**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

When souls cannot manage to fulfill the purpose they have come to carry out on this plane, this situation is shared among those who, through effort, are able to comply with the other part of the spiritual Purpose of God. Thus, it is so that the scale is imbalanced, because, in truth, every soul must fulfill what they have come to do.

But, dear children, consciousnesses cannot for very long take on the part that another consciousness has failed to meet, because every being has a capacity to cope with their commitment to the Plan. This reality is a chain in constant imbalance and there are consciousnesses that at this time cope with the tasks of others only for love of the Project of God.

Imagine, My children, how many consciousnesses in the world distracted by the innovation and the cunning of My enemy stop fulfilling the service that in reality they came to give. Thus the planetary consciousness counts on very few and true servers to alleviate the current crisis of humanity. Souls will be surprised when they see all that they have failed to do, sometimes by free will, leading the project of the race to a constant decline.

The Celestial Universe works at this time with consciousnesses that truly have a good heart and no longer yearn for anything for themselves. It is in this way, My children, that the realization of the human project is framed within a template of few possibilities, given the great indifference of the human race.

For this reason, everyone is called to permanent and daily prayer so that in this final stretch, the majority can reach the goal of crossing the portal to salvation before all the Doors of Heaven are closed and the complete purification of humanity begins to take place, because at that point there will be no more time.

Dare to leave the point upon which you have placed yourselves, and take on purification and service to the Plan while serving God with complete love and sacrifice. Remember that the life of ease and comfort in the world will be the first thing to be purified by the presence of the crisis of hunger experienced by many, many souls.

As the Mother of Divine Justice, I am trying to bring you to another state of consciousness where changes that have not been seen so far can occur.

I thank you for understanding Me and for participating!

Who prays for all,

Your Mother Mary, Rose of Peace
