DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I come with the same wind that embraced Me while I was hanging on the Cross, the wind that witnessed the entire sacrifice of the Son of Man.

That powerful wind, together with Me, transmuted the human calamity, and the pride of humankind was thrown to the ground while the holy women prayed and cried for the loss of their Master, but an inner fire consoled them.

I told you once not to cry for Me but rather for your children and families, because the time would come when families would be the center of the division between beings, who seemingly love one another.

Today, the families are the result of a social and national exploitation that causes them to lose the values that it acquired for the evolution of consciousness.

For this reason, the family is the most attacked project of all. Because within the families you must awaken the awareness of one universal family among beings so different from one another, and yet so similar.

The death of your Master and Lord was for the emergence of this universal family, to be able to renew the project of the family, but at the same time, to free consciousnesses from the captivity in which they have entered.

The family must be the reflection of the Will of God upon Earth, through love and the inner union among beings.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
