Special Message of Mary, Mother and Lady of All Graces, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías

Dear children,

As Mother of the Church of My Son, Mother of that sacred spiritual doctrine that Jesus established before His Ascension, today I come to inform you that as your Mother from Heaven, I am gathering together all the soldiers of the entire world, especially those who come from different spiritual paths, in order to fulfill the prophecies of My son, the Apostle Saint John, to be able to unite in one spiritual flock the New Humanity, a humanity of service, a praying and forgiven humanity that in these times, under the intercession of My Grace, must respond to the great Call of the Most High.

For this reason, for those who are still asleep, pray! For those who separated themselves from My blessed maternal Heart, pray! For those who suffer physically and morally, pray! For those who do not live in God, pray! Pray for all and for all causes.

I ask you, My dear ones, that today you offer to God the prayer of the Holy Rosary so that My Immaculate Heart may implore before Him. A great moment is approaching for all My children of humanity, a moment that you call purification.

To those children who sustain with Me the banner of peace and of Divine Mercy, I promise you, as your Most Holy Mother from Heaven, that I will be able to change the events, offering God the Father My Heart for all of you.

Dear children, today I do not come to bring you restlessness or concern; today I come to bring you planetary awareness of the things that humanity still does and repeats without paying attention to the gravity of their destiny.

For this reason, strengthen your groups of prayer, strengthen your networks of fraternity, prepare as from now the way for what is to come. No longer waste time on yourselves, but rather, dedicate your time to being united to the Heavens so that, during this cycle, you are within the Kingdom of My eternal Grace.

As I have done in the past, I will do so again in the present; I will step on the evil of the world with My feet and I will liberate with My powers the hearts that simply say 'yes' to Me.

Get into the boat of salvation that My Son is sending you, and with attention, read the signs of the events.

Dear children, before the glorious coming of My Son Jesus, the world must be at another point; for this, to the few flocks that I count on, I will give guidance of where to walk until you are able to reach Heaven and Paradise.

Children, humanity is in need of much help. For this reason, in all the time available to you, offer to God your prayers and your sacrifices, offer the Father your transformation and your inner sorrows; for the world as a whole is drowning and needs to breathe freely and in its nature, as it was in the beginning of Genesis.

Dearly beloved, your planet is part of the great redemptive Project of God; the universe is paying attention to the willingness of the servers who, with love, accept to sustain and support it in the end of times.

Know this and remember this always; I am with you and in you. My Mantle protects those who strive to be in God Almighty.

We are in the time of reparation of the spirit and the soul. We are in the time of liberation and of healing for all consciousnesses.

Let us pray with our heart.

I thank you for responding to My call!

Who blesses you in Grace and Love,

Mary, Lady of All Graces
