DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO JOSE DO RIO PRETO, SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am The Aparecida of Brazil...

On this holy day, dear children, when your Heavenly Mother is honored on the altars of the Sanctuary of The Aparecida, I wished to address My words and My maternal message to all the pilgrims and devotees of Brazil.

It is for this cause and for this holy celebration that your Mother The Aparecida is the patroness and spiritual guide of the Brazilian nation, which has suffered so much in the consequences of colonization and slavery.

For this reason I am the Black Virgin, I am the Mother and Queen of the ancient slaves. I am the one who is in Brazil to protect it from domination and from the chaos of these times.

I am in My beloved Brazil to protect its natural and spiritual wealth; I am in Brazil to teach souls to live their redemption and their moment of forgiveness.

Here, in these lands, I have appeared to give testimony about freedom and shelter the entire black race, the original race of this humanity, which was decimated by the white race.

I have come to Brazil as the Black Virgin to be able to unite the peoples and nations through culture, language and divine spirituality.

The Virgin of Aparecida comes to heal the past and close the doors to the slavery that took place between Africa and the Americas.

Today I come to save those who are marginalized and exploited in this time; this is why I am the Black Virgin of Brazil.

I have appeared in these lands to present to My children the spirit of equality and justice. I come to sever the chains of mistakes that are experienced in this people, and I come to guide consciousnesses toward the Grace and Mercy of God.

I am the Black Virgin of Brazil, because I want to teach all of My children that they can see human beauty without contempt for the type of race, but rather through the likeness that God has instituted between Himself and the human being.

I am the Mother of all the blacks and of the slaves.

I am the Comforter of human suffering.

I am the Universal Judge of all the peoples.

I am the Advocate of Brazil.

With My Maternal and Marian Spirit, I come to ask all Brazilians that you take care of and protect your nation from the destruction of nature in the Amazon and of all the native life that flourishes here.

I am the Guardian of the natural beauty of Brazil, therefore, I implore all My children, that you protect this precious Eden that is Brazil.

I ask you to no longer pursue that which is innocent, I ask you to protect peace in the Eden of Brazil.

On this day in which all the pleas are directed to My Immaculate Heart, I would like to see faces of joy on all My children from Brazil so that, along with you Lady The Aparecida, we may have the Plan of God triumph in this dear nation.

I am grateful for the sincere devotion of this people, and because of that I return on this day so that, during the Vigil of Prayer for Peace, this impulse of joy and of devotion may bathe the entire world.

Brazil is the green and devoted heart of the Americas; here the Father has deposited a Purpose, and today I teach you to live it with love, charity, and awareness.

Open your hearts even more, and at the feet of the altar of your Lady The Aparecida say: *"Little Mother, Lady of Brazil, here I am to serve you in honor of Your Beloved Son."*

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace and Mother of Brazil
