3 Have patience, have love, have will and I assure you that you will manage to reach Heaven and merge with the God of Love.

4 May the power of your prayers reach the Heart of the Father and open the doors of the Heavens.

5 Go and be a seed of the new in the silence of your spirit, in the truth of your service, in the humility of your life, in the sincerity of your prayers.

6 Dear children, let us pray today with all these intentions because it is necessary that your hearts be in constant service.

7 My Heart is the Temple of God that unconditionally opens up to receive all of humanity and thus help it to find the path toward the light, Mercy, and the good.

8 Mystery among mysteries is the Love that today God invites you to receive, to live, to multiply, and to distribute to the world.

9 May the joy of living and of being in God awaken in you today because in this way you will be in inner communion with the Creator.

10 Believe in the power of Mercy and elevate your supplications as flowers to the Heavens, because I will collect them to give them with love to the Creator.

11 All existence was made with a perfect equilibrium and harmony. Therefore, it must be respected and loved so that you also may be respected and loved by your fellow beings.

12 Pray, child, for the nations, in unity with all peoples and cultures. Respond to the call of your Divine Mother to pray for peace.

13 Now, on this day, aspire to be in God and in vigil, in eternal prayer for souls.

14 Receive the solar rays of My Heart and transfigure your lives completely, so that I can count on more soldiers.

15 Keep your hearts and minds in peace through prayer, and place your deepest aspirations upon surpassing yourselves in love.

16 With the sweetness of My Immaculate Heart, I again invite you to peace, for in peace you will find the way, the truth and the renewal of your lives.

17 When no one can help you, I will place you under My Mantle so that, with the angels of Heaven, you may praise God, the Source of Love and Forgiveness.

18 May your consciousness expand and may everything be healed and redeemed in this expansion.

19 Pray fervently and sincerely; pray, opening the doors of Heaven, crying out for peace, for forgiveness and for Mercy. Pray for a new life. Pray for the New Humanity.

20 Pray with Me, accompany Me in My journey through each nation, praying for your fellow being as you pray for yourselves. Children, if you do it so, My Heart will triumph.

21 Each time you exercise and practice My Mercy, a miracle of love is generated in your soul and in the soul of the planet.

22 Pray, because while you pray, within the subtle worlds the angels and archangels course the Earth, dissolving the evil that imprisons souls.

23 Conceive within you My flame of peace and free yourself from all claims and demands.

24 May an unchangeable faith be built within you, so that the unity between your consciousness and God can reign.

25 May your examples and acts be merciful, so that in the great universe of My Mercy, souls and the world may achieve peace.

26 Fix your gaze and your heart in God and not so much on the chaos and ignorance of the world. You need to make of your heart a wise and pure heart in love.

27 Do not let anything external bring you down; take each experience as the opportunity of dying to yourself a little more every day.

28 Blessed are those who live My Mercy and who disseminate it in the world with works of peace and of charity, with works of good and of brotherhood.

29 While, around you, the world agonizes, may your heart be in prayer, your feelings be at peace, your mind be with God.

30 May souls glorify the Father and may His Holy Spirit liberate them from all evil.

31 May you feel My Peace today, because you are in the place and at the time which you are supposed to be.
