APPARITION OF THE VIRGIN MARY IN BARILOCHE, ARGENTINA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Prayers:

Hail Mary (three times).

Prayer to the Angel of Peace (five times).

Most Holy Trinity,
Father, Son and Holy Spirit,
I adore You profoundly
and I offer You the most precious Body, Blood,
Soul and Divinity of Jesus Christ,
present in all the Tabernacles of the Earth;
in reparation for the outrages,
sacrileges, and indifference by which He is offended;
and by the infinite merits of His Most Holy Heart
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.
Amen.

Friar Elias del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children,

As the Lady of the Holy Rosary, once again, I invite you to prayer.

Today I come to reveal to you the Countenance of the Lady of the Holy Rosary, that Lady who perpetually prays for the world and for humanity.

Today, from the Celestial Garden, I bring you the flowers which have been given to you all, as a visible sign of My Love for all of you.

This gift, which I bring you from My Heart, I pour out over all of you and over all souls. And in this way, today, dear children, I reveal to you the symbol of the Mystic Rose, the Original Purity which I aspire that each of you may achieve in this time.

The Lord brings you together today for an important moment. My Heart reached Fatima so long ago that today it unites Fatima with the Americas through a bond of love. Understand in this sense, dear children, My mystery of Love: that all peoples may live in fraternity.

The Lord needs you to unite every day so that those wars that still take place in the world among humanity, in the thoughts and in the hearts of all My children, may come to an end. For this reason, I need your prayer, that you value what you hold in your hands, the precious rosary, for peace, for good and for love of the world.

Once again, I announce Myself to you as the Lady of the Rosary, so that you may find My doorway to peace. I call you, day after day, without tiring and without delay because you know, dear children, that I need you.

The Lady Clothed with the Sun comes to the world to announce a new time; thus, see the signs in the Words I dictate to you, and in this way, be guided, moment by moment.

In this time, I want to see hearts strengthened by prayer, hearts that can call other hearts to prayer; in this way, the new world may be built through peace.

Dear children, let your hearts no longer be disturbed; let them enter into the Kingdom of My Love and My Peace because I wait for you. Know, dear children, that I am guiding your steps. For this to happen, you must allow it. Thus, you will also be able to draw My Son closer into your lives, because what I most desire in this time is that you may dwell eternally in the Heart of My Son.

I seek you at all times, dear children, especially when you distance yourselves from prayer. It is necessary to persevere in faith, the times are already critical and from everybody, the Lord desires good souls, souls that can build the New Humanity.

The Rosary will be the bridge to achieve that promise. In this way, Graces will come to the world for all of you.

For this reason, understand, dear children, that the time in which you live is a different time, deep changes in consciousness, and actions that are contrary to the Plan of God. Thus, correct your lives through prayer so that My Heart will be able to lead you along safe paths.

Dear children, we are in times of Mercy. Enter into that ocean of Love through prayer of the heart, and when you achieve that state of prayer, you will be able to form renewed groups of prayer that will be pillars of My Maternal Heart.

Dear children, Mercy carries you into liberation, the complete transfiguration of your lives; and in this way, My children, you will be able to perceive, in silence, in fasting, and in prayer, the signs of Heaven.

Many souls must awaken through you. Be a living example of humility for all, give charity to all souls, love one another. For My Son will come to the world to see if you have learned and so that you may grow from your heart.

In My Hands I carry the roses of Light to lift them up to the Lord, these are the prayers of all My children, permeated by My eternal prayer. It is a gift of glory to the Lord by the Grace He granted Me, to come to the world as the Lady of Prayer, the Lady of Eternal Faith, the Lady of the Holy Rosary.

With the heart, contemplate each bead passing through your hands. Let the prayers not be mere words, but flowers of love, inexhaustible sources that emerge from your hearts, for in this way, your hearts will be united with God.

This call, which I broadcast at this time in Medjugorje and here in the Americas, is to awaken My children in time. If your hearts do not unite in groups of prayer, how will you bear the celestial currents?

It is time to mature in consciousness through forgiveness and reconciliation. When your hearts are in conflict, elevate that feeling to My Immaculate Heart. I hope you will be able to close your wounds through a gesture of redemption.

I aspire that you may reach My Light, dear children.

The times are changing day after day, the continents also change rapidly, and so, I could tell you that the Kingdoms also change, who will aid each one of them? They are part of the precious Creation of the Lord which must also be contemplated in prayer.

Now understand, dear children, that My call to the Americas is for the rebuilding of the world, through the example of peace and fraternity. In this way, God allowed Me in these times, as the Mother of the Divine Conception of the Trinity, to bring an ecumenical Message to the world.

