DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM MEDFORD, OREGON, TO PHOENIX, ARIZONA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Just like various species of flowers exist upon the planet, in the same way, there are different Aspects of God that are revealed within the Most Holy Trinity.

The same thing happens with His beloved Son. His different faces, in Heaven as on Earth, fulfill a divine and essential purpose.

This mission of your Master and Lord, through the various faces, has expanded since the moment in which Jesus ascended to the Heavens.

The various faces of Christ respond to an unknown and broad spiritual and cosmic Will, with the only difference being that, in this cycle, the various faces of Christ will approach the Earth and humanity so as to prepare, in the inner planes, for the expected Return of Christ.

These aspects will bring souls extremely important revelations that will expand the consciousness of believers and non-believers so that, with such revelations, humanity may enter its great process of rehabilitation and healing.

These revelations will come directly from Heaven.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
