DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

The Old Law of Purification

Since the first day in which My Mother Mary presented Me in the Temple of the Lord, the High Priest recognized before his eyes and before the eyes of the wisest that they were before the Virginal Purity of God.

As an act of humility, the Most Chaste Saint Joseph carried as an offer to the Temple the symbol of two doves, which mysteriously represented the Holy Spirit during the circumcision of Jesus.

From that day on, the Law of Purification became the Law of Consecration for all beings. Christ, as the Child King, brought a deep change for the life of all consciousnesses. He was the Messiah who announced the liberation from the sin of the people and, consequently, of humanity, through the power of the Love of God.

Therefore, today, do not fear to be before the present law of purification because whoever aspires to the Life of the Infinite will be able to achieve the consecration of their heart to God. No one reaches the Father without having first gone through the purification of body, mind, and spirit.

The Child King, from His consecration in the Temple of Jerusalem, brought the opportunity to reverse the sins and aspects of life through compassion. Do not see yourselves as so impure, see your beings in the cycle of the fiery purification of earthly life.

The Merciful Jesus is the Spring that will wash you and at the same time show you all that must be purified by the brave soul who dares to live it.

You are in a time of a deep redemption of capital sins. Therefore, confirm your faith in the Lord God Almighty so that Christ may receive the permission to liberate you and help you during the great purification.

Offer your miseries to the Universe. Today, I invite you to enter the temple of purification so that more souls may soon be consecrated to the precious Plan of the Creator.

Under the Good of the Father, be blessed.

Thank you for purifying yourselves through My Redeeming Love!

Christ Jesus
