DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF DE AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

With My great Celestial Consciousness, from the thirteenth dimension of the spiritual plane, every day at three o'clock in the afternoon, I fully descend for a period in order to establish the divine codes of My Glorification in the deep consciousness of awakened humanity.

Despite the fact that at this time humanity is submerged in an appalling material battle, your Master and Lord, from the thirteenth dimension of the One Divine Consciousness, descends in splendor and in light to pour out unalterable states of peace in certain places of the world, which will allow the planet to still be kept on its axis and in balance.

I come every day from that higher dimension, without restriction and without obstacles, to prepare those of Mine for the great and awaited moment in which the Son of the Father will return among the clouds, to bring the captivity of humanity to an end.

While what is most serious is still to take place, from the thirteenth dimension of the Divine Consciousness, your Master brings all the luminous and ascendant impulses to the inner universes of beings that you will need to be able to faithfully represent Me in humanity, in this time.

For this, in a short while, I will introduce those of Mine to the true Aspect of your Master and Lord. And when that Aspect is revealed to the whole world at the most critical moment of the Earth, none will be able to reject it or deny it. On the contrary, the higher revelation will be so strong and intense that there will be no believer or atheist able to resist.

Thus, Your Master and Lord activates important events in this area of the planet's hemisphere, preparing this part of the race as a witness to the coming of Christ to the Earth.

I thank you for keeping My Words in your heart!

Who paternally blesses you,

Your Redeemer, Christ Jesus
