in My Hands, today I pray especially for all of you, pouring out My Graces, help, peace, universal healing, and My Immaculate Love on all who need it.

Dear children, nothing is lost, be reborn in My maternal hope.

Dear children, you are stars of My Immaculate Heart.

Sister Lucía de Jesús transmits de Words of the Virgin Mary:

On this day, I gather your little souls to awaken an unknown purity in your hearts, a purity that has long been dormant deep within you.

Through this awakening, My children, I want to form, in this city, a cradle that will receive the New Humanity, so that the new Child may be born in each of your hearts, through the Good News that My Son brings day after day.

Today, My Feet rest upon this city to ignite, in your hearts, a special devotion to My Heart; because, when I pray from Heaven, I see a possibility of conversion in souls, of creating from their beings a focus of salvation for My little children, who sleep in the illusions of the world.

Today, I only ask you to live a little more peacefully, especially in your homes, in your families. That through prayer made with the heart, you may dissolve the conflicts that exist in families, so that My Heart and the Sacred Heart of Jesus may reign in your lives and you may be examples of fraternity through your hearts.

Dear children, My Presence brings a simple archetype to be radiated into your hearts. I bring only peace, conversion, which is the deep perfect union with God, the one that I was able to live on Earth, opening the way for your hearts to live it today.

Pray, pray with deep love, with eternal devotion to God, because true prayer attracts to this Earth the angels who await you in Heaven and who descend with Blessed Graces to transform the world.

My children, I do not expect you to believe in My Words, I only hope that you can experience the reality of what I am telling you today. If you want confirmation of My Presence in the world, fulfill My requests, follow the instructions I have brought you throughout the centuries, and you will see the Grace of God manifest in your lives.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, life is beautiful in God. Rejoice and smile, relieve your suffering, reveal the true smile of the spirit.

Beloved children, little children, future shepherds of Christ, come into My Arms. I do not want to carry only the Child Jesus in My Arms, I also want to carry humanity, the hearts willing to feel Me, to listen to Me, and to pray with Me for conversion and redemption.

Today, dear children, on this night, I invite you to pray for the souls who have not yet awakened, especially those who do not listen to My Message, because they close their hearts to the Voice of God.

Let us now pray, dear children, the prayer of the Angel of Peace, the one He gave to the holy shepherds of Fatima:

O My Jesus,
forgive us our sins,
save us from the fires of hell,
lead all souls to Heaven,
especially those in most need of Your Mercy.
Amen.

(seven times, in Portuguese)

At each new dawn, My children, look for the Morning Star on the horizon of your world. It will always be the sign of My coming, together with Jesus.

I thank you for responding to My call, in the joy of the Sacred Heart of the Child Jesus.

Today, He blesses you and reminds you to be like children so that you may be in My Arms, and thus find purity.

I thank you, My little ones.

Thank you, Campinas, for responding to My call!

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

Let us all sing: "The Immaculate Heart of Mary."

Now, let us share some of the things Our Lady told us before she gave us her message.

Friar Elías del Sagrado Corazón de Jesús:

During the Prayer Meeting, we were greatly blessed by the guardian angels of each of those present, guardian angels who came from different Creator Fathers, from different Archangels.

They were preparing the spiritual and inner task for the arrival of Our Mother. We could say, based on what the angels conveyed, that most of those present received Communion from a Chalice that each of them held in their hands, and the Chalice contained different liquids, waters of lighter colors, darker colors, or sometimes the color of wine; it was a Communion that they were sharing with us, in reparation for the Heart of Our Father, they said.

After most of them had received Communion from that Chalice, the angels prostrated themselves on the ground and began to pray for humanity, for this country.

Then they withdrew, before the arrival of our Mother, and for those who do not know, when Our Lady arrives, a very strong light appears at the top of the planet, in the atmosphere, as we have said on other occasions, as if it were a storm of light approaching little by little, from the moment our sister Piedad begins to sing the Hail Mary.

Thus, Heaven opens and Our Lady begins to descend, like a great sphere of Light, sometimes like a sun or like a star. And when She begins to descend with Her angels, She observes the place where She is going to descend. She sees our inner worlds with great clarity and transparency, She sees the reality of the city where we are, and She also sees the reality of what is happening in the whole world.

Before She sets Her Feet here, as She did in this hall, She also attends to different situations in the world. She often tells us that She is radiating Her Grace, Her Spiritual Grace, upon all Her children, on the inner planes, whom She calls souls.

When She arrived today, as always when She arrives, we did not know how She would appear. She always reveals to us some mysteries that are kept in Heaven and that She, through Her task, brings to us so that we may know them.

Today, as She told us, She arrived as the Mother Help of Christians, as She named Herself, helper of Christians and non-Christians alike; until, at one point, She even called Herself the Mother of Religions, because She sees in humanity that all are Her children. According to our Mother, for Her there are no differences, all are equal in the Eyes of the Father.

When She arrived as Mary Help of Christians, She was wearing a white tunic, a golden belt, like the one shown here in the image, and a blue mantle. She was standing on a cloud, and as She spoke, She held Her hands open facing downward. With both hands, She held the rosary, a large rosary, which She uses to pray.

And so, little by little, She introduced a little piece of Heaven into our beings. And that Heaven is present behind Her all the time, which we can understand as a celestial space where many songs of angels are always heard, where Peace and Love are transmitted as energies.

While She is present, watching us, She also gathers in Her Heart the intentions of each one of us, and as Universal Mother, She listens to each one of us.

Those songs that come from Heaven, that heal our hearts, that pacify our beings, are being transmitted to this plane. And, at that moment, when Our Lady is present, we experience with Her a communion with the Divine; something that perhaps cannot be explained in words, but that we could say is like a feeling of recollection, of perfect unity among all of us.

At the end of the Apparition, when She referred to Her Son, She appeared as Mary Help of Christians, carrying the Child Jesus in Her Arms, who was shining with energy and wearing a golden crown. He conveyed immense joy and, with profound happiness, He wanted to take us completely, as if He wanted to fall from His Mother's Arms to get closer to us.

Sister Lucia de Jesus:

Something I remembered is that when Our Lady came, She arrived with great joy and showed us a city of Campinas that is not the one we know. Both the physical surroundings and the people were resplendent, and She explained to us that She had been preparing this city for a long time and that here, in this city, there is a latent devotion to Her, which She had come to awaken.

She smiled a lot while talking about this city and said that God had special plans for it, as She said at one point during the Apparition, that She wanted to transform this city into a cradle for the New Humanity, depending only on the openness of our hearts.

And, as Our Lady rose at the end of the Apparition, She said She would return to this city, but She did not say when.

Friar Elías del Sagrado Corazón de Jesús:

She told me the same thing, that She would return in October, and we did not know.

Mother María Shimani de Montserrat:

So we have to prepare ourselves because Our Lady wants to do something in this place. We just have to open ourselves up and respond to Her call, and She will take care of everything else.

So we will see each other again in October. Prepare your hearts and bring someone who needs Our Lady.

Thank you very much, everyone, and may God bless you.
