DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF LISBON, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

With My stripped and pure Feet, I step on what causes pain and sadness in My children. In the name of God, I am firmly on the serpent and make it feel the Power of the Creator, so that in this way, it may be placated.

With My Hands together in prayer, I plead for the planet and for each soul of this world, without ceasing to guide and accompany those who invoke My aid.

With My luminous Mantle, I radiate the Kingdom of God so that souls may distinguish it, and recognizing it within themselves, dare to enter the Heart of God.

With the Crown of twelve Stars on My Head, I establish the Attributes of Light for the world and send the angels of Heaven on a mission so they may sow in humanity everything that will make it more fraternal, service-oriented and peaceful.

With My Gaze of Love on the world, I intensely plead for those who are lost in the material life, and with My Divine Mind, I lift up what is fallen so the Law of Redemption may be accomplished.

And so it is that I am with My Consciousness unfolded, to encompass everything, beyond this world and this humanity, because My Purpose is that everyone be able to live the Supreme Will.

For this reason, I come in aid of all those who say 'yes' to Me.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
