WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE AND MOTHER OF THE COMMUNITY OF FIGUEIRA, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

What would happen if you did not pray the Rosary every day?

Within the prayers of the Rosary the most powerful universal decrees that you can think of are kept. Especially in the decree of Saint Gabriel the Archangel in which lies the revelation of the Mercy of God.

Dear children, now that you feel the Holy Rosary within your hearts, learn to love it just like the water that will quench your thirst in the desert.

This is the time of the great definition, when souls choose to be near or far from God.

Therefore, I ask you to pray the Rosary, so that souls may not continue becoming lost, so that suffering may be soothed, so that peace and healing may be established in humanity.

Children, I will keep counting on your prayers in the days to come, until My Son returns to the world.

The Rosary will not allow you to become lost nor be attacked by the adversary.

The triumph of My Plan of Love and Mercy is in the persevering souls, in the prayer of the heart. In this way, your faith will not be weakened. Your faith will lead you to accept and understand your fellow being.

I thank you, and today, I give you My maternal blessing.

I thank you for having responded to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