I have need of the hearts that have never known Me. I have need of all those children who follow other footsteps, who must be guided in this time toward the path of the Lord, the path of Jesus Christ.

Now you understand, dear children, how important it is to radiate peace. Many hearts suffer through the lack of peace, because they also do not truly seek it.

Thus, today I reveal to you the sign of the Holy Rosary, because in this so simple yet powerful prayer can be found the keys of Paradise, for your conversion and redemption.

Whoever honors the Holy Rosary of My Heart will be contemplated by My Countenance at the last hour of their life and I will not allow them to enter the Final Judgement, but rather to enter Eternal Paradise, because I will be their Mother Mediator, the Flower that will give them the aroma so that they may reach the Light.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

I want you to understand, on this day, that the commemoration of My Apparitions in Fatima has a spiritual reason.

Each year of My Apparitions, in which My little children remember My Presence in the world, I once again bring to this world every intention that My Heart had; each request of God at that time so that, like My little children of Fatima, today your hearts are able to give an example of devotion and achieve peace through purity.

When My Heart comes to the world, My children, carrying a rosary in My Hands, opening the Heavens so you may come to know My Kingdom, all of the universe contemplates My Presence, all the angels of My Kingdom stop to accompany My steps, to save the souls that return to My Heart at this time.

Today, I only ask that you follow this example of love, of simplicity that My little shepherds of Fatima were able to achieve.

Today, within your hearts I sow original purity, so that in this way, you can receive the impulse to continue forward, to follow My Heart in this mission of the salvation of souls, preparing the path for the coming of My Son.

In this time, dear children, I want to prepare the soldiers of Mercy who will be awaiting the glorious coming of My Son in His Face filled with the Spirit of God. Through prayer and the confession of the heart, little by little, you will be able to allow this purity to grow within your beings.

Never forget, My children, to be untiringly in prayer, to uplift the voices of your hearts to the Creator, to place each one of your intentions at My Feet and at the Feet of the Lord, because in this way, I will be able to aid you.

But if you do not pray, if you do not seek Me, how will I be able to guide you? How will I be able to lead you to My Kingdom? In this time, all that I hope for is to find prayful, merciful beings who recognize the importance of prayer, the grandeur of the instrument they have in their hands.

As the Lady of the Rosary, I place this symbol within you, this symbol of peace, of conversion, of the eternal love for God, because through the love of your hearts, many souls that today are in darkness will be able to find My Kingdom; they will be able to find that Light which, generated by the prayer of the heart, will show them the path which leads toward My Heart.

Do you understand, My children, the importance of being a prayful being, of gathering together to truly pray with love; of praying, being renewed at each bead, uniting with My Heart?

Each time you gather to pray, My Heart contemplates the world, contemplates the sincerity of your souls, and transforms each of your prayers into rose petals for the Lord. For in this way, God will allow Me to spend some more time with My children, and to be a little longer with the souls that do not hear Me, that are no longer on this Earth, but that cannot manage to reach My Kingdom.

For this reason, pray, pray lovingly and truly. Never forget to confess to My Son, to wash your hearts in His Fount of Mercy, renewing yourselves through the Forgiveness of God.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

And in this way, My Words pierce your hearts and souls, so you are able to feel that I Am the same one from Nazareth and the Mother of the New Era, the Holy Universal Mother, who gathers together all the children of the world in Her ships of Light.

I also come to bless you on this night, dear children, so that in the next meeting with Me here, in Argentina, I may receive, in this time, many of My children who will also want to awaken to My call. I will wait for you at that meeting with joy, and I will hope to see many more blossoming fruits, the fruits that I place in your hearts today, the fruits that are given by the Love of My Son.

Open your hearts and let your souls expand to receive in this blessing the rose Light of My Heart, the rose Light of My Eternal Love.

Prayer: Hail Mary (in Croatian).

Mother María Shimani de Montserrat:

We will sing: "The Flight of the Holy Spirit."

The Mother asks that the group from Bariloche, who organized this meeting, come up on the stage.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Let the Spirit of My Peace eternally gather you as souls, so that we may always come together in prayer and in contemplation.

For all that you have done, dear children, for the efforts and the dedication to My call, I thank you eternally.

May the Love of the Father, the Son and the Holy Spirit reverberate in your hearts forever.

Live for the Luminous Sign of the Cross of My Son, aspire to redemption.

I love you and I thank you!

Mother María Shimani de Montserrat:

Very well, we will share some things that Our Lady has asked of us.

