WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE CENTRAL REGION OF FRANCE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, as the light that emerges through the autumn rain, I come to meet you to participate in the prayer for peace in France, for all its people who still need to turn their gaze towards God in order to redeem themselves and forgive.

Dear children, as the Lady of Hope and Peace, once again I present Myself internally before France and the world to ask you for true and sensible repentance for the outrages, indifference and evils that are committed against the Heart of the Creator.

I come with the same Message that I once pronounced in Massabielle. Therefore, My beloved ones, do not forget the Gaze of God upon you. Do not forget that He, in His immense Mercy and Pity, listens to you, supports you and transforms you through My Maternal Presence and especially through the Eucharistic Presence of My Beloved Son.

I am here, on this blessed day, to begin a new stage in France; so that these people, many times consecrated by the Presence of the Mother of Heaven, may receive on this day this special warning and this call to urgent conversion of the heart.

My beloved ones, as Mother of Mercy, I gather all intentions and supplications in My Immaculate Heart, and I tell you that the end of captivity will come for many.

I call you to be reborn in the fire of the Merciful Love of Christ.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Mother of Mercy
