Daily Message received of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

Like the wind of Spring, strong and vigorous, I will enter the lands of Argentina to announce the last cycle of redemption before all the earthly purification is unleashed.

I will go again to meet with My children. I will specially pray for those that have removed Me from public places so that My adversary could be the regent.

But I will not rest. I will bring all the armies with Me, and the great spiritual battle between the Kingdoms will begin, so as to define what nation and what people will remain protected by God.

The time has come to face My rival, of stepping firmly on the head of that which generates sorrow and a lack of repentance.

I will come like the wind of Spring for My Argentina, to remind it that it must sustain the dogma of faith to even further attract the Mercy of Christ.

Time is indicating the great moment in which everything will be defined so that a new humanity can be born free of errors, ignorance, and indifference.

I will come like the wind of Spring to bless and redeem Argentina, so that it may receive a spiritual Grace that can save it.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
