DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF THE REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear children,

As Mother, Help of Christians, I am in the Middle East helping souls that have no hope because they lost it from the moment in which their lives abandoned their beloved land.

Exile is the inner result of not managing to see God in all the situations that they experience, because the heart remains prisoner of terror and fear. It is for this reason that Your Mother is working there, amongst the refugees, for the recovery of a meaning to life and to existence of each being in the middle of the desolation of the end times and wars.

Dear children, this is why I invite you every day to place your Syrian brothers and sisters in your hearts, because they have abandoned their homes and what little they had in order to survive. All of them are going through one of the worst humanitarian crises, because not belonging to any nation and the rejection of part of the European nations has turned into a great lightless desert in the life of each exile.

May your prayers concentrate in invoking providence for each one of them, and especially for them to recover the dignity of life, because they are children of God. If all had the consciousness in such situations, the world would be relieved from its constant sinning, and doors of peace would open through its length and breadth.

Although humanity wants to excuse itself and not help as it should, My Immaculate Heart will finally triumph through the most simple and humble of heart, and they will come to know the New Earth.

I thank you for answering My call!

In the hope of a true change in the human consciousness, who prays for you,

Your Mother Mary, Rose of Peace and Mother of refugees
