1 When you believe that you have lost everything and nothing makes sense or has reason any longer, give Me your soul and I will do works of redemption.

2 Look, child, at your deepest wounds and do not try to escape from that which is within you.

3 Dear children, be truly open in this cycle in which the Divine Messengers will be closer, so that you may feel Our support, Mercy and Love.

4 The Light of My Rays penetrates the wounded Earth and the sick humanity to heal them.

5 Make of each learning experience an opportunity for becoming stronger and for inner maturity.

6 My dear children, may faith never weaken within you. May faith and trust in the Heavenly Father grant you the much-needed Grace of healing.

7 I pray, every day, that the most hardened hearts may be opened so that they may feel the most helpless and poor, just as your Heavenly Mother feels for them.

8 Like the breeze that envelopes you today, so will be the announcement of My arrival, illuminating the Earth, which is in darkness, so it can be reborn.

9 Make of each open wound within your chest a doorway that allows you to enter your inner universe and allows you to know yourself more profoundly.

10 In these times, the family is a focus of division and hatred because, when love is dissolved within so many families, My adversary manipulates them and hurts them deeply.

11 Only the Light of God, permeated by His deepest Eternal and Divine Love, will be able to solve the current planetary situation.

12 Dive into the ocean of the human consciousness and into the mystery of the paths of God.

13 Cling to My Mantle, place yourselves close to Me, because My Immaculate Heart will protect you.

14 Do not lose faith, do not engage with criticism, comments, unnecessary use of words.

15 The guardian angels protect souls at each moment, especially when they are willing to live according to the Will determined by God.

16 The time has come to listen to the Voice of God, which strongly resonates in the hearts that have already awakened.

17 Be intelligent, and foster the culture of inclusion rather than the culture of discarding.

18 Do not seek answers where you will not find them, listen to your hearts and do not become confused. My enemy has many strategies, he is quite cunning and daring.

19 Be hands that uplift, inspire, that give of themselves and take the risk of supporting all those who are trying to walk.

20 Abandon yourselves to the Lord, because in Him lies the way out, the overcoming of any situation and the answer in the face of any test.

21 Children, I bless you once again, I again entrust you with My Motherly Love. I am here; do not forget Me.

22 Today, I return from the Sun, so that the planetary reality and humanity may receive the urgent Grace of relief.

23 With love, I contemplate that which you were able to achieve and, with pity, I contemplate your deepest weaknesses, your most ingrained miseries.

24 May the guardian angels accompany you, may their wings envelop you in Divine Light.

25 In this time of Armageddon, companions, I call you to cross unknown oceans with your feet so that the limits of ignorance may be overcome.

26 Walk looking forward, but knowing that you are always opening the way for others and not just for yourselves.

27 May the silence of their prayers inspire you to keep taking steps towards the Redeemer so that surrender may be lived by all.

28 May today all good beings, beyond their beliefs, religion or culture, be blessed, because in essence, all are children of the same Father and Creator.

29 Do not become discouraged, because, more than ever, I am with you, now and until the end of times.

30 I know that many of you are going through deserts and challenges. Thus, may My love and My presence be water and renewal in your lives.

31 Encourage yourselves to seek the Love of God, more and more each day, so that this infinite Love that originated us may be revealed.
