Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

I bring the Light of My Heart so that souls may light their paths.

I bring the Light of My Heart so that My children may find the pathway toward love.

I bring the Light of My Heart to pour it out upon the planet and all of its consciousness.

I bring the Light of My Heart so that souls abandon their abysses.

I bring the Light of My Heart so that humanity may receive the Grace of being redeemed.

I bring the Light of My Heart to make this planet a sacred place, as it was in the beginning.

With this Light that I bring, My Heart can dispel evil.

With the Light I bring within My Heart, I can touch each soul that needs it and free it from its errors.

With the Light I bring within My Heart, I grant inner freedom and the opportunity of uniting more and more each day with the Creator Father.

With the Light I bring within My Heart, I lift up consciousnesses toward new spheres.

May this Light that emanates like a spring from My Heart accomplish the Work of God in souls and in all creatures that must wake up to their redemption.

I thank you for responding to My Call!

Who blesses you,

Your Mother Mary, Rose of Peace
