**5** Rest, My child, in the Heart of the Father and, surrendering, accept all the tests of faith that He sends to you.

**6** I need, children, that you reflect about your actions and be able to recognize Me in the different masters that I, with so much love, have placed in your path so that you could learn.

**7** One day, children, the Lord told you: the Truth will set you free. And today I tell you: the Truth will heal you.

**8** Retreat into the silence of the heart and pray, pray until you can dissolve any feeling and thought contrary to the light.

**9** Today My Hand extends to you and to the world. Today My Arms open to embrace humanity and the planet.

**10** In the battle of these times, vanquish yourselves every day, in order to know how to make yourselves available to planetary service.

**11** Be sustained by the confidence of knowing that God loves you as you are and that, in spite of the circumstances, you must always do what is best.

**12** I am with you, children, in each new test as well as in each inner victory, supporting you and protecting you in each stage.

**13** On such a blessed day when I gather you all together in My holy Temple, I come to give you My Peace so that you may multiply it in the world.

**14** Walk with love towards the goal that you see before your eyes. I will always help you get there.

**15** The infinite and divine Love that can awaken in each human being has the capacity of forgiving and of transcending any error committed.

**16** Look around you, companions, and you will perceive how much need there is in the world, especially in souls that cannot find God.

**17** Drink from the experience of those who were tested and transcended human life, to find Christ hidden and alive within themselves.

**18** Through compassion, the consciousness can understand everything beyond appearances.

**19** In compassion, one manages to transcend their own will and the constant habit of control and ownership.

**20** This is the time and the moment in which your hearts will be able to work in the Name of the Lord, and that I can count on your hands and arms.

**21** Silence will be your best friend in these times and will open the doors of your heart so that you may find the bridge that unites you with God.

**22** Love is one of the great spiritual and physical revelations that the Eternal Father sowed with all of His Intelligence in His creatures.

**23** May your hearts open to feel My Peace, and thus they will be liberated from the faults of the world.

**24** The planet needs healing. Souls need healing. Cells need healing. Life needs healing.

**25** I am Mother and love each being. I wish the best for your life and the triumph of My Son in each Christic essence.

**26** The Eternal Father, in His great Humility, has placed Himself within each creature so that His children could learn to find Him and to feel Him very close.

**27** My Love does not cease to be poured out upon the world through My Divine Mercy; whoever believes in this must live it because they will be safe.

**28** I know, child, that it is not easy to forget oneself in order to carry out the Plan of God, to serve and transcend one's human condition; but this is the essence of Love.

**29** May love be the perfect reason to understand and accept everything. May love be the pathway that will convert the impossible.

**30** I want to see more missionaries who carry My Peace to chaos, My Light to darkness, My Love to wars, and fortitude to those who are hungry.

**31** Healing is to attract, from the depth of beings, the Laws and divine principles that manifested life in the beginning of all things.
