DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN SALTO DEL PENITENTE, MINAS, LAVALLEJA, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear Children,

My Immaculate Heart is the great pink and magenta crystal of the Celestial Universe that descends upon the world to pour the rays of conversion over men and over the kingdoms of nature, kingdoms that are outraged by ungrateful souls.

My Immaculate Heart is the great crystal of the Celestial Universe that approaches the planet in order to relieve it and mainly to deliver to it the peace that it is losing.

Each of your hearts can be a crystal of light like Mine. The prayer of the heart not only ignites the sources of all praying mirrors but it also illuminates the hearts as crystals of love and peace.

For this, I ask, children of Mine, that your hearts work with prayer in order to be converted into precious crystals within My Kingdom, into crystals that radiate purity, mercy and compassion.

When your hearts harden like a stone, the greater crystal of My Heart must work in order to pour out new flames of light that purify the heart and all life. Despite the time of purification, your hearts can be these awaited crystals of light that help to spiritually elevate the planet towards the Kingdom of God.

There, My children, as one crystal of peace, we will be one in God, and one in Christ, the High Priest.

I thank you for responding to My call!

Who converts you into crystals of light and of prayer.

Your Mother Mary, Rose of Peace

DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM SÃO JOSÉ DO RIO PRETO TO SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through My Immaculate Heart, the Heart of the Living God, I have the authority and the full Grace of being able to free you from any pain or error.

It is through My trusting Heart that I give you the possibility to make your paths precious pathways of light and of love.

Who unites with My Heart should know that they will share with Me the joy I feel, as well as the anguish I see, in all My children of the world.

Who unites with My Heart will suffer with Me and will bear all things for the good of this sick planet and for the redemption of those who have not yet applied themselves as servers of Christ.

In My Immaculate Heart, I reveal the Divine Will of God to you and the faithful purpose of fulfilling it above all else.

Day and night, moment by moment, I invite you to rediscover My Immaculate Heart, so that in your lives I may awaken the feeling of silence and of parenting with your brothers and sisters.

In Divine Fraternity, I invite you to live, so that little by little, the story of this humanity may change course and a destiny of light and of redemption may be rewritten again.

Thus, every day I invite you to live in Me, so I may work in each of you; in this way, your doubts will be dispelled, and Peace and the Sacred Trust of God will reign.

I invite you to permanently be My instruments of Peace in the world.

I thank you for responding to My call!

Who gathers you in Jesus Christ,

Your Mother, the Virgin Mary, Rose of Peace

DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Today I pray that the Immaculate Heart of Mary may provide shelter to the lost souls that cannot find meaning within their lives, that are confused and do not know the reason for their existence, that do not know the Love and the Grace of God.

Today I pray that the Immaculate Heart of Mary may take in the fragile souls that struggle to be faithful and give way to the temptations of the world, becoming lost in vices, which yield to chaos and evil.

I pray that the souls that cry out for help see the arms of the ever-Virgin Mother of God reaching out to the world. May you take those firm and delicate hands, which cross the universes and the Heavens, in the face of the Law of Justice, and they pour out Mercy upon the world.

I pray that the Immaculate Heart of Mary may be known, that souls may know how to revere the Love of a Mother that deters the Laws and the Anger of God, and cries out for Her most lost children.

In times of transition and definition, children, I pray that souls understand that the Love of the Virgin Mary goes beyond all human understanding. She takes even the most lost souls by the hand and leads them to the Son, Who leads them to God.

Know how to pray with the Most Holy Mary, not only for peace, but also for forgiveness, for hope, for the salvation of the greatest sinning souls, because it is She, children, Who cries out to the Firstborn to place His attention upon the water that must be transformed into wine; She is Who supports the cross of Her children, Who perseveres beyond sorrow, Who remains standing; it is She Who teaches you to serve in silence, to manifest and perpetuate the Plan of God, even when God seems to be absent. She teaches you to be in the Father, in all circumstances, making of your own lives the doorway to the Kingdom of God.

For this reason, I pray, so that today She not only be honored but, above all, you may live in union with the Immaculate Heart of Mary.

You have My blessing for this.

MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF QUITO, ECUADOR, TO THE VISIONARY SISTER LUCÍA DE JESÚS

From where the Breath of the Spirit of God is born, comes My Immaculate Heart, from the purest emanation of the Love of the Creator for His creatures. From there comes the Divine Womb of Creation, which gives life and spirit to all beings, and which not only creates, but protects and accompanies all that has been created.

A bridge to the heart of God, My children, this is how My Immaculate Heart is expressed and manifested in your lives and in all the Creation.

