

*Misericordia  
María*

This CD is the fruit of an answer to the call of Mary, our Divine Mother, for us to pray with an open heart. The music and the spontaneous singing are the forms expressing original purity by means of harmony and words with rhythm. It is the voice that comes from the soul directed towards the Higher, a prayer that searches for the stars. Thus...

... PRAY IN PRAISE AND IN UNISON  
FOR PEACE ON THIS PLANET.

The contents of this CD were recorded in Figueira, Brazil and in Casa Redención (House of Redemption), Uruguay during the Winter and the Spring of 2012.  
Recording and graphics were done by Volunteers from the Association Irdin Editora.

## MUSIC OF THE COMMUNITIES OF LIGHT

For some years a group of individuals have composed and performed music – in the Community of Figueira, Brazil and in the Community of Fraternity at the House of Redemption, Uruguay – as part of a work of inner alignment, to open the path for silence and for the voice of the soul.

## COMMUNITIES OF LIGHT

Communities and spiritual centers dedicated to sowing a new way to live and to bring about harmony with the rhythms of the inner world.

## *Luminous Bird*

Luminous Bird,  
our lives shine  
beneath Your Universal Presence.

May the Heart of Your Divine Mercy  
relieve us of all pain  
and protect us from all evil.

Divine Mother,  
Your Light will reign forever.

## *Revelations in Aurora*

Mother, in Aurora  
you told us the Truth  
that this Earth is touched  
that nothing anymore will detain it  
that we pray, that we sing  
because everything will change.

Mother, you told us,  
from your heart you will feel Me,  
that the eyes that with faith  
opened up will see Me;  
that in August, in Aurora  
My presence will be.

Mother, Your message  
of warning You leave,  
that the prayer of Your children  
open the door through which You enter,  
that You bring us the good news  
that Your Son is arriving.

Mother, give us strength  
and courage to overcome,  
these changes, these trials  
that the planet will face.  
  
Mother, may Your love  
protect us and give us peace,  
bring us peace, bring us peace  
peace... peace... peace..., Your Peace.

# *Encounter with Mary in the heart*

Mary, Your face illuminates my heart.  
Mary, I hear Your voice calling me  
in the cry of the simple,  
in the souls that clamor for liberty.  
Mary... in the world in pain,  
in each essence empty  
of love, of forgiveness, of light,  
I encounter You and I hear your call...

Who will take My heart  
to pour out as a fountain of redemption?  
Who will plunge with Me in this abyss?  
Who will offer themselves in sacrifice?  
Who will overcome fear, pain and suffering?  
Who will watch over the sister's essence?  
Who will find Me within the destruction?  
Who will relieve the pain that I feel?  
Who will listen to Me? Who will recognize Me?

I am Mary!  
Divine Mother

Light of the Morning

*This song was recorded live during  
the 48th General Meeting of Figueira, in March of 2012.*

La Madre Divina nos ha inspirado que elevemos nuestros corazones a través de la música y como ofrenda compartimos este espacio dedicado a cánticos y músicas inspiradas en las Comunidades-Luz y los Grupos de Oración.

El día 12 de Marzo de 2012 la Madre Divina nos decía con inmensa dulzura:

*“(...) Canten y alegran sus corazones, es necesario para que Mi Paz se establezca. (...)*

*(...) Recuerden cantar para Mi una vez más, no solo para glorificar al Padre, sino para aliviar Mi Corazón que carga el peso del mundo, de muchas almas que sufren hace mucho tiempo. (...)*

*Cuando Yo les pido que canten para Mi, es para que Mi Gracia pueda abrirse desde los Cielos y pueda invadir lo profundo de las almas. Por eso Yo les pido (...) que (...) canten junto Conmigo, no solo para recibir Mi Corazón de Luz, sino para que vivan diariamente en Mi Hijo. (...)*

*Alegría y esperanza para el mundo.”*

The Divine Mother has inspired us to elevate our hearts through music and as an offering we share this space dedicated to songs and inspired music from the Communities of Light and the Groups of Prayer.

On the 12th of March of 2012 the Divine Mother told us with immense sweetness:

*“(...) To sing and bring joy to your hearts it is necessary for My Peace to be established (...)*

*(...) Remember to sing for Me one more time, not only to glorify the Father but also to release My Heart that is carrying the burden of the world, of many souls that are suffering for so long. (...)*

*When I ask you to sing for Me it is so that My Grace may be opened from the Heavens and may invade the depths of the souls. For this I ask you (...) that (...) singing together with Me, not only to receive My Heart of Light but also so that you may live daily in My Son (...)*  
*Happiness and hope for the world.”*

# *Immaculate Heart of Mary*

Immaculate Heart of Mary  
Path of Protection and Guidance  
Thank you for all that you give us  
Thank you for all that you give us

## *Offer to the Divine Mother*

Mother,  
I offer this song,  
I cry out for all my brothers and sisters  
they search for Redemption

Open Your arms,  
extend Your hands  
so that they  
may reach Your heart  
and in Your love  
live Redemption

Child,  
I listen to your song  
feel in you My Heart  
To all I protect  
with My Mantle of Light

I open My arms,  
I extend My hands  
I place all close to My heart  
and with My love  
I give to you Redemption

Children,  
listen to My voice  
crying out in your hearts  
Close the doors to evil  
with prayer  
and open your beings  
to Love and to Forgiveness

Together with Me  
we carry the fire  
of Redemption  
and we activate the light  
in each sister essence  
In prayer  
and in surrender  
in unity  
and in humility  
in this way I want to encounter  
My children  
My soldiers

# *She is arriving*

The emerald of the heart  
beats strong  
becoming agitated with love  
preparing Your space with fervor

She is arriving  
Aurora, open your door now!  
She is arriving  
Divine Mother  
Divine Mother, Mary

The intraterrestrial pulsates  
manifests itself with love  
August  
the White Brotherhood

She is arriving  
Aurora, open your door now!  
She is arriving  
Divine Mother  
Divine Mother, Mary

She announces that Her Son  
is arriving  
that humanity rebirths  
the new Love  
the Peace  
The Marian Spirit  
enters completely in you  
Fill yourself with hope  
Transform your life

Aurora, open your door now!  
She is arriving

Aurora, open your door now!  
She has arrived, see Her!  
Divine Mother  
Divine Mother, Mary

## *The four keys*

When a soul walks to the abyss  
the Messenger Bird circles  
calling to Her child to return  
to the Heart of the Celestial Father

Virgin Mother it is time  
for your children to find  
the path to the Great Source  
I am as the rain  
that cleans the heart  
I am the fresh breeze  
that brings Forgiveness  
open your heart, let me enter  
in you I will make My temple of  
prayer

My children, I am Kindness  
Mercy and Piety  
I summon My soldiers of peace

Mother, teach us to walk  
the pathways of pure faith  
sweet tenderness, infinite force  
we feel when we pray with You

For Peace and Redemption  
we labor in brotherhood  
and will reconstruct this world

I come to announce  
My final call  
to those that have forgotten  
to return to God  
I leave four keys that will open  
the safe in your heart

Sacrifice, prayer  
love and forgiveness  
will free your souls
