Dear friends, I am writing to you from the Holy Spirit.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.

I want to tell you that I am very close to you.