More than the Mother of the Son of Man, I Am the Mother of Life, life that is born and emanates from the deepest Love of God, and for this true Life I come to guide you.

I come to place your eyes in Heaven, on the intimate mystery of Creation, but I also come to place your eyes on Earth, in the intimate mystery that is kept in the reason for the creation of this planet.

I come to reveal to you the Infinite shown through the Portals that I open to reach the world, and I also come to reveal to you the mysteries that emerge from Earth when My Feet touch the ground.

Children, this is a life of mysteries where chaos lives with the most profound Love of God, and where the greatest treasure of creation hides among human beings, as pearls in the swamps of the world.

My Immaculate Heart reaches you at this time not only to rewrite your histories and to give you a new opportunity to serve God. My Heart also comes for you to know your origin, your divine and universal history, and so that, by recognizing what you have to transform in the depth of your spirits, and at the same time knowing the potential you have to do it for yourselves, beloved children, you may know how to write the history of Redemption of this planet.

Your history does not begin in this world. The Origin of Creation is more than the clay that arises from human beings. Your beings come from a Perfect Essence and from unimaginable Sources of eternal Love and donation, which create and recreate the Universes.

If you want to find the truth about your spirits, My children, today I open for you the doors for this. Just place your eyes in Heaven, but also know how to contemplate the Earth. Know how to read the symbols of the stars, and to see these symbols in your hearts; but also know how to read the symbols of the Earth, which renews itself through Nature, which shows the human beings the path to recreate this creation.

I am also Mother nature, the Mother who donates life and surrenders Her own life for the renewal of the world and of Her creatures.

Know how to see in the entrails of Earth the story of surrender and love that this planet has lived throughout the centuries of its evolution.

Know how to see life moving for the creatures to grow and, although often Nature seems to show its fury, My children, know how to see the Grace of God and His Justice. Nature does not get angry. Nature renews itself and gives the human beings the possibility to renew themselves.

Know how to see in the cycles of Nature how this planet donates itself constantly so that there may be life on its surface, for so that there may be evolution and love.

Enter in communion with nature, My children, and you will be able to know the mysteries that are written in its silence.

Nature speaks to the human beings through its simple existence and keeps in it the history of the evolution of humanity, transmuting and transforming what does not correspond to the purpose of this world, and offering to the human beings, in its most beautiful expression, what moves them to discover the love and the unity with God.

In nature is kept the history of humanity from the beginning. The most beautiful and pure that the human being can reach and live is kept in the depths of Heavens as in the entrails of the Earth.

Stay before Nature, children, as the stars, and you will know without understanding that this life is much broader than what is kept in the Sacred Books.

And to discover your own history, it is necessary to look at heaven as to the depths of the Earth; it is necessary to look at the spirit and to let oneself be guided by the soul, but also to know that what is kept in the depths of the human condition, that there are not only capital energies and illusions.

This is the time of Truth, and the Truth is expressed in all things that come from the Heart of God. His Consciousness inhabits everything, one must only silence the heart and observe, give oneself the opportunity to deepen one's own evolution and, so, serve this world that sleeps in the middle of chaos, that loses itself in illusion.

Today, My beloved children, I come to bring you impulses that will take you to deepen your spiritual life, to the awakening of the truth within you and to your profound union with God. You only need to listen to My Voice and follow it.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace

I Am the ray of Devotion. By means of My Perpetual Prayer the Father relieves humanity. The universes, suns and stars congregate themselves in their spaces in order to give, from time to time, a spiritual impulse of light to humanity. My Devotion is ignited in the simple hearts and the power of the ray of My Devotion is able to show itself in the good souls, in those souls that know how to listen to the heart.

I Am the ray of the Rhythm and of the Ceremonial. By means of My Existence the Father orders the spiritual and material life. He gestates a unique opportunity of communing with the Greater Source in all of those who follow My call.

My Universal Heart is the regent of all of the rays because the different rays also express themselves over the planetary life and they are like great paths in order to live the experiences of faith, of love and of compassion.

I wish that you also know Me as the Sacred Mother of the Rays. In this way you will recognize in My presence the faithful and powerful Divinity of God, that from the beginning has been the Source of Love and of Truth.

God sends His first seven rays so that humanity may be able to know that it will learn and evolve by means of the path and of the life of these rays. In this way no soul will remain without receiving the opportunity of learning and of growing.

The Sacred Rays of My Heart are divine laws that will be able to consecrate your lives again.

I will thank the brave ones that will seek the rays of My Heart!

