**MESSAGE FOR THE SPECIAL APPARITION OF MAY 8, 2018, RECEIVED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TRANSMITTED BY MARY, ROSE OF PEACE AND UNIVERSAL MOTHER, TO THE VISIONARY LUCÍA DE JESÚS**

My Children,

From the Heart of God Gifts and Graces emanate on this day for the liberation of the planet, and your Heavenly Mother comes to decree Her triumph in this place through this liberation and the Peace that emanate from My Immaculate Heart.

The Sacred Immaterial Rays that come from the Heart of the Creator touch Earth today, and Its signs become visible through nature. Nothing will remain as it is, inside and outside of humanity, and its mud will be extirpated and purified.

I come as your Heavenly Mother, as your Universal Mother, to prepare the path for the new dawn of Aurora, which next August will shine again in the hearts of humanity and on the horizon of the Earth.

I come to unite My Heart to the heart of Aurora giving a sign to the world that its liberation is not only near as it has already begun with My Presence.

The heart of Aurora again gives signs so that the pulsing of its life may once again illuminate the abysses of this world. But, for Aurora to resume its place, My children, it is necessary that humanity know how to conduct the events in union with the Heart of the Hierarchy and that it follows, step by step, the Will emanated by God for the Earth.

The silence of Aurora will gradually give way to its healing word, and the expansion of its light will be visible. But, while this moment is prepared, accompany your Heavenly Mother step by step, because everything has its time and place.

The expansion of the heart of Aurora will take place gradually, so that its light crosses the horizons and reaches the hearts of humanity, the Kingdoms of Nature and the depth of the consciousness of the planet, liberating all kinds of life from the darkness that still dwells in this world .

But this must happen without wounding; its fire must burn, but not wound. Its heart expands and comes alive, respecting the Laws that rule this world, because thus humanity has chosen to learn.

To those who do not understand My Words, because they do not know the Aurora of which I speak, I say to you, just feel its grace in your hearts and let it expand, taking its corresponding place, because this is the Will of God.

My children, your Heavenly Mother, on this day, comes to prepare a very important moment: the expansion and return of Aurora of the dawn, to illuminate the hearts of the world.

Pray with me, pray so that the nations open up to the Will of God; pray so that the Plans of the Creator may be fulfilled on Earth; pray so that, in the depth of a true prayer, your Father Who is in Heaven may find the necessary permission to help this world.

There is still much to happen for God's Plans to concretize and, with Power and Peace, your Celestial Mother comes to unite the Scepter of God to the Scepter that rules the Aurora of My Heart, so that, gradually, it decrees its return and its triumph.

Beloved children, today I also come to give you a special Grace, through the beloved soul that offers itself every day so that My Plan may continue fulfilling itself. Soul that, like Me, united her heart to the heart of Aurora, so that this world might always have an opportunity to be healed.

Know, My children, that, with the simple surrender of a few, My Heart will work miracles on Earth.

With this I tell you not to give up surrendering your lives to God; do not give up taking steps toward union with the Heart of the Father and, in spite of everything that happens on the planet, never lose hope that the healing that comes from the heart of Aurora will extend to the world and touch all life, bringing back to the sacred what was lost and distorted by human misunderstanding and ignorance.

I am your Heavenly Mother, the One who shows you the way to reach Christ and, on Earth, I left you an earthly spiritual mother, so that she would point to the Father together with My Heart and that, united to Me, she might tirelessly work for the rescue of souls.

Unite with this mother soul that I gave you, because today I tell you that, upon her, your Father, Who is in Heaven, has placed His trust.

Therefore, today, do not only pray for Aurora to dawn again; also pray for the awakening of Unity on all this Work of Love, and may the hearts know how to recognize the instruments that the Father placed on their paths to never get lost.

Everything is part of a unique construction; listen to My Voice and unite with Me, and thus, My children, you will not confuse yourselves and you will be able to make triumph the Heart of God through your lives.

I bless you and ask you to accompany Me, preparing with the heart the final awakening of the Aurora of the dawn.

Your Mother, Mary, Rose of Peace and Universal Mother.
