DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN EINSIEDELN, SCHWYZ, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through the meditation of the Sorrowful Mysteries, what does the agony of Jesus in the Garden mean to you? What does the flagellation of Jesus mean to you?

What does the sorrowful crowning of thorns mean to you?

What do the three falls of Jesus with the Cross mean to you?

What is the value of the crucifixion and death of Christ to you? And the moment in which the spear thrust His side and poured out Water and Blood?

Have you understood the greatness of these merits?

In some part of your being and of your consciousness, all these facts and true experiences of Christ may be resonating.

Why should they resonate?

Because in communion with these mysteries, you will be in perfect communion with Christ, and you will allow all the merits of the Redeemer to replace, in your consciousness, all that must someday be transformed.

Therefore, live the Sorrowful Mysteries as a triumph, at each step, and experience surrendered by Christ.

Live each Sorrowful Mystery as the deepest demonstration of the Love of God that forgives all and can do all.

This is the essence of the experience of Love of My Son: to leave His legacy to the world so that humanity may avail itself of this legacy.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
