4 Constantly align your consciousness with the Divine Purpose through prayer, adoration, singing, silence, contact with nature.

5 May human beings feel in their hearts the need to do good and not to destroy; the need to rebuild life, families, and peoples.

6 Open your arms, open your hearts, because the Light of Christ will shine and illuminate all the abysses.

7 On each new day, may Mercy be, for you, as a light that is kindled in your darkest, most hidden and deepest abysses.

8 May the essence of Peace, which comes from the Divine Source, penetrate into the spaces with the greatest planetary need.

9 Strengthen the faith in your hearts, for in this way you will be united with God and with His Purpose, and all will be accomplished.

10 Bring everyone to Me. Place the whole world in My merciful Heart, and they will not lack peace.

11 There is no suffering that constant prayer cannot repair. There is no wound that sincere prayer cannot heal.

12 Pray with me, pray so that the nations open up to the Will of God; pray so that the Plans of the Creator may be fulfilled on Earth.

13 Today, let the Universal Sun be born within the children of God so that darkness may be dispelled from all the corners of consciousness.

14 For your souls, this planet and the whole universe to find peace again, pray, children, pray with the heart.

15 As the Mother of all, I aspire that the hearts in this world learn to love, as My Son loved, without conditions or rules.

16 My Motherhood and Love, which come from the Most High, can reach the depths of the soul or of the most wounded heart.

17 Trust in all that comes from the Universe as instruction and let all of this become your Guiding Star in this time.

18 May your praying word, born from the depth of the heart, be tirelessly pronounced, for the Earth needs peace.

19 Today My Rosary of Light extends to the world and to each human heart, calling everyone to pray and repair the Heart of God.

20 I know that you are a being on the surface of the Earth wounded and hurt by all humanity. For this reason, I understand and accept you as you are.

21 Transcend that which is apparent and commonplace, for your consciousness to enter into the sacred and into what is true.

22 Today, My children, as the Lady of the Holy Rosary, I extend these beads to the world and I call you to pray with Me for a greater time of peace.

23 Find in prayer the secret to live peace and establish peace in the world. Find in prayer the path that unites you as human consciousness.

24 I place My hand upon you to forgive you, to strengthen you, to encourage you to say "yes" to Me until the end.

25 Choose, children, every day, the path of the Sacred and the elevation of consciousness.

26 May cultures, races, nations and religions unite; may hearts unite in the likeness of God; May your hands unite with My Rosary of Light.

27 This is the time to have the Virtues of God grow within you, in this way you will more consciously know the Mysteries of Heaven.

28 In prayer, you will learn how to love. Therefore, pray and let God Himself be the one who conducts your consciousness to the gates that you are ready to cross.

29 Have faith and persist. Persist for the divine future and for the new and renewed humanity.

30 May the Light of the Heart of God dispel interferences and, with Its Power, break all obstacles so that souls may learn to walk free of themselves.

31 The Sacred Scriptures announce the coming of your Redeemer to the world for the second time, and all are called to participate in this event.