Friar Elías del Sagrado Corazón de Jesús:

As She told us today, She came as the Lady of the Most Holy Rosary, and in truth, we could not explain the beauty of that Presence, because of Her Light, which truly enveloped Her completely. And as She also said to us, She brought roses from Heaven in Her Hands and offered them to us.

When She began to speak during the Apparition, She was also carrying out an inner task with us, with those of us who were present and with those who are not here.

That Light of the roses gradually reached our souls and a feeling of heat, like a fire, began to enter into our being, while She expressed Her Words.

She came with an army of Cherubim, the little angels, who are the most powerful, and who accompanied this task She was carrying out.

She wore the Crown of twelve stars and the rosary in Her Hands. And for some moments, we were here and we were in Fatima, in a space of Fatima, a space that was not physical, very much like Paradise and which She showed us.

During the transmission of Her Words, we felt that through them, She was working on us, and silently, with great care, She was healing our heart. Our wounds became evident, and She contemplated them with great compassion.

More and more, She brought Her roses closer to our hearts to bring relief to our pain, a pain She deeply knew and which was different in each of us. And we felt that the pain She was healing was the pain of all of humanity, a very ancient pain that She was beginning to treat, to slowly heal it.

In light of this situation, we felt that Our Lady was only just beginning this task, after so many Apparitions throughout time and throughout the centuries.

She told us that She was only just beginning to touch the heart of humanity. For this reason, Her work, Her task was very deep and took a long time, a different time than what we experience, which She calls celestial time, divine time.

When She called up the group from Bariloche, before She named them, She said:

"Dear children, I am truly very grateful, I am beginning to reach the heart of the Argentines; for this reason, I bless these roses that are here for the brothers and sisters of the group from here, from Bariloche."

And after those Words, when the group was here, She showed us that we were a single essence, that there was no difference between us. It was something truly profound that could be felt, which could not be described in words, it was like a light She showed inside of our being and, in Her Presence, She showed us how all of us communed of Her Maternal Spirit.

At the end, as a special Grace, She gave us the date of Her Apparition in Mendoza. She also said, when She was saying goodbye:

"Dear children, I want to visit two places, because I will need to unite two places: San Rafael, on the 12th, a day of a Vigil of Prayer with Me, and the capital of Mendoza, on the 13th."

And under the sign of a Light, She disappeared.

Mother María Shimani de Montserrat:

It will be in October.

Friar Elías del Sagrado Corazón de Jesús:

Sorry, I forgot the month, there are so many dates.

Sister Lucía de Jesús:

While the Friar was talking, we slowly perceived how the two of us were perceiving the same thing.

Something Mary asked that we add, which She said would be important, is that, at the moment when we were praying in Portuguese, the three little shepherds of Fatima appeared as children, at the portal which, behind Her, showed the Kingdom of Fatima, as She called it. And they knelt before Her and prayed with us, including in Spanish.

Afterwards, when She told us that She was uniting Fatima with this place, during this Apparition, She said it was not by chance that on May 13 She was in Bariloche.

She showed us the Kingdom of Fatima with many lakes, mountains, and She asked us: Do you see how My Kingdom is similar to this city?"

And She explained this, at the moment when She was blessing the group from Bariloche, the Light which was coming out of Her Heart was impregnating the whole group and symbolized a blessing for all the inhabitants of this city, that this blessing She was giving the group from Bariloche was extended to all of them.

And when She asked us to give the roses, She said that when She makes this request, it is a symbol of Her prayer united to our own, which manifests as a rose and that each one of the group should hold on to this symbol.

Friar Elías del Sagrado Corazón de Jesús:

We only wanted to add something to Sister Lucía's account, that I remembered, during a moment of the Apparition, in which Sister Lucia, the visionary of Fatima, appeared together with her cousin Jacinta, praying with

Mary.

Mother María Shimani de Montserrat:

Well, I cannot be left behind, I will have to say something.

In general, I tend to perceive some more subtle things.

And today, more than ever, I believe that during the whole time of the Apparitions, the Presence of the Mother was so strong and so overwhelming that we thought we would not be able to remain standing on the stage. We felt a physical sensation that we had never felt in the Apparitions.

We sometimes say some things to the Mother, somewhat privately. And today we said: "Mother, if You want us to remain standing here, please do something, because we fear we will not be able to remain standing."

We have a certain capacity for sustaining a certain voltage of energy, but we have been able to perceive that at each Apparition, this voltage increases a lot and what is most extraordinary is that we all receive that energy from our Mother.

Each time that Her Light impregnates our beings, many things are changed within them, things that we are going to be able to clearly perceive in the future because we will gradually change, Apparition after Apparition, almost without realizing it.

So She always invites us to go on pilgrimage with Her so that we are able to receive Her Light and Her Love.
