DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Be brave in the face of the tests and every day you will learn to surpass yourself.

May this valor give the impulse to your heart so that you may project greater steps on your path, those which you never imagined you could give.

Embrace the proposal of valor as the means for being able to transcend possible obstacles and make of each experience a victory for the Celestial Kingdom.

May your permanent transformation show the world the constancy of wanting to be close to the Lord, to live His Joy and to be in His Divine Presence.

Therefore, take up the path of valor so that you may learn to move forward without retracting even one step.

Let this valor, child, support the coming of the Sacred Spirit of God so that more souls may be transformed by the Fire of God.

In valor may you find the impulse to make great leaps, determined to transcend the barriers of the planetary inertia.

Dare to say "yes" to each new challenge and do not feel defeated.

My Son still awaits the apostles of transformation, who through good examples will testify to His Holy Word.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