Thank you, Norway, for opening the doors to the Graces and to the Divine Opportunity!

WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY LUCÍA DE JESÚS

May the Purity that springs from the Fount of the Heart of God inundate souls and renew them.

May the Purity that springs from the Heart of God permeate beings and awaken them.

May the Purity that springs from the Heart of God fill hearts and reveal Peace to them, reveal Love to them, and reveal Grace to them.

May the Purity that springs from the Heart of God reach all souls and lead them to the Truth, hidden until today, of the perfect union between their Celestial Mother and God.

May Purity, children, dissolve ignorance from the human consciousness, and above all, the pride that prevents it from reaching Divine Mysteries for believing that in its smallness all knowledge, all wisdom, and all truth can be kept.

May Purity open your eyes and cleanse them so that they may see the world and life always as if for the first time, like someone who is facing something that is completely unknown to them.

May Purity allow you to see everything as if for the first time and may the interest for that which is new open the doors to the Mysteries of God for you

Blessed is the heart that contemplating its Divine and Celestial Mother, discovers Divine Motherhood in Her.

Contemplate the Son of God, but also contemplate the First Tabernacle that held Him, and discover that as it is on Earth, so it is in Heaven.

Know and recognize the Greatness of your Divine Mother every day, with the simple gratitude of being before Her Immaculate Heart, for Her silence talks greatly to the heart that knows how to listen beyond words.

Contemplate the first and eternal Tabernacle of Creation, which is the Womb and the Heart of Mary, that held within Herself not only the Son of God, but also everything that was created by the Father.

May the Purity that springs from the Heart of God reveal to you this and many other mysteries that are in Heaven as on Earth.

Be eternally grateful, and in simple gratitude, you will see the Heavens open before your hearts for revelations that humanity must know and that are not to be found in the Sacred Books.

This is the time of the new revelations.

May hearts open to the Truth and may the Purity that springs from the Heart of God grant you the Grace of Awakening.

Your Father and Friend,

The Most Chaste Saint Joseph

WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

As pilgrims of life, follow the sign that is indicated to you on your path, the star that marks the path to My Immaculate Heart, because in My maternal Heart you have a dwelling to return to, every time you need.

This is the time for you to learn to live within My Heart at all possible times. In this way, My children, you will be supported by the power of My Love, by the great celestial shield of My Heart.

My Heart is this great fort where you will be able to be in vigil, attentive to the events of these times, available and whole to enter the field of spiritual battle; because the hour is coming when My soldiers will enter the space of adversity to dispel the harassments and, with me, through prayer, rescue those who remained spiritually lost.

I need you with a different attitude from the one you have had up until now. I need you within the spiritual command of My Son, just as the Guardian Angels, attentive to and waiting for the next convocation, because in this end time that is drawing close, all is permitted, and you must only seek the Light of the Heart of My beloved Son, which will shine unmistakably in the shadows of this world so that, as a safe harbor, souls can arrive upon firm land.

Children, listen attentively, live My Words, practice them, this is the unknown time of the Armageddon, because, in spite of the dark night, in our Messages lies the fortitude for the weak, the breath for the helpless, the faith and the determination for the tepid of heart.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace

**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

In My Spiritual and Immaculate Heart you will find the protection and the help that My Maternal Love wants to pour for each one of the sheep of Christ.

Dear children,

With your hearts directed towards the Heights, I invite you to be in peace and to search for this Eternal Peace in the depths of your souls. It is the time and moment to prepare the heart for the coming of the Good News that My Son will pronounce for each one of your lives.

My children, looking at this world with compassion, I ask you: pray with the heart! Because if you do not pray with the heart, the precious instrument that God has given to you will lose its spiritual strength. The world lacks a deep and loving life of prayer. Through this prayer all My children can be guided, as the Holy Spirit guided My Immaculate Heart.

My Maternal Heart counts on all the hearts open to respond to My call, a call that My voice pronounces from Heaven to this entire humanity that is deaf to the Divine call to the conversion of the heart.

For this reason, dear children, I invite you to convert all that still needs to be converted by the merciful fire of My Son. I talk to you with love so that your consciousnesses may awaken and not fall asleep when My voice lovingly manifests Itself to you.

I ask that you follow the path of consecration to My Heart because in this way you will give Me permission to guide you towards the state of peace that you must now live as a premise for your lives.

Dear children, never tire of praying. Constantly elevate prayer towards the Heights. God, attentive to the supplications of My children, will respond to you. Trust in this so that in this way you may love the Celestial Will.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
