DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE TRIP FROM THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, TO THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Pray so that the Wisdom of God may flood your spirit, your mind and your heart.

Always seek the answer for your deepest questions, as well as for each decision you make in the simplest things of your daily life.

Create a link with the Spirit of God, called Holy Spirit, so that It may illuminate each expression of your consciousness, from your words, actions and feelings to your innermost thoughts, ideas and aspirations.

In this time of so much confusion in the world, child, it will be the Spirit of God that will guide your soul and through you many more souls that would otherwise be lost in this world.

This is the moment for taking the correct time to pray and, before each decision, unite your consciousness with Divine Consciousness. The Spirit of God dwells within you and animates you from your soul to your cells. And so, you just focus your attention upon that which is real and become silent in order to hear It.

The Will of God and His designs are not far from the thought and the reach of humanity. But to be united with God and to hear Him, you need to make the proper space for the Father within you.

Thus, pray and seek His Wisdom. Become silent and listen to His Voice. In this way, you will always take the correct steps for fulfilling His Will.

You have My blessing for this.

The Most Chaste Saint Joseph
