DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF LAVRAS, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through My daily Apparition, I bring to the world and to the souls a very potent flow of the Mercy of God so that it enters into all the spirits that, day by day, need of expiation and love, so that some day they may be able to live redemption.

By means of My Presence and through the Mercy of God, I pour the codes of healing and reparation so that the souls may liberate themselves from the vicious chain of mistakes and humanity may awaken to the reality and the need of these times.

Therefore, Mercy does not only bring expiation to souls, but also to the consciousness so they learn to make the correct decisions and stop making hasty decisions.

The Mercy that comes from Heaven also absolves the souls, and so cycles of opportunities and of graces come to those who profess their faith, day to day, no matter what mistakes they make.

Mercy grants the necessary peace to be able to transform what needs to be transformed.

I thank you for responding to My call!

Who bless you,

Your Mother Mary, Rose of Peace
